2010-2012

CORBAN UNIVERSITY

CATALOG
OUR MISSION
“To educate Christians who will make a difference in the world for Jesus Christ.”
This is accomplished by fostering a transformative learning culture where a sustainable biblical worldview takes shape; building a Christian community that promotes worship, creative expression and activities that reflect God’s character; and cultivating a life of stewardship and service toward God, humanity and creation.

OUR SENSE OF PLACE
“Ideally, every college or university should have its own physical image, an amalgam of buildings and landscapes that define and celebrate a sense of place; communicate the institution’s purpose, presence, and domain; and generate an image charged with symbolism, graced by history.” (“Campus Design” by Richard P. Dober)
The Lord has blessed us with a campus that has truly become a beautiful educational setting with several new buildings, clock tower, amphitheater, large green spaces, new athletic fields and renovation of several existing buildings. The prospects of a new library building and the addition of 42.5 acres to our campus give us the opportunity to continue to expand the University.

OUR COMMITMENT
We are committed to scholarship, a biblical moral stance, and progress. In “Qualities of a Leader” by John Maxwell two questions are presented: “What am I willing to die for? If it came down to it, what in life would you not be able to stop doing, no matter what the consequence was?” At Corban, we are committed to our core values: Christ-honoring, Bible-centered, People-oriented, Excellence-driven and Future-directed.

OUR RELIANCE ON THE LORD
The Lord has blessed us the past 75 years and we are content to be in His hands as stated in Psalm 31:15 “My times are in your hands.” Those who choose to attend Corban will also feel the Lord’s presence in their lives. Thanks for considering Corban University.

Making a Difference,

Reno Hoff
President

Revised 4/8/10
UNIVERSITY PROFILE

OUR HISTORY

Corban University has its roots in Phoenix, Arizona, where in 1935 it began as a Bible institute.

After relocating to California in 1946 it became known as Western Baptist Bible College where it operated until moving to Oregon in 1969.

In 1955 the college received degree-granting status from the State of California Department of Education, and in 1959 received national accreditation as a Bible college by the American Association of Bible Colleges. In 1968 it was first regionally accredited and remains so today by the Northwest Commission on Colleges and Universities. Over the years, the University has been transformed from a Bible college to a comprehensive college offering programs in biblical studies, the liberal arts, and professional studies.

With a heritage of Baptist theology, Corban serves the greater evangelical community. In order to address the demographic changes from a historically Baptist student body to one representing a wide range of evangelical groups, the name was changed to Corban College in 2005. The name, a biblical word meaning “a gift dedicated to God,” and motto “dedicating heart and mind to God” reflect the University’s mission. The name of Corban University was adopted in 2010 to reflect the expanded educational offerings.

Today, there are 45 accredited majors and programs of study including traditional, adult degree, and graduate studies programs on campus and online.

OUR MISSION STATEMENT

To educate Christians who will make a difference in the world for Jesus Christ (Matthew 28:19 – 20).

We seek to do this by:
- Fostering a transformative learning culture where a sustainable biblical worldview takes shape.
- Building a Christian community that promotes worship, creative expression and activities that reflect God’s character.
- Cultivating a life of stewardship and service toward God, humanity and creation.

OUR CORE VALUES

- Christ-honoring
- Bible-centered
- People-oriented
- Excellence-driven
- Future-directed

OUR COMMITMENT TO GROWTH

We believe Christ has called all of us to a life of growth, and that if we are to be the kind of people God wants us to be, we must be prepared to take the risks that growth demands. We must not be afraid to reach beyond where we are.
Reaching out of our boundaries of self to other people is part of growth. Evangelism is central to this commitment; but reaching means, too, an availability, an accessibility of mind and heart to other people, a refusal to shelter within the walls of habit, inertia, prejudice, and fear.

Such a commitment, in some circumstances, may demand the risk even of life. And there is always a psychological risk in opening ourselves up to other people. Not least may be the risk of being misunderstood by our own friends. Further, we must recognize that in reaching it is possible to lose our balance and sustain genuine emotional, spiritual and intellectual injury.

But the risk must be accepted if our commitment to growth is genuine. As a university, we are committed to a scholarship, manifested by honesty, dispassion, accuracy, and breadth in our studies. As a Christian university, we are committed to a biblical, moral stance, and to Christ-like beauty of life-style. And as a contemporary university, we are committed to progress, effective involvement (rather than passive intellectualism), and to contemporary methods.

We are committed to neither ease nor safety. Reaching may be difficult — perhaps even dangerous. But the risk is unavoidable if we are to grow.

OUR ACCREDITATION AND AUTHORIZATION

Regional Accreditation: Northwest Commission on Colleges and Universities

Regional accreditation is a process of recognizing educational institutions for performance, integrity, and quality which entitles them to the confidence of the educational community and the public. In the United States, this recognition is extended largely through nongovernmental, voluntary membership associations that establish accreditation criteria, evaluate institutions against that criteria, and approve institutions that meet the criteria.

When granted, accreditation by the Northwest Commission on Colleges and Universities is not partial. It applies to the entire institution in operation at the time of the most recent comprehensive evaluation. It indicates that the institution as a whole is substantially achieving its mission and that it meets the Commission’s expectations for compliance with the accreditation criteria.

Authorization:
The state of Oregon recognizes Corban University as a degree granting institution.

Corban University is authorized by the Washington Higher Education Coordinating Board (HECB) and meets the requirements and minimum educational standards established for degree-granting institutions under the Degree-Granting Institutions Act. This authorization is subject to periodic review and authorizes Corban University to advertise and recruit for the following degree programs: Bachelor of Arts in Business Administration: Business and Organizational Leadership; Bachelor of Science in Business Administration: Business and Organizational Leadership; Bachelor of Arts in Psychology: Family Studies; Bachelor of Science in Psychology: Family Studies; Master of Business Administration; and Master of Science in Education. Authorization by the HECB does not carry with it an endorsement by the board of the institution or its programs. Any person desiring information about the requirements of the act or the applicability of those requirements to the institution may contact the HECB at P.O. Box 43430, Olympia, WA 98504-3430

Specialized Accreditation:
Education Program: Association of Christian Schools International

Western College Placement Association

Endorsements:
• Chartered by the State of Oregon as a degree-granting institution
• Approved by the Veterans Administration for education benefits for veterans and their dependents
• Approved by the United States Department of Justice for the training of foreign students
• Approved by the Teacher Standards and Practices Commission for the State of Oregon
• Approved by Oregon Board of Licensed Professional Counselors and Therapists
OUR FACILITIES (SEE MAP NEXT PAGE)

25—Schimmel Hall, named for a former academic dean, is the principal administrative building at the University. The main floor has the offices of the President, Vice President for Academics, Registrar, Admissions, Business and classrooms. Offices for Student Life, Financial Aid, Career and Academic Services, and are located on the second floor. The Travis Memorial Dining Center and kitchen rest on the ground floor.

26—The Library/Academic Center is an H-shaped structure. The uphill side of the “H” houses faculty offices on all three floors. Classrooms are located on the third and fourth floors. The faculty secretary office is found on the 5th floor.

On the downhill side of the “H,” the first floor contains the bookstore, student computer lab, media center, and mailroom. The second floor and third floor house the library. A portion of the third floor also contains the Prewitt-Allen Archaeological Museum. The top floor houses the science laboratory.

The library has more than 105,000 volumes, including about 80,000 book titles. About 30 percent of the collection is in the field of religion — the core curriculum in Bible and theology. Schools and patrons in the Mid-Willamette Valley increasingly seek assistance from Corban’s resources in this discipline.

The library operates under the principle that it is an extension of the classroom. As such, its goal is to provide adequate resources for term papers, reports, class discussion, research and personal growth. Its personnel desire to guide students in methods of library use and appropriation of these resources. Corban participates in the Online Private Academic Library Link (OPALL), which allows students access to nearly one-half million book titles.

The Corban library also offers a number of periodical full-text databases (containing over 24,000 unique titles) to the student, staff and faculty on and off campus. Wi-Fi is available throughout the library. The University has planned and is currently raising money for a new 38,000 square-foot facility.

27—The Pavilion, across from the Academic Center, is the principal classroom building for the campus and houses the student center and the Common Grounds coffee and snack shop.

75—The C.E. Jeffers Sports Center is on the high spot of Corban’s campus. It was named in honor of alumnus Clarence E. Jeffers, a sports enthusiast and building contractor, who dedicated his life to aid churches in their building needs.

This multipurpose building provides space for intercollegiate sports, intramural sports, and physical education classes. It is also used for special events such as Commencement. The building presently seats 1,500, with space available for bleacher expansion. Its 27,000 square feet includes a basketball court and training center, classroom, weight room, offices and dressing rooms.

There are six residence halls on the campus: Aagard Hall (1), Balyo Hall (78), Davidson Hall (80), Farrar Hall (12), Prewitt Hall (65), and VanGilder Hall (65). In addition, the College Park Townhouses (4620-4650) are available for overflow housing, married students, or other students who may petition to live in an apartment off campus.

28—The Psalm Performing Arts Center seats 700. As a signature piece to the campus, it is the home for Chapel and music and theatre performances.
1 Aagard Residence Hall
11 Athletics Activities Office
12 Farrar Residence Hall
14 Alumni House (Advancement, Alumni, Marketing & Communications)

4620-4650 Student Townhouses
STATEMENT OF FAITH

The Scriptures
We believe the Bible is the inspired word of God and is inerrant in the original writings.
We believe that this divine inspiration extends equally to each word and to all parts of the sixty-six canonical books.
We believe that all the Scriptures center on the Lord Jesus Christ, both the Old and New Testament and that they are the believer’s sole authority.
We believe that Scripture is to be taken in its natural and literal sense, recognizing the interpreter must not appeal to literary forms which cast doubt on the reliability or the morality of the divine author of Scripture.
We believe that all Scriptures were designed for our practical instruction.

