

The Campus Recreation Department *WELCOMES YOU* to the  
STUDENT DISC GOLF COURSE

---

## RULES and REGULATIONS FOR PLAY

**Teeing Off:** Play begins on each hole with the player throwing from within the teeing area. When the disc is released, the player must have at least one supporting point in contact with the surface of the teeing area, and all supporting points must be in contact only with the surface of the teeing area. Supporting point contact outside the teeing area is allowed if it comes before or after, and not at, the moment the disc is released.

**Establishing Position:** The thrown disc establishes a position where it first comes to rest.

**Throwing Order:** After teeing off, the player whose disc is farthest from the hole throws first. The player with least amount of throws on the previous hole will tee off on the proceeding hole.

**Marking the Lie:** The position of a thrown disc on the in-bounds playing surface marks its lie.

### Course Rules:

- No Smoking
- No alcohol
- Refrain from vulgar or abusive language
- Do not enter buildings unauthorized

### EMERGENCY CONTACTS

Campus Security 503-510-6430

Campus Maintenance 503-375-7031

Medical Emergencies 911

Alternatively, a mini marker disc may be used to mark the lie by placing it on the playing surface, touching the front of the thrown disc on the line of play.

**Throwing from a Stance:** A player must choose the stance that will result in the least movement of any part of any obstacle that is a permanent or integral part of the course. Once a legal stance is taken, the player may not move an obstacle in any way in order to make room for a throwing motion. It is legal for a player's throwing motion to cause incidental movement of an obstacle.

**Holing Out:** Basket Targets: In order to hole out, the thrower must release the disc and it must come to rest supported by the chains and/or the inner cylinder (bottom and inside wall) of the tray. It may be additionally supported by the pole. A disc that enters the target below the top of the tray or above the bottom of the chain support is not holed out.

- Clean up after yourself
- Eat berries!
- Don't harm the wildlife
- HOLE #8 will be closed during soccer games.
