

REFERENCE FORM

Instructions for Applicant

First, please print your name and sign release on the attached reference form (if you email this form, then you are NOT required to sign the release). Then, distribute them to your 2 references.

NOTE: These references are confidential, so please do NOT read them. Ask your references to send the forms directly back to Corban. We encourage you to provide them with a stamped envelope that is addressed to Corban's SOS Program.

1) One reference should be submitted by a spiritual leader at your church (pastor, youth minister, etc).

2) One reference should be submitted by a friend who has known you at least two years.

If you are an SOS RETURNER, you only need to submit one reference form from a former team member. Then, please ask your former team leader to email an evaluation of your past team performance with his/her recommendation to sos@corban.edu.

Dear Friend,

The applicant is seeking to serve through the Summers of Service (SOS) missions program at Corban University. Each year we send hundreds of students on service projects, both domestically and abroad. We are looking for individuals with a mature and growing heart for God and a willingness to be stretched beyond their comfort zones to see how God can and will use them. We are grateful for your assistance in helping evaluate the applicant's potential for service.

Since it is our purpose to secure an understanding of the applicant's personality, please be completely frank. Feel free to offer pertinent facts and judgments not covered by the questions and to exceed the space limitations where you think it is necessary. Please include both favorable and unfavorable comments which will enable us to determine the applicant's qualifications for Christian service. Your frankness is of the utmost importance. Rarely will a frank reference automatically eliminate someone from serving; however, your honest comments will also help us to place this applicant on the right team with the right team leader.

Your early return of this reference form will greatly facilitate our efforts to meet our applicant acceptance deadline. Please be assured that your reply will be kept confidential. If you have any questions or further comments, please contact us at: 503-589-8198 or by e-mail at: sos@corban.edu. We invite you to check our website to learn more about our service programs: www.corban.edu/sos.

The due date for all reference forms is January 15th of the year the trip takes place.

6. Would you have any concerns about the applicant working with children or young people? If yes, please explain.