The True God
We believe there is only one living and true God existing as three persons, the Father, the Son, and the Holy Spirit.
We believe that the members of the Godhead have the same nature and attributes and are worthy of the same worship and honor.
We believe that the six day biblical account of the creation is neither allegory nor myth, but a historical account of the miraculous acts of God creating all that exists (Gen. 1:1-2; John 1:3). All of creation was good before sin and death entered it (Gen. 1:4, 31; Rom. 5:12). God continues to sustain creation by His power and will bring it to completion for His glory (Col. 1:17; Eph. 1:10).
We believe that the Father is the source of all things and the one who sent the Son as His gift into the world.
We believe that Jesus Christ is the Son of God, eternal and equal with the Father, born of the virgin Mary, and that He is both true God and true man.
We believe that Jesus Christ died for our sins according to the Scriptures as a voluntary and substitutionary sacrifice.

We believe that Jesus Christ rose physically from the dead and ascended to the right hand of the Father, where He is now ministering as our advocate and high priest.
We believe that Jesus Christ will receive us unto Himself at His coming and will return to establish His millennial kingdom on earth.
We believe the Holy Spirit is a divine person who is co-equal with the Father and Son and that He was active in creation, convicts the world of sin, reveals Christ and baptizes all believers into the body of Christ at conversion along with His work of indwelling, sealing, regenerating, empowering and gifting.
We believe that the sign gifts of the Holy Spirit were given only to the early church for the primary purpose of authenticating its ministry.

John 4:24; Deut. 6:4; Gen. 1:1; Col. 2:9; Heb. 1:1-2; John 1:1, 14, 18; John 8:58; Phil. 2:5-8; 1 Peter 2:24, 3:18; Heb. 7:25; Matt. 28:19; 2 Cor. 13:14; Matt. 1:18-25; John 14:26, 16:7-14; Psa. 139:7-12; Acts 5:3, 4; Rom 8:9; 1 Cor. 6:19, 12:8-10, 12:13; 2 Cor. 12:12.

Man/Sin
We believe that man is the product of the direct creative act of God, made in the image and likeness of God.
We believe in the sanctity of human life which begins at the point of conception.
We believe that all sexual relationships must pattern themselves after a faithful heterosexual relationship within marriage.
We believe that man fell through sin, and, as a consequence, became dead in trespasses and sins and became subject to the power of Satan.
We believe that sin has been transmitted to the entire human race so that every child of Adam is born into the world with a fallen nature devoid of spiritual life and no power to recover oneself from this condition.

**Salvation**
We believe that salvation is entirely of God, by grace, through personal faith in the blood of Christ, wholly apart from any human merit, works, or foreseen faith.
We believe that believers were chosen sovereignly by God before the foundation of the world for salvation and are enabled by the Spirit to believe.
We believe that the divine nature and divine life are communicated to believers by a supernatural work of the Spirit.
We believe that believers are justified before God in that their sins were imputed to Christ and His righteousness was reckoned to them.
We believe that all believers were sanctified at the point of salvation and the believer is progressively brought closer to conformity to the holiness of God, a process culminating at the return of Christ.
We believe that all who are truly born again will be kept by Christ and will persevere in faith unto the day of redemption.

Eph. 2:1-8; Titus 3:5-6; Acts 16:31; John 3:3-7; 2 Cor. 5:17; 1 Peter 1:23; 2 Peter 1:4; Eph. 1:4-11; 2 Thess. 2:13; Rom. 5:1; 1 Cor. 1:2; Phil. 1:6; Rom. 8:33-39; John 10:27-29.

**The Church**
We believe that all who are united to the risen and ascended Son of God are members of the church which began on Pentecost.
We believe the local church is a congregation of immersed believers, associated in the faith, stewardship of the gospel, and worship of God.
We believe that the local church has the absolute right of self government free from the interference of any hierarchy of individuals or organizations.
We believe that the ordinances of the church are baptism by immersion as the identifying symbol of one’s belief in Christ’s death and resurrection and communion which is a commemoration of Christ’s death until He comes.
We believe the church has the responsibility to take the gospel message to all nations of the earth and to be a voice for justice and truth in the world.
We believe in separation from all sinful practices and all spiritual apostasy.
2 Cor. 6:14; Matt. 7:15-16; Eph. 1:22-23. 4:11-12; 1 Cor. 11:23-28; 1 John 2:15-16. 4:1-3; 2 Cor. 5:20; Matt. 18:15-17; Acts 2:41-42; Matt. 16:18.

**Angels**
We believe angels are spirit beings created to serve and worship God.

We believe Satan was created holy but rebelled against the Creator, involving numerous angels in his fall, and introducing sin to the human race by the temptation of our first parents.
We believe Satan was defeated in the death of Christ and will be tormented eternally in the lake of fire.
We believe Satan’s control over Christians is limited to external influences which may be resisted by the believer.

Heb. 1:6; Rev. 5:11; Gen. 3:1-5; Matt. 4:1-11; Rev. 20:10

**Future Events**
We believe in the imminent coming of Jesus Christ for His church prior to the tribulation period at which time all church saints will be raised, glorified and rewarded.
We believe that Christ will return at the end of the tribulation to set up the millennial kingdom, to overthrow Satan, and to regather Israel to her promised land according to the Old Testament promises.
We believe in the physical resurrection of all the dead; the saved to life eternal, the unsaved to eternal judgment and separation from God in the lake of fire.
We believe the eternal state will begin following the judgment of the lost with believers of all time enjoying God forever.

ADMINISTRATION AND FACULTY

OFFICE OF THE PRESIDENT

Hoff, Reno R., President, 1999, (formerly Provost, Executive Vice-President, Dean of Faculty, 1969); Professor of Business, B.S. Corban College; M.S. Oregon College of Education; J.L.D. (Hon) Corban College; Certified Financial Planner; Accredited Tax Advisor.

James, Dorothy A., Executive Secretary to the President, 1989.

OFFICE OF ACADEMIC ADMINISTRATION

Lucas, Matthew, Provost, Executive Vice President, 2008 (Associate Professor of Education, 2004-2006; Dean of Education, 2006-2008); B.S. Corban College; M.A. Idaho State University; D.A. Idaho State University.

Allen, Janine F., Dean of Education, 2008. B.A. Loyola Marymount University; M.A. California State University; Ed.D. George Fox University.

Bale, David B., Professor of Human Performance and Education, 1998. B.S. Concordia College, Moorhead; M.S. Washington State University; Ed.D. Arizona State University.

Myers, Patricia J., Director of Graduate Counseling, 1994. B.A. Marycrest College; M.S. Western Oregon University; Doctoral studies in progress.

Trott, Garrett B., Librarian, 2006. B.S. Multnomah Bible College; M.T.S Trinity Western University; M.L.S. Emporia State University.

Votaw, Floyd M., Director of Library Services, 1994. B.A. California State University; M.L.S. University of Southern California; American University, Beirut, Lebanon; Certificate of Bible Studies from Grace Theological Seminary.

OFFICE OF COLLEGE ENROLLMENT

Ziesemer, Martin A., Vice President for Enrollment Management, 1992. B.S. Corban College; M.B.A. University of Phoenix.

Mooney, Tim, Director of Graduate and A.D.P Admissions 2009. B.S. Hannibal-LaGrange College, Master of Church Music Mid-Western Baptist Theological Seminary.

OFFICE OF ADVANCEMENT

Wills, Deleen, Director of Alumni Services, 2006.

White, Darrel, Director of Development, 2008.

OFFICE OF FINANCIAL AFFAIRS

Erickson, Chris D., Vice-President for Business, 2001. B.A. Central Washington State University; Certified Management Accountant; Registered Investment Representative; Oregon State Registered Insurance Representative.

OFFICE OF MARKETING & COMMUNICATIONS

Wells, Corey J., Director of Communications, 2004. B.S. Corban College.

OFFICE OF STUDENT LIFE

Hedberg, Nancy D., Vice-President for Student Life, 1990. B.S. Corban College; M.A. George Fox University; D.M. Western Seminary.

Husk, Stephanie, Director of Counseling Services, 2005. B.A. Crown College; M.S.W. Portland State University.

Huber, Dan, Campus Pastor 2010. B.S. Cedarville University; Th.M. Dallas Theological Seminary; Doctoral studies in progress.

Schilling, Lori, Director of Church and Community Service Program, 2005.

Vohland, Janet E., Director of Health Services, 1994. R.N. Los Angeles County Medical Center School of Nursing; B.S. Corban College.
FULL-TIME FACULTY

