| | | | | |
| • | Total Credits Completed | | | |

- A minimum of 129 total hours is needed for a Bachelor's degree.
- Check the class schedule for courses offered alternative years.
- C- or better in courses is required for all majors.
- Double Concentration requires at least 140 total credits.
- Double Major requires at least 146 total credits.
- Credits completed for core major requirements cannot also be used toward a minor.
- * These courses may also be applied toward General Education requirements. Credits used in this way will not be calculated into the total completed twice. Courses predetermined to fulfill specific General Education requirements will show a substitutional "X" in the credit column.