Aguilera, Mary E., Associate Professor, NCC Clinical Director of Counselor Education Department 2010. Ph.D. Counseling, Counselor Education and Supervision, Oregon State University; Corvallis, M.A. Counseling, Western Seminary, Portland, B.S. Biblical Studies/Journalism, Multnomah University Portland
Anderson, Timothy L., Professor of Theology, 1989. B.S. California State University at Hayward; M.Div. The Master’s Seminary; Th.M. Grace Theological Seminary. Ph.D., Trinity Evangelical Divinity School.
Baker, Samuel E., Associate Professor of Student and Family Ministries, 2006. B.A. Biola University; M.A.C.E. Talbot School of Theology; Ed.D. George Fox University.
Bartsch Jr., John T., Associate Professor of Music, 1991. Diploma, Grace College of the Bible; B.S. and M.M. University of Nebraska.
Bell, John C., Assistant Professor of Science, 1998. B.S. Muskingum College and Montana State University; M.S. Utah State University.
Bernard, Bryce A., Professor of Business, 1987. A.S. Judson Baptist College; B.S. Corban College; M.B.A. Oregon State University; Ph.D., Nova Southeastern University; Certified Public Accountant.
Bittel, Alan E., Family Studies Program Chair (Adult Studies), Assistant Professor of Psychology, 2002. B.A. California Baptist College; M.P.A. University of Southern California.
Bruce, Scott D., Assistant Professor of History, 2006. B.A. Taylor University; M.A. University of Colorado. Doctoral studies in progress.
Cross, Virginia A., Professor of Music, 1996. B.M. Baylor University; M.C.M. Southwestern Baptist Theological Seminary; D.M.A. New Orleans Baptist Theological Seminary.
Daniels, Patrick J., Assistant Professor of Science, 2007. B.S. University of Missouri; M.S. University of Missouri; Ph.D. University of Missouri.
Derickson, Gary W., Professor of Bible and Greek, 1991. B.S. and M.S. Texas A&M University; Th.M. Dallas Theological Seminary; Ph.D. Dallas Theological Seminary.
Dyer, James U., Assistant Professor, 2007. B.A. Wabash College; M.A. Ball State University; Ed.D. Ball State University.
Dyer, Sang-Eun K., Assistant Professor of Education, 2006. B.A. ChongJu National University of Education; M.A.E. Ball State University; Ph.D. Ball State University.
Green, Claudia A., Associate Professor of Education, 1990. B.S. Corban College; M.S. Western Oregon State College; Ed.D. George Fox University.
Imig, Aaron M., Assistant Professor of Education 2010. B.A. Secondary Education, Dordt College; M.Ed. Curriculum and Instruction, Dordt College; Ed.D. Curriculum Development and Instruction/Leadership, George Fox University.
Johnson, Jerry M., Assistant Professor of Science, Chair, 1988. B.S. Illinois State University; M.S. Illinois State University. Doctoral studies in progress.
Johnson, Paul E., Assistant Professor of Intercultural Studies and Bible, 2007. B.A. Simpson College; M.S. Dallas Theological Seminary; Doctoral studies in progress.
Kersey, Kent A., Associate Professor of Theology, 2002. B.S. Western Oregon State University; M.Div. Golden Gate Theological Seminary; Ph.D. Southwestern Baptist Theological Seminary.
Leavitt, Donald R., Assistant Professor of Business, 2000. B.S. Biola College; M.B.A. University of Portland; Doctoral Studies in progress.
Mathisen, Robert R., Professor of History and Political Science, Chair, 1991. Diploma Grand Rapids School of the Bible and Music; B.A. Bryan College; M.A. University of Tennessee; M.A. Ball State University; D.A. Illinois State University.
Merritt, Bruce E., Program Chair for Business & Organizational Leadership (Degree Completion), Professor of Business, 1992. B.A. California State College/Fullerton; M.Ed. University of Portland. Ed.D. Nova Southeastern University.
Meyers, Richard W., Professor of Psychology, Chair, 1976. B.S. Corban College; B.A. California State University at Hayward; M.A Trinity Evangelical Divinity School; M.A. Western Conservative Baptist Seminary; Psy.D. George Fox College.
Miller, Michael T., Associate Professor of Math, 1994. B.S. Corban College; M.S. Oregon State University.
Mooney, Angela J., Assistant Professor of Education, 2008. B.S. Hannibal-LaGrange College; M.A. Wheaton College.
Ochsner, Gina, Assistant Professor of English, Writer in Residence English 2009, B.A. George Fox University
Scott, John B., Assistant Professor of History, 2000. B.S. Warner Pacific College; M.A. University of Portland.
Sherwood, Justin R., Assistant Professor of Business, 2001. B.S. Corban College; M.B.A. George Fox University.
Shuholm, Daniel E., Assistant Professor of Music, Chair, 2003. B.M.Ed. University of Oregon; M.A.M. Western Conservative Baptist Seminary.
Simmons, Shannon M., Assistant Professor of Human Performance, 2007. B.A. Willamett University; M.S. California University of Pennsylvania; Doctoral studies in progress.
Smith, Laurie A., 2007. B.S. Corban College; M.S. Western Oregon University.

Stark, Ryan J., Associate Professor of English 2010. B.A. Philosophy, Minnesota State University; M.A. English, University of South Dakota, Ph.D. English, Specialty Rhetoric, Texas Christian University.

Straw, Eric M., Associate Professor of Business, 2002; B.S. Corban College; M.S. Nova Southeastern University. Doctoral studies in progress.

Tennant, Colette G., Professor of Humanities, 1995. B.A. Ohio State University; M.A. Longwood University; Ph.D. Ohio State University.

Trammell, Martin G., Professor of Humanities, Chair, 1982. B.S. Western Oregon State College; B.Ed. and Th.B. Corban College; M.A. Western Oregon State College; Ph.D. Walden University.

Trull, Gregory V., Professor of Bible and Preaching, Chair, 1991. B.A. Independent Baptist College; B.S. Dallas Baptist University; Th.M. Dallas Theological Seminary; M.A. Western Conservative Baptist Seminary. Ph.D. Dallas Theological Seminary.

Wilson, John E., Associate Professor of English, 2006. B.A. University of Oregon; M.A. University of Oregon; Ed.M. Oregon State University; Ph.D. University of Oregon

PART-TIME FACULTY

Anne W. Jeffers, Assistant Professor of Women’s Ministries, 1997. B.R.E. Piedmont Bible College; B.A. Grace College; M.Ed. University of Tennessee.

Robert W. Wright, Professor of Intercultural Studies, 1977. B.A. Providence-Barrington Bible College; M.S. Western Oregon State College; M.R.E. Grand Rapids Theological Seminary; D.D. (Hon) Corban College; Certified Instructor for American Church Growth; Ph.D. Trinity Seminary.

ADJUNCT FACULTY

Anderson, Rachael, Strings

Anderson, Rick, Business 2009. B.S. Portland State University; M.A. Western Evangelical Seminary; M.B.A. George Fox University.

Baker, Alyson M., Education, 2006. B.S. Biola University; M.T. City University

Barrett, Phillip, Business 2009. B.S. Seattle Pacific University; M.B.A. University of Rhode Island.

Brister, Jessica, Human Performance 2009. B.S. Criminal Justice, Minor in Psychology, Western Oregon University, Certified Personal Trainer.

Brownell, Jason M., B.S.Education, 2007. B.S. Corban College; M.S.Ed Western Oregon University.

Butcher, Brett, Ministry, 2006. B.S. Corban College.

Casarez, Roberto A., Business, 2007. B.S. George Fox University; M.B.A. George Fox University.

Chica, Carl A., Psychology, 1994. B.S. Corban College; M.S. California State University, Hayward.

Clifford, Karen, Human Performance 2009. B.S. Public Policy and Administration WOU, M.S. Exercise Science and Health, California University Pennsylvania, PhD Leadership and Sport management, Concordia University Chicago (in progress).

Colburn, Mark, Human Performance 2009. B.S. Physical Education, Western Baptist College, M.S. Curriculum and Instruction, Portland State University

Covington, David, Business 2009. B.S. Prairie Bible College, M.B.A. Corban University

Dahlberg, Lori, Education, 1998. B.A. Seattle Pacific University; M.A. Boise State University.

Farris, Beverly, Assistant Professor of Education, 1996. B.S. Northwest Christian College; M.S. Western Oregon University.

Franz, Chelsey, Human Performance, 2004. B.S. Western Oregon University; M.S. Oregon State University.

Galver, John, Human Performance, 2000. B.S. Oregon State University; California State University, University of California at Los Angeles.

Godshall, Matthew S., Biblical Studies, 2007. B.A. Music and Theology; The Master’s College; M.A. Talbot School of Theology; Th.M. Biblical Studies, Western Seminary.

Goodenough, Lora, Psychology, 2001. B.A. Willamette University; M.A. George Fox University.
Grossarth, Donna, Education 2009. AA CCC, BA Ed Western Baptist College.
Imig, Jennifer, Human Performance 2009. B.A. Dordt College, M.S. Emporia State University
Jacobs, K. Ellen, Assistant Professor of Ministries, 1993. A.A. and B.S. Corban College; M.A., M.F.C.C. Chapman University.
Keeton, Patty Marie, Music, 1996. B.S. Oregon College of Education; M.S. Western Oregon State College.
Lovely, Michael, Strength and Conditioning Coach 2009. Corban College, B.S. HP/PE.
Madaus, Andrew T., English, 2007. B.A. California State University; M.A. California State University.
Mathisen, Jay, Education 2009. B.S. Corban University, M.S.Ed. Western Oregon University.
McAuley, Dan, Business, 1994. B.S. Portland State University; M.S. Oregon College of Education.
Mendez, Alexis, Education 2009. B.A. Willamette University, MAT Willamette University.
Page, Sally, Human Performance 2009. B.S. Athletic Training, George Fox University.
Patterson, Michael L., Psychology, 2001. B.S. Corban College; M.A. Liberty University.
Rawlins, Matt, Business 2008. B.S. Corban University, PhD. University of Wales.
Richardson, Dick, Archery Instructor 2009.
Schamp, Leanne, Ph.D. Counseling Candidate Counselor Education and Supervision, Oregon State University (Doctoral studies in progress) M.A. Marriage and Family Therapy, George Fox University, Newberg, B.A. Government, California State University at Sacramento, CA.
Schreiner, Chuck, Business, 1999. B.S. Multnomah Bible College; M.S. Multnomah Seminary.
Seiber, Tim, Assistant Director of Athletics 2009. B.S. Secondary Education, Western Baptist College/Western Oregon State College.
Seidler, Brent, Human Performance 2009. WU, Biology.
Shearer, Linda, Education 2009. B.S. Elementary Ed, George Fox University, M.S.Ed., Western Oregon University.
Solaru, Ademola, Business 2009. B.S. Purdue University, M.S. Eastern Michigan University, E.D.M. Case Western Reserve University.
Storkel, John, Criminal Justice 2009. B.A. Corban College; J.D., Willamette University College of Law.
Walther, Tony, Head Athletic Trainer 2009. ATC, B.S. Health and Human Performance, George Fox University.
Weil, James W., Education, 2001. B.S. Seattle Pacific University; M.S. Oregon State University; M.S. University of Oregon.
Wenell, Paula C., Art, 1990. B.S. Corban College; M.A. Western Evangelical Seminary.
Zanon, Lee Ann, 2005. B.A. University of Montana; M.A. Liberty University.
Zavala, Donny, Human Performance 2009. B.A. Social Sciences, Western Oregon University.
CORBAN UNIVERSITY
FOUNDATION

The Corban University Foundation was established in October 1986 by the Board of Trustees. Its main purpose is to create, encourage, and manage an endowment fund to insure the financial stability of Corban University.

The Foundation has the ability to act as trustee for individuals wishing to create special trusts for both personal and philanthropic reasons. Under its bylaws, it can also make grants to other similar organizations that may be named in various trusts.

Anyone interested in investing in the future of Corban is encouraged to contact:

Dr. Reno Hoff, Executive Director
Corban University
5000 Deer Park Drive, SE
Salem, OR 97317-9392
503-375-7000

BOARD OF TRUSTEES

Officers of the Board
Tom Carlson, Highland Ranch, CO, Chair
Rev. Michael Patterson, Richland, WA, Vice Chair
Joyce Sherman, Vancouver, WA, Secretary

Members
Timothy H. Aagard, San Jose, CA
Rev. Timothy R. Baker, Salem, OR
Rev. Darrell Beddoe, Boise, ID
Dan E. Brammer, Stanfield, OR
James A. Carlson, Pharm.D., Bellevue, WA
William Crews, Camas, Oregon
Kay Hendrickson, Redding, CA
J. Curtis Horton, Bandon, OR
Stephen E. McBee, Bellingham, WA
Rev. Donn Mogford, Nampa, ID

Richard Whipps, D.V.M., Spokane, WA
Dan Wilder, Port Angeles, WA
Gary Williamson, Salem, OR

Emeritus
Dr. William G. Bellshaw, Tacoma, WA
Robert Blankers, Everson, WA
ACADEMIC INFORMATION 
AND POLICIES

STUDENT RESPONSIBILITY

It is the responsibility of each student to be aware of and to meet the catalog requirements for graduation and to adhere to all other deadlines, policies, and regulations published in this catalog and The Student Handbook.

Students are governed by the catalog in effect when they enroll for the first time at Corban University. If a student finds it necessary to withdraw and seek readmission, the catalog at the time of readmission becomes the governing catalog.

Continuously enrolled students may meet the graduation requirements of any subsequent catalog published during their enrollment, particularly if a new program of study has been added since the initial enrollment. A particular catalog’s requirements must be adopted in whole; that is, mixing of requirements between catalogs is not permitted.

While academic advisors or university officials assist students in interpreting policies and requirements and making plans, the final responsibility for meeting requirements and adhering to policies belongs to each student.

ACADEMIC ADVISING

Core Advisors and the New Student
Every student has an advisor who serves as a guide and mentor in the student’s educational journey at Corban. Planning an efficient and useful education is a challenging task; therefore, consultation with and approval by the faculty advisor is required for a variety of academic program decisions that students make.

First-time freshmen students are assigned a core advisor for the first semester who is specially selected and trained to help the new student make the adjustments to university life. This advisor generally visits in the student’s home sometime prior to the fall term and helps schedule classes. In addition, the advisor serves as instructor for a one-credit course called ID101 Freshman Seminar. Before the end of the first semester, first-time freshmen are assigned an academic advisor in the department in which they plan to complete a major.

Transfer students enrolling (transferring at least 30 semester hours) are referred immediately to an academic advisor for scheduling. An admissions counselor conducts an orientation session for all transfer students during the registration period.

Academic Advisors
Academic advisors are available to discuss student progress and are familiar with the academic programs. All students should meet with their advisors throughout the year when scheduling classes or when formulating plans for changes in educational goals.

Although the final responsibility for scheduling courses rests with the student, advisors assist students as they move toward their academic goals.

An academic advisor may advise a student to select another program if the requirements for the major have not been met. A change of program or advisor is not official until the Declaration or Change of Major form is completed by the student and on file in the office of the university registrar.
**ACADEMIC APPEALS PROCESS**

If students experience a conflict regarding an academic issue, students must initiate the appeals process.

- Meet with the professor or advisor and document in writing your efforts to resolve the conflict.
- If a resolution does not result, a written appeal must be presented within ten days to the program chair who will attempt to resolve the dispute.
- If the decision is appealed by any party, it is done by writing a petition.

This petition may be filed only after each of the above steps has been completed. The petition must be signed by the student, instructor or advisor, and submitted to the registrar.

If students request an exception to academic policy, such as waiving a graduation requirement or participating in commencement before all requirements are met, students must initiate the process. They will meet with their advisor and together write a petition to be considered by the Academic Council. The petition must be signed by the student and the advisor and submitted to the registrar. The decision and recommendations of the academic leadership will stand in all academic appeals and petitions. The Academic Appeals process will be coordinated by the University Registrar. The Registrar may be contacted at; registrar@corban.edu or 503-375-7017.

**ACADEMIC CREDITS**

The unit of credit is the semester hour. Credit for all courses is indicated in semester hours. All student requirements and classifications are based on these units.

**ACADEMIC HONESTY**

Students’ academic work is evaluated on the assumption that the work presented is their own. Faculty and students are expected to identify departures from academic honesty. Academic dishonesty includes but is not limited to the following:

- **A.** Cheating—intentional use or attempted use of deception, fraud, or misrepresentation in one’s academic work;
- **B.** Fabrication—falsification or invention of any information or citation in any academic exercise;
- **C.** Facilitating dishonesty—helping or attempting to help another commit an act of academic dishonesty, including substituting for others in examinations or allowing one’s own papers, reports or any other academic work to be claimed by another;
- **D.** Plagiarism—representing, without giving credit, the words, data, or ideas of another as one’s own work in any academic exercise. This includes submitting, in whole or part, pre-written term papers or the research of another, including materials sold or distributed by commercial vendors.

Corban’s goal is to nurture integrity and character development in students. Therefore, as part of the response to any of the above, the instructor and student will meet with the student’s advisor to determine appropriate action. Penalties may include an “F” on an individual paper or exam, an “F” in a course, loss of campus position or employment, disciplinary probation, removal from extracurricular athletic activities, and suspension.
**ACADEMIC HONORS**

Students enrolled full-time and who have achieved a semester grade point average of 3.60 or higher are eligible to be placed on the Academic Dean’s List. Transcripts bear the honor for that semester. Incomplete grades disqualify students from this honor.

**ACADEMIC LOAD**

A student’s academic load will be determined in conference with the academic advisor. Sixteen hours each semester is considered a normal academic load, including any Corban Accelerated Online class. Students wanting to enroll for more than 19 hours in a given semester must petition for permission to do so. These forms are available in the office of the registrar. Note: Outstanding incomplete grades will be considered part of these 19 semester hours. (See Incomplete Grades)

The minimum full-time load is 12 semester hours. A student on academic probation may be limited to 12 hours or fewer.

Full-time enrollment (completing 12 units each semester) is required of the following students: Internationals, veterans receiving full benefits, and some students receiving financial aid.

Students are encouraged to find part-time employment. Full-time students are advised to limit their working to 20 hours weekly.

**ACADEMIC PROBATION**

Any student whose semester grade point average (GPA) falls below 2.00 is placed on academic probation. Students on academic probation are limited to an academic load of 12 or 13 hours a semester and may be required to limit extracurricular activities, obtain private tutoring services, or be asked to be tested for learning disabilities. If a student is on academic probation for two consecutive semesters they may be dismissed and can only return for a subsequent semester by submitting a written appeal to the Registrar. If the appeal is granted the student must establish a learning contract with the Director of Academic Services.

If a student on a learning contract fails to achieve a semester GPA of 2.00 the result may be dismissal from school.

A student who has completed 36 credit hours at Corban, and has two consecutive semesters of academic probation along with a cumulative GPA below 2.00 will be dismissed.

Students accepted provisionally have two semesters to establish a minimum cumulative 2.00 GPA. Failure to establish this minimum GPA may result in dismissal from the university.

Students dismissed because of scholarship deficiency must apply for readmission and will not be considered for readmission until one full semester (summer session excluded) has intervened. It is highly recommended that students on academic probation take advantage of the services offered in the Academic Services Center. Questions may be directed to the Academic Office.
ACADEMIC SERVICES

The Academic Services Center provides tutoring and assistance for students academically “at risk,” and assistance for students with disabilities.

Corban offers a variety of support services that facilitate access to educational opportunities for students with disabilities. Documentation of an existing disability, which includes recommendations for reasonable accommodations, is required. Students are encouraged to contact Student Support as soon as possible.

ACADEMIC SESSIONS

The traditional university year is divided into two semesters of 15 to 16 weeks each, including a five-day examination period.

The traditional class sessions are 50 or 75 minute class sessions.

Students who do not have the flexibility to attend classes offered in a traditional semester find success with the Adult Degree Program format. This format builds on relevant adult life learning experiences and requires a good deal of self-direction. Students move through the program as a member of a cohort and attend classes one night a week for four hours and occasionally on Saturdays, or in a completely online format. These non-standard semester dates are different from those published in the Academic Calendar and may be obtained online or from the Adult Degree Office.

Another format is Corban Accelerated Online. The Corban Accelerated Online program offers individual courses in an online or on-campus, Saturday-only format. These courses are offered primarily to assist our Adult Studies degree completion students to complete their graduation requirements. Students enrolled in the traditional program, with upper-division standing, may take courses in the Corban Accelerated Online with his or her academic advisor’s approval, based on assessment of the student’s potential for success for taking a course in this format. Schedules for Corban Accelerated Online are available in the Adult Studies Office.

ACADEMIC STANDARDS

Although a grade of “D” is accepted as a passing grade in a single course, it is not considered satisfactory and generally is not transferable to other institutions. A “D” grade in a course required for a major or minor will not count toward Corban graduation requirements. A minimum cumulative grade point average of 2.00 (C) is necessary to graduate; however, some programs may require a higher GPA for the major. See major for specific requirements.

ADDING OR DROPPING COURSES

Adding a Course
During the registration period, which is published in the academic calendar, students may add a course to their schedule by completing the course change form available in the office of the registrar. The form must be signed by the academic advisor and filed with the registrar.

Students are required to make up any course work missed due to late enrollment.
No course may be added after the end of the first calendar week without approval of the faculty member teaching the course.

**Dropping a Course**

During the registration period, which is published in the academic calendar, students may drop a course by completing the Course Change form, signed by the advisor, and filing this form with the registrar. This class will not appear on the student transcript and no fee is charged for the changes. If a student drops courses during this period and the class load is less than 12 semester hours, financial aid awards may be reduced. See the Financial Aid Office for more information.

Changes made after the close of registration will not receive a refund of tuition, the course change fee applies, and a “W” will appear on the transcript for that course. No course may be dropped after the 10th week of class. Students who drop any private instruction in music performance (voice, piano, flute, guitar, etc.) will not receive any refund after the fourth week.

Students who discontinue attendance without official withdrawal will receive an F grade for the course.

Course changes are not complete until the office of the registrar receives the completed add/drop form. The effective date of the course change is the date when the completed form is received in the office of the registrar.

---

**ADMISSION TO A MAJOR**

Admission to Corban does not imply automatic admission to a major. Application to the major may be made after the satisfactory completion of 45 semester hours. Admission procedures vary for each program.

All graduates must complete at least one major. Most majors will have at least 36 hours of course work from the related program area. All students must achieve a cumulative grade point average of at least 2.00 (C). This is also the minimum grade point average for the major course requirements.

A student may design, under the direction of an academic advisor, an individualized major, known as an **Interdisciplinary Studies** major, which integrates course work from two or more fields of study. See Programs of Special Interest for further direction and explanation.

---

**ADVANCED PLACEMENT (AP)**

At the time of admission, first-year students may submit scores from an Advanced Placement (AP) Examination, administered by the College Board. In order to be granted credit toward a bachelor’s degree in comparable college courses a minimum score of 3 is required.

---

**AUDITING COURSES**

Students may audit courses from which they wish to derive benefit without fulfilling credit requirements. Only traditional undergraduate courses are available for audit. Auditing of an undergraduate course is subject to instructor approval and course availability as determined by the Registrar. Auditing private lessons, applied music classes or any online course is not permitted. Students may not challenge or test out of a course that has been audited.
A request to audit a course must be submitted to the office of the Registrar in writing at the time of registration or no later than the end of the registration period. If a student decides to take the course for credit, this schedule change must occur prior to the close of registration of the given semester. All other Corban academic policies apply to the course audit policy (e.g. non-degree seeking student, dropping a course, etc.). See the Registrars Office for applicable fees.

**CHALLENGING A COURSE**

In addition to the Advanced Placement (AP) and the College Level Examination Program (CLEP), it may also be possible for students to challenge particular courses or requirements. If a student demonstrates to the instructor or division chair a good grasp of the course content, a written exemption from taking the course may be granted; however, no academic credit will be given.

**CHURCH AND COMMUNITY SERVICE**

Because service to others is a basic part of the Christian faith, all students are required to participate in church and community service. The emphasis of this requirement is ministry and personal development. No credit is earned.

Church and Community Service (CCS) is a graduation requirement. Two service opportunities are to be completed in a church ministry, two in community service, and two in spiritual formation opportunities.

A two-year degree (A.A.) requires 3 credits.
A four-year degree (B.S.) requires 6 credits.
Note: the one-year Bible Certificate requires 2 credits.

The number of credits required for transfer students will be prorated as follows according to the number of credits transferred to Corban.

<table>
<thead>
<tr>
<th>Credits Transferred</th>
<th>CCS Credits Required</th>
</tr>
</thead>
<tbody>
<tr>
<td>Less than 30 semester hours</td>
<td>6</td>
</tr>
<tr>
<td>31-44 semester hours</td>
<td>5</td>
</tr>
<tr>
<td>45-61 semester hours</td>
<td>4</td>
</tr>
<tr>
<td>62-92 semester hours</td>
<td>3</td>
</tr>
<tr>
<td>more than 93 semester hours</td>
<td>2</td>
</tr>
</tbody>
</table>

The Church and Community Service requirement may be satisfied during summer vacations, but plans must be submitted and approved by the director prior to the activity. No more than two CCS credits may be earned in one semester or during the summer. Students are required to have all but one CCS credit complete before the end of the first semester of their senior year.

**CLASS ATTENDANCE**

Regular class attendance is expected of all students. Because each course is designed to help students achieve the course outcomes, classroom participation is important. Corban is committed to academic excellence, so the classes are conducted in a manner that will contribute to this goal as well as the growth of Christian character. Specific requirements for attendance and any effect that it might have upon grades rests with the class instructors, and will be described in the course syllabi. Punctuality, attention and thoughtfulness are expected and appreciated in the classroom. If the course instructor does not appear
in class within ten minutes of the scheduled starting time, students may assume the class is canceled and leave.

*Suspension:* In some cases, a serious breach of university standards may result in a temporary suspension from the campus and classroom. During the suspension period, the student may not live in the campus housing, may not attend class, may not be on campus, and may not take advantage of campus facilities or activities. All absences from class during the suspension period will be unexcused. Acceptance of coursework and rescheduling of exams is at the discretion of the faculty.

## Classification of Students

Regular students are those who have met the requirements for admission, are enrolled in a degree program and are registered for 12 or more semester hours in that semester. **Unclassified students** are those who are not enrolled in a degree program and have not applied for admission to the university. **Part-time students** are those taking less than 12 semester hours in a given semester.

## Class Standing

A student’s class standing is determined by the number of credits earned at the beginning of each semester. Students entering with AP and/or CLEP scores will be classified as Freshmen until sufficient academic credit has been earned to change the class standing.

<table>
<thead>
<tr>
<th>Class</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>Freshman</td>
<td>fewer than 31 semester hours</td>
</tr>
<tr>
<td>Sophomore</td>
<td>31-61 semester hours</td>

<td>62-92 semester hours</td>
</tr>
<tr>
<td>Senior</td>
<td>93 semester hours</td>
</tr>
<tr>
<td>Unclassified</td>
<td>not a degree candidate</td>
</tr>
</tbody>
</table>

## Classroom Conduct

Classroom behavior should reflect the university Standard of Conduct. Punctuality, attention, and thoughtfulness are expected and appreciated. All electronic devices (cell phones, pagers, etc.) must be turned off in the classroom unless instructor approval has been given. Students should always seek instructor approval before planning to eat meals in the classroom. Instructors will inform students of additional expectations (dress, food, participation, etc.) for each class in the course syllabus. Expectations may vary from instructor to instructor, and students are expected to know and conform to the expectations of the instructors.

## College Level Examination Program (CLEP)

The Educational Testing Service of the College Board provides nationally recognized standardized testing through which college credit may be earned or course proficiency verified. This is the College Level Examination Program (CLEP). Because Corban welcomes a variety of students of all ages and many students bring a depth of knowledge to specific subjects, the university recognizes such knowledge by accepting a full range of CLEP and Defense Activity for Non-traditional Education Support (DANTES) tests. These tests may be taken at any college before enrolling or at Corban after enrolling. By earning a credit-satisfying score students receive college credit.
as recommended by the American Council on Education (ACE), with the exception of college mathematics where a maximum of three credits are allowed. Credit will not be given for duplication of courses taken in college that covers the same course material. Up to six semester hours in a given area may be allowed with a maximum credit of 32 semester hours.

Testing through the CLEP General Examinations is designed to verify competency in general education. Testing through the CLEP Subject Examinations provides verification of competence in selected academic fields, such as foreign language, mathematics, etc, and assume competency has been gained in non-classroom settings. A complete list of the appropriate tests, test applications, and further information is available in the Career and Academic Services office or the Adult Degree Programs office where the tests are administered by an assessment counselor, as authorized by the College Entrance Examination Board, which sponsors the examinations.

**COURSE CANCELLATION**

The university reserves the right to cancel a scheduled course. This may occur if there is insufficient enrollment or unexpected situations related to instructor availability. In the event that the university cancels a class efforts will be made to find an alternate class for the students. If this is not possible the student will be granted a full refund. Student will be notified of classes being cancelled due to low enrollment no later than one week prior to the start of class.

**COURSE CHANGES**

(See Adding or Dropping, pg. 24)

**CROSS-REGISTRATION WITH MEMBER OICA COLLEGES**

Students enrolled full-time may take one course in a semester at no additional tuition at one of the undergraduate member institutions in the Oregon Independent Colleges Association (OICA). Only courses not available on the home campus may be selected unless there is a legitimate schedule conflict. Grades earned during cross-registration are part of the student’s GPA.

Cross-registered students are permitted as space is available. Cross-registration is initiated by application through the office of the registrar and must have the approval of the academic advisor before beginning the cross-registration process.

**CREDIT BY EXAMINATION**

When a student, who is enrolled full-time, presents evidence that his or her background provides proficiency in an academic course offered by Corban University, and the course is not available through CLEP, the course may be challenged one time only by an appropriate examination. These challenge examinations are prepared by the university department directly responsible for the instruction of the course. The student must meet with the appropriate division chair and faculty member and provide convincing evidence of proficiency. If approval is granted, the student may make arrangements to take the test with the university registrar. A non-refundable fee is charged for each examination attempted.
These written comprehensive tests cover all the basic information and skills required of students who complete the course successfully. For some courses a performance examination will be required.

Students may not test out of a course they have audited and may not test out of more than 20 semester hours.

The credit will appear on the transcript as CE (Credit by Exam) with the units earned; however, no grade will be recorded.

**DIPLOMA REPLACEMENT**

A student can request a replacement for a diploma that has been lost or destroyed. The student may request it be issued under the school name at the time of their graduation. Provision of such diploma would depend on stock available and may entail an additional charge. The Registrar’s office may be contacted for more details.

**DISABILITIES POLICY**

In compliance with and implementation of the Americans with Disabilities Act of 1990 (ADA) it is the policy of the university to work with students and offer reasonable accommodation for any type of disability.

Corban offers a variety of supportive services that facilitate access to educational opportunities for students with disabilities. Documentation of an existing disability is required.

Interested students should contact the Director of Student Support, who can assist in making arrangements for necessary academic support services. Students are encouraged to schedule appointments as early as possible.

**DISTANCE LEARNING/NON-TRADITIONAL COURSES**

Although nontraditional courses seldom can replace the experiences gained through the actual classroom instruction and discussion, it is recognized that occasional utilization of nontraditional course is acceptable.

The total number of semester hours of nontraditional courses (includes correspondence study, Corban Accelerated Online, Independent Study) accepted toward completion of degree requirement for a program of study in the traditional undergraduate program at Corban University shall not exceed 15. In order for nontraditional courses to be acceptable, prior permission must have been received for each course from the academic advisor and the registrar. The necessary forms are available in the Registrar’s office.

Nontraditional courses that are done with Corban faculty will count towards the residency requirements.

**EQUAL OPPORTUNITY AND NON-HARASSMENT POLICY**

It is the policy of Corban University to provide equal opportunity to all applicants, employees and students. The university does not discriminate on the basis of sex, disability, race, color, national origin, or age in admission, and access to, or treatment in employment, educational programs or activities.
It is the policy of the university that employees and students have the right to work and study in an environment free of harassment on the basis of any of the factors listed above. Harassment may take many forms and determination of what constitutes harassment will vary according to the particular circumstances. Sexual harassment, intimidation or exploitation means unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature if: (a) submission to such conduct is made either explicitly or implicitly a term or condition of employment or education; or (b) is a basis for employment or educational decisions affecting such individuals; or (c) such conduct has the purpose or effect of unreasonably interfering with an individual's work or academic performance; or (d) such conduct has the purpose or effect of creating an intimidatory, hostile or offensive working or academic environment.

Questions or complaints may be directed to: Vice President for Business, Corban Business Office, 5000 Deer Park Drive SE, Salem, Oregon 97301-9330, 503-375-7030.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

Corban University complies with the amended federal Family Educational Rights and Privacy Act of 1974 (FERPA) in the maintenance of records. Educational records of students maintained by the college will be made available only to members of Corban's staff who have a legitimate professional need for the material. FERPA, as amended, is designed to protect the privacy of student records. Students have the right to review all of their educational records and to challenge the content of a record they believe to be inaccurate or misleading.

Students also have the right to file a complaint with the U.S. Department of Education concerning alleged failures by the college to comply with the requirements of FERPA. The name and address of the office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4695.

Copies of Corban's Information Policy are available in the Student Life Office and the Registrar's Office. Students are advised that the Federal Government considers the following information to be directory information: the student’s name, photograph, campus and home addresses, class standing, enrollment status, telephone number and email address, date and place of birth, major field(s) of study, academic honors, participation in college activities and sports, degrees and awards/honors received, previous schools attended, dates of attendance. For members of athletic teams, directory information also includes height, weight, and positions played. Directory information may be released to third parties, such as in news releases. Students may request that directory information not be released to third parties. To make such a request, send a signed, dated statement to the Vice President for Student Life.

Non-directory information, such as grade reports, is released to third parties only when the student has submitted a written request. The custodial parent(s) of dependent students do have access to the student’s records.

FINAL EXAMINATIONS

The last week of each semester is devoted to final examinations. Except for reasons of schedule conflict (two exams at the same hour), examinations may be rescheduled only in cases of a documented disability or emergency. A fee is charged to cover the costs of monitoring a rescheduled final unless there is a conflict on the schedule.
Below is a sample final examination schedule. It implements a time schedule and placement of an examination based on the time the class meets during the semester. Locate the time of your class in the grid. The date of the exam is listed above and the time of the exam is listed to the left. For example, classes that meet from 8:00-8:50 MWF will have their examination from 8:00-10:00 a.m. on Wednesday. **In no case should a student plan to leave for the semester prior to the end of his/her last examination.** Students are required to take their final examinations at the scheduled times.

If any exam is rescheduled the exam will be monitored in the Student Support Center. If it is necessary to reschedule a final examination for any reason other than that mentioned above, a fee is charged to cover the costs of monitoring a rescheduled final.

**GRADES**

The quality of student work is measured by the following scale, with grades and grade points used to determine grade point averages (GPA). The GPA is calculated by (1) multiplying the credits for each course by the grade points associated with the grade earned, (2) totaling the points earned for all courses, and (3) dividing the total points by the total number of graded credits attempted as defined by the institution.

</table>
P, I, X, AU, CE, CR, R, WP, and W grades for a course earned, or attempted, are not utilized in GPA computations. Practicums and internships are graded Pass/Fail only.

Students are allowed to re-enroll for a course to raise a previous grade of D or F. The transcript will reflect the grade as a repeated course. The GPA is based on the higher grade.

An incomplete grade (I) is a temporary grade given when students are unable to complete the work for a course on time because of extraordinary circumstances, such as illness, emergency, or other reasonable cause.

To be considered for an incomplete grade, students must be passing the coursework submitted to date. Unless there are extraordinary circumstances the student should have completed the majority of the course work, including all exams. The instructor will assign a contingency grade, which will become the final grade if the incomplete work has not been received by the due date of the contract.

Students who find it necessary to ask for an incomplete grade must make application for the grade and establish a contract with the instructor, which includes an appropriate completion date. This date may be extended to the end of the term subsequent to the term the incomplete was issued. Applications are available in the registrar’s office.

Any incomplete grades outstanding at registration may result in a reduction of a student’s academic load for the term (see Academic Load).

**GRADE CHANGES**

Students need to bring to the attention of the instructor any error in grades received within one semester following the issued grade. The instructor may submit the grade change to the registrar if there was an error in calculation. Grades may not be changed by completing additional work after the course has been completed and a grade issued.

**GRADUATION REQUIREMENTS AND COMMENCEMENT**

Students must apply for graduation by filing an application form and paying the non-refundable graduation fee in the Registrar’s Office. Students are responsible to fulfill the requirements as published in the catalog of the year they first enrolled at Corban. Any student who has withdrawn from the university and returned is expected to complete any new or revised requirements as published in the catalog in current use at the time of re-enrollment. This assures a graduation audit before a student’s last year of enrollment. The application must be filed with the registrar during the second semester of the junior year. All official transcripts from other institutions must be received in the Registrar’s office by April 1. Seniors enrolled in a spring quarter at a community college will have their graduation delayed until the following December.

The general requirements for graduation are as follows:

1. Completion of the minimum number of semester units of academic credit for the respective degree: 64 units for the A.A.; a minimum of 128 for most four-year B.S. or B.A. degrees (some majors may require more); and the additional units as specified for the five-year Th.B. degree. The hours must have the correct balance between upper and lower division courses as outlined in the particular program. The B.A. degree requires proficiency in a foreign language. This is demonstrated by the successful completion of at least 12 semester hours of progressive study of a single foreign language.
2. Maintenance of a minimum cumulative grade point average of 2.00 or as designated in a particular major. D grades in the major or minor will not count toward graduation requirements. Any grade in a required course less than C- must be repeated until a satisfactory grade is received. This GPA refers to courses completed at Corban since the university does not transfer a student’s GPA.

3. Completion of a minimum of 30 semester hours taken at Corban. At least 20 of these semester hours must be in the senior year.

4. Approval of the graduation application by major/minor advisor(s) and the registrar.

5. Settlement of all financial obligations to the university.

6. Completion of the Church and Community Service requirements. Students are encouraged to have 5 of the 6 credits completed by the end of the first semester of the senior year. All CCS requirements must be completed by April 1st of the senior year.

7. Completion of all surveys, inventories and departmental or institutional assessments as requested.

8. Favorable vote of the faculty.

Commencement exercises take place once a year, in May. Diplomas are issued at commencement if all course work is complete and grades are posted; otherwise, the diplomas are mailed to the student. However, to accommodate students completing degree requirements at the close of any term, students may submit a written request to the registrar to have their diploma issued before commencement. Note: All incomplete grades must be completed and grades must be filed with the registrar before the end of the term in which graduation is planned.

Participation in Commencement
It is expected that all graduating students will be present at commencement except in cases of extreme emergency or circumstances beyond their control. Notice to graduate in absentia must be given to the registrar well in advance. In order to participate in commencement exercises, a student must have completed all degree requirements (including Church and Community Service).

Honors at Graduation
Members of the senior class may graduate with honors on the basis of their collegiate record at Corban University. In order to graduate with honors, the student must earn at least 60 graded semester hours in residence. Pass/Fail courses do not meet residence requirements.

</table>

INDEPENDENT STUDIES
Any student desiring to enroll in any course of independent study during the fall and spring semesters will be charged an independent study fee. (This is in addition to tuition charges.) The student must submit an Independent Study Petition to the registrar’s office. It is the student’s responsibility, working collaboratively with the supervising faculty, to demonstrate that the proposed course of study is equivalent to a regular course. This petition must be initiated by the student and contain the signatures of the student, academic advisor, faculty supervising the study, and the department chair. The appropriate course syllabus for each independent study must be attached to the petition form and submitted to the registrar before the registration period closes.

Independent studies are offered under these two conditions:
A. Juniors and seniors with at least a 3.00 GPA may pursue a subject of particular interest that is not already treated extensively in a regular course. The proposal must be approved by the faculty member who will provide supervision and evaluation. Students must petition following established guidelines.

B. Students may petition to take a course on the semester schedule by independent study if:
   1. Special scheduling of the course is necessary through no fault of the student.
   2. The course is not scheduled and cannot be made available in individualized summer studies, Corban Accelerated Online, or on-line for the student’s uninterrupted course of study.
   3. The professor’s schedule will allow the addition and he/she is willing.
   4. Students have a minimum GPA of 2.75.

In all cases:
   • No more than six hours per semester are to be taken.
   • No more than 20 hours of independent study are taken over a four-year course of study.
   • During the summer, a student meeting the other qualifications, may carry up to six hours of Independent Study.
   • Independent studies are generally available to juniors and seniors who have satisfactorily completed at least 10 credits at Corban. Special topics course numbers will be 491-493.
   • Independent study plans must make provision for the student to confer with the instructor at least once a week.

MILITARY EDUCATION

The university generally grants credit for military education experiences as recommended by the American Council on Education’s Guide to the Educational Experiences in the Armed Services. Students may request evaluation of credits earned through the Community College of the Air Force, Defense Language Institute, or military education. Students must submit official copies of college transcripts or a Certificate of Completion from the Defense Language Institute. An official copy of the student’s DD214, DD295, or an AARTS transcript is required for military education and occupational credits.

MINORS

A minor usually consists of an approved group of courses that address related interests and competencies. It consists of no less than 18 semester hours, six of which must be upper-division.

REGISTRATION

All students are expected to register on the days designated on the university calendar and to begin classes on the first day. Tuition and fees are paid during the registration period. A fee will be charged for late registration. Specific registration instructions are distributed each semester with the Schedule of Classes. An early registration is conducted for persisting students.
Students are officially registered and eligible to attend classes only when all procedures have been completed, including financial arrangements in the Business Office. (See the Finances section of this catalog for information concerning costs and payment plans.)

Changes in course schedules may be made only through the add/drop process. (See Adding or Dropping Courses section of this catalog.)

Changes in a schedule caused by the cancellation of courses will not involve financial penalty.

**RETAKE A COURSE**

A student may retake a course to raise a grade only if a D or F grade was issued. Generally, credits for the same class may be earned only one time. Exceptions are included in the Course Descriptions. When a student repeats a course in which he/she has received a D or an F grade, only the second grade is counted when computing the cumulative grade point average.

**SATISFACTORY ACADEMIC PROGRESS AND FINANCIAL AID**

**Financial Aid Satisfactory Academic Progress Policy (SAP)**

Federal regulations require that all financial aid recipients progress at a reasonable rate toward achieving a certificate or degree. This is called Satisfactory Academic Progress or SAP. This requirement applies to all terms regardless of whether or not the student received financial aid. Progress is measured by the student’s cumulative grade point average, credits earned in relation to those attempted, and the maximum time frame allowed to complete the academic program.

**Cumulative Grade Point Average:** A student must achieve a 2.00 cumulative GPA. Grade point average is monitored by the Registrar’s Office. Refer to the Academic Standards and Academic Probation information in the Academic Policies section for information regarding the GPA requirement for continued enrollment.

**Cumulative credits earned:** Each student must complete 67% of attempted credits. Maximum time frame: The time frame for completion of a degree at Corban cannot exceed 150% of the published program length. A Bachelor’s degree requires 128 credits. Therefore, students may only receive financial aid during that time prior to recording 192 credits transferred from other institutions and attempted at Corban. Likewise, a student will be given a maximum of 12 semesters of full-time attendance at Corban University. Exceptions may be made on a case-by-case basis when a particular program requires more than 128 credits to complete or when special circumstances apply. A 150% time frame is not established for students seeking an Associate’s degrees, since many do so with the intent of continuing on for a Bachelor’s degree.

**OTHER ELEMENTS**

**Incomplete classes:** Courses assigned an incomplete grade are included in the cumulative credits attempted. These cannot be used as credits earned until a satisfactory grade is assigned.

**Withdrawals:** Courses from which the student withdraws after the 100-percent refund period are included in the cumulative credits attempted.

**Repeated classes:** Repeated courses enable the student to achieve a higher cumulative
grade point average. Credits attempted in repeated classes are included in the cumulative credits attempted. Credits earned in repeated classes included in the cumulative credits are earned only once.

Second undergraduate degree students: Students who already have a first baccalaureate degree are eligible for loans (not grants) if they are pursuing a teaching license or a second degree (for example, they have a B.A. and are now seeking a B.S.). These students have up to an additional 192 attempted hours before exceeding the maximum time frame.

Financial Aid Probation and Termination
Students who do not meet the above standards of satisfactory progress at the end of the academic year (spring term) will automatically be placed on financial aid probation for the following academic year. Financial aid may still be received during the probation period. At the end of the probation period the student must again be making satisfactory academic progress as outlined above or financial aid will be terminated. Students will be removed from financial aid probation if they are again making satisfactory academic progress. Students who are academically dismissed (and not reinstated on appeal) by the Office of the Registrar are immediately terminated from financial aid without a probation period.

Appeals
Students who fail to meet satisfactory academic progress standards and lose financial aid eligibility can appeal this decision. The appeal must be made in writing and should be accompanied by appropriate supporting documentation. Appeals should be submitted to the Financial Aid Office, and will be evaluated by the Financial Aid Committee. Acceptable reasons for appeal include injury or illness of the student, illness or death of an immediate relative of the student, or other extenuating circumstances beyond the student’s control.

Reestablishing Financial Aid Eligibility
Students who have had their financial aid terminated due to lack of satisfactory academic progress may choose to enroll without benefit of financial aid. Such students may request a review of their academic record after any term in which they are enrolled without the receipt of financial aid to determine whether they have met the satisfactory academic progress standards. If the standards are met, financial aid eligibility is restored for subsequent terms of enrollment.

SATISFACTORY ACADEMIC PROGRESS FOR VETERANS

Students who are receiving benefits from the Veterans Administration are also subject to the College’s Satisfactory Progress Standards. The Veterans Administration does not determine satisfactory progress standards.

1. To receive VA benefits students certified as:
   Full-time must complete 12 units each term.
   Three-quarter time must complete nine units each term.
   One-half time must complete six units each term.

2. Students must complete certified units with a passing grade and a minimum term grade point average of 2.00 or be placed on academic probation. (No incomplete grades will be permitted if the student has not completed the units certified.) If the student’s deficiency is not corrected after two consecutive terms, the university will notify the VA of the student’s unsatisfactory progress.

3. Students must complete all course changes within the first 10 days of the term and withdrawal procedures within the first four weeks of each term. Students withdrawing after the start of the fifth week may be subject to the noncompliance provisions of the Satisfactory Progress Standards.
TRANSCRIPT REQUEST

Corban University only issues transcripts of courses taken at the University. Transcripts from other institutions cannot be copied. A fee is charged for all transcripts issued; a lesser fee is often made when transcripts are requested in a group. Transcripts can be requested and paid for online at www.corban.edu/registrar

Students or alumni must request the transcript—no third party or telephone requests will be accepted.

If submitted in writing, a transcript request must bear the signature of the individual whose academic record is involved.

Transcripts will be released only after all financial obligations to the university are paid. This includes payments outstanding on any loans obtained through the university.

This policy is in compliance with the Family Educational Rights and Privacy Act of 1974 (Buckley Amendment).

TRANSFER OF CREDIT

Generally, upper division credit is not allowed for courses taken in a two-year college, and no more than 70 semester hours of lower division courses may be applied to a program of study. A maximum of 98 semester hours may be transferred from a four-year college. No course lower than a “C-” will transfer from another institution. An evaluation of transcripts to determine transfer credit is done only when an Application for Admission has been formally accepted. This evaluation will be based only on the official transcript submitted directly to the University. Students are responsible to submit either a college catalog or course syllabus should one be needed. Corban does not transfer grade point averages, only credits earned, except those grades earned as part of the cross-registration with OICA colleges.

Up to 40 professional-technical hours may be transferred from an accredited institution if these courses are described as transferable in that institution’s catalog or recognized in the ACE Guide (American Council on Education). These courses usually are transferred as elective credit. The total combined number of professional-technical hours and portfolio hours cannot exceed 64 semester hours.

Transfer students coming from institutions which are not accredited by one of the six regional associations or by the Association of Biblical Higher Education may be given the opportunity to validate credits if the course work applies to Corban’s curriculum requirements. After completing a successful year at Corban (30 semester hours), course work completed at institutions not accredited will be reviewed to determine what credit, if any, can be given.

Corban University academic credit has been successfully transferred to many colleges and universities in the Northwest and across the United States. Our regional accreditation and solid academic reputation have allowed to students to move to other programs in well recognized institutions. It is imperative the students understand that it is the receiving institution that has final authority in matters relating to how Corban academic credits will transfer to that institution. The Registrar’s office will aid students in their efforts to transfer by providing information in the form of course syllabi as needed and advice when requested.
USES OF SOCIAL SECURITY NUMBERS

Providing one’s social security number is voluntary, though it does greatly aid the university in maintaining and accessing records. If students provide a social security number, it will be used as an identification number for keeping records, conducting research and reporting purposes. Students who choose not to provide their social security number will not be denied any rights as a student, but will not be eligible for any federal or state financial aid. Providing a social security number means that the student consents to its use as described here.

WEATHER POLICY

Student safety is of primary importance and since many of our students commute, it is important that students determine their ability to travel safely to the university when weather conditions create road hazards. Students who feel it is not safe to travel to classes should contact their instructors at the earliest possible time. Should the university decide not to hold classes and/or to close all functions of the university, appropriate announcements will be made over local radio stations.

Check The Student Handbook for information on school closures due to bad weather.

WITHDRAWING FROM UNIVERSITY

Students may voluntarily withdraw in good standing from Corban at any time. Notification of withdrawal must be done by completing an Application for Withdrawal form with the necessary signatures. This form is obtained from and returned to the registrar.

In situations of emergency (accident, prolonged illness, etc.) students may be permitted by the registrar to withdraw without grade penalty from the university at anytime. Written verification may be required.

Transcripts of students withdrawing from all courses through the 10th week of the semester will show a W for all courses; withdrawals after the 10th week (but before the week of final examinations) will show WP or WF, based on instructor appraisal of progress in class through the official date of withdrawal. A WF grade is computed in the grade point average.

Refund information is found in the Financial Information section of this catalog.

GENERAL EDUCATION

The general education curriculum consists of 68 units of coursework in Bible, Humanities and Social Science, Human Performance, and Science. The goal of our general education curriculum is to educate growing Christians to become competent thinkers, effective communicators, and involved citizens.

- SC Lab Science elective  
- Math or science elective

**General Education Electives** (6)  
These may be selected from any discipline.

---

*Content in the ID114, 124 course sequence is primarily U.S. history and literature, with some attention devoted to philosophy, geography, music, and art.*

**Content in the ID214, 224 course sequence is primarily world history and literature, with some attention devoted to geography, philosophy, music and art.***

**Computer application courses are not acceptable courses.**

Church and Community Service, Senior Career Seminar (this is integrated in all major curriculums), and Assessment Tests are requirements for all graduates. To earn a bachelor’s degree students must complete a minimum of 128 semester hours. Some majors may require more.

To satisfy the Thought and Culture sequences, transfer students must complete at least one course in each of the following for a total of 16 semester hours: Fine Arts, Literature, American History and World History.

The B.A. degree requires proficiency in a foreign language. This is demonstrated by the successful completion of at least 12 semester hours of progressive study of a single foreign language.
Competent Thinkers demonstrate the ability to find and evaluate information and then integrate knowledge into a consistent biblical worldview.

- Students will apply quantitative reasoning to interpret information and solve problems.
- Students will acquire and evaluate relevant information, analyze arguments, synthesize facts and informations, and offer logical arguments leading to informed decision making from a biblical worldview.
- Students will demonstrate scientific reasoning skills.

Effective Communicators impact individuals and groups through writing, speaking, and listening.

- Students will write clear, well-organized papers, following consistent style using standard English, proper documentation, and reasoning skills.
- Students will make clear, well-organized oral and visual presentations, using appropriate resources.
- Students will employ active listening techniques, such as summarizing, paraphrasing, and questioning.

Involved Citizens demonstrate Christian commitment through service in their church, community, nation and world.

- Students will show the ability to function effectively as a member of various groups and teams and effectively use group process and problem-solving skills.
- Students will possess a sense of social, civic and environmental responsibility.
- Students will pursue opportunities for ministry in all of life’s arenas.

Growing Christians demonstrate a sense of responsibility for their spiritual and intellectual growth, and they effectively integrate a biblical worldview in all areas of life.

- Students will sense a responsibility for their own spiritual, physical and mental growth and well-being.
- Students will apply a biblical value system as a framework for ethical decision-making.
- Students will demonstrate an ability to effectively share the Gospel in a variety of settings.
PROGRAMS OF SPECIAL INTEREST

CORBAN UNIVERSITY HONORS PROGRAM

In keeping with the broad educational mission of Corban University, the Honors Program is rooted in the notion that we may glorify God through our intellectual endeavors. As Proverbs 1 – 3 suggest, the Lord delights in those who prudently seek wisdom and knowledge. In doing so, we honor His intentional design for a meaningful, rewarding Christian life.

The program provides highly motivated students with academic enrichment above and beyond the regular undergraduate curriculum, encouraging a more proficient understanding of and appreciation for the Christian worldview through the lens of classical studies, especially history, literature, philosophy, and the arts. Honors students are given the opportunity to interact with distinguished scholars at special events and to participate in at least three Honors courses while at Corban. They also may choose to work with a faculty member on a senior project.

Admission/Program Requirements
Incoming freshmen or sophomore transfer students with a minimum 3.5 high school (or previous college) GPA and an SAT or ACT score that places them in the 90th percentile (i.e. a combined SAT score of at least 1200 or an ACT composite score of at least 32) may apply to the Honors Program in the fall semester of their initial year at Corban. To subsequently remain active and graduate from the Honors Program, each student must:

1. maintain a cumulative grade point average of at least 3.5,
2. attend Honors Program events/activities for at least six semesters, and
3. complete at least three courses from the Honors Program curriculum while at Corban.

(As a substitute for one of the Honors Program courses, senior HP students may choose to complete an honors thesis during their last semester at the university.)

Incentives
While the Honors Program primarily exists to provide dedicated students with further intellectual enrichment, participating students also benefit in the following ways:

1. Participating students receive a $150 scholarship each semester. This sum may be used for admission to activities, for purchasing books, or for general tuition purposes.
2. Student transcripts will reflect completion of the Honors Program.
3. Graduating seniors who complete the program will receive a medallion to be worn at the commencement ceremony.
4. Participation in the program signifies a measure of academic breadth often sought by employers and valued highly by graduate schools.

CROSS-CULTURAL FIELD WORK

Corban’s Cross-cultural Field Work allows students to spend a summer overseas under the direction of a career missionary. This is more than a memorable summer; for some it is the introduction to a lifetime of missionary service. Academic and church and community service requirements may be satisfied.

ADULT DEGREE PROGRAMS

Corban offers working adults an opportunity to earn a university degree in convenient campus or online delivery formats.
PRIOR LEARNING CREDIT

Students are given the opportunity to earn college credit for prior learning by completing a personal portfolio. Students learn how to identify, document, and describe appropriate prior learning experiences. See Adult Degree Programs.

INTERDISCIPLINARY MAJOR

A student may design a special major, known as an Interdisciplinary Major to meet academic goals or objectives not met by the approved majors. This major must include courses from two or three academic areas with a minimum of 18 semester hours in each of which eight must be upper-division. A minimum of 20 upper-division semester hours are required in the major. The areas are to be selected with the approval of the academic advisors of each area. Students interested in designing an Interdisciplinary Major must write a rationale for their selection of areas that will show how the major meets reasonable academic and vocational objectives. The proposal must be approved by the division chair of each academic discipline and the Academic Council of the University.

INTERN PROGRAM

Corban offers students interested in any program of study the opportunity to gain experience and earn credit through an intern program. Internships are required in some majors. A student, under the guidance of an experienced and approved professional in the field of study can participate. Such an internship must be coordinated with the academic advisor. Grades are pass/fail only. Generally 45 clock hours are required for each credit earned.

OFF-CAMPUS STUDY AND STUDY ABROAD

AMBEX STUDY PROGRAM: BAVARIA, GERMANY

Corban’s own study abroad program is conducted each semester in Amberg, Bavaria, Germany. The Semester Abroad program is the principal ministry of AmbEx, providing classroom and off-site academic instruction built upon a rigorous God-centered curriculum that integrates critical components of a comprehensive biblical worldview. The curriculum is thoughtfully designed to deepen the students’ understanding of important theological truths toward a greater appreciation of the person and redemptive work of God, His creation, and a greater assurance and ability to adequately defend and proclaim the Gospel in a post-Christian, post-modern culture.

Activities outside of the classroom provide opportunities for spiritual growth in the practical application of truth learned in the classroom. Students are encouraged to utilize their gifts in serving others during their semester abroad, to be vessels in the Lord’s hand to reach the heart of our German, American, Slavic, and Moslem, neighbors. Activities for travel and relaxation are also available. Some of the activities include:

- German-American Partnership (i.e. KONTACT and the Amberg Student Network)
- School and Dorm Open House—Coffee, Tea, Cocoa, Cake & Cookies
- Academic Exchanges e.g. Book Club, Pen Pal, Music, Math, Chess, etc.
- Travel and Excursions (Recreational and Academic)
- Recreation—Volksmarching, Bicycling, Canoeing, Horseshoes, Hiking
- Sports and Athletics Exchange—Softball, Soccer, Swimming, Squash, Tennis, Ping Pong, etc.
- Games—Indoor and Outdoor
BESTSEMESTER STUDENT PROGRAMS

The off-campus study programs offered by the CCCU are known as “BestSemester.” Eleven semester programs and one summer program are designed to serve the student academic program interests of CCCU member and affiliate institutions. BestSemester programs allow member institutions to send students to programs that are reviewed by the Student Academic Programs Commission. These off-campus interdisciplinary, learning opportunities are available to upper-class students and offer up to 16 semester hours of credit. Consult with your academic advisor to learn how these credits may apply to your major. The university registrar will be able to give you additional information about these opportunities and direct you to the campus coordinator for a specific program.

All students must complete a preliminary on-campus application before submitting the application to CCCU programs. This is available in the Academic Services Office. Early Admission applicants will usually be notified of action taken on a student’s application before the regular deadline. Application deadlines: Fall Semester – April 1; Spring Semester – May 3 (early application deadline) and October 1 (regular application deadline).

There are 11 semester programs and one summer program to choose from:

- Australia Studies Centre (ASC)
- American Studies Program (ASP)
- China Studies Program (CSP)
- Contemporary Music Center (CMC)
- Latin American Studies program (LASP)
- Los Angeles Film Studies Center (LAFSC)
- Middle East Studies Program (MESP)
- Russian Studies Program (RSP)
- Programmes in Oxford (SCIO)
  - Scholars’ Semester in Oxford (SSO)
  - Oxford Summer Programme (OSP)
- Uganda Studies Program (USP)
- Washington Journalism Center (WJC)

For in-depth information about the above programs please visit this web-site: http://www.cccu.org/about/programs_and_services_office_of_student_programs#SAPC

OTHER ENDORSED PROGRAMS

Corban University, in partnership with Universitas Pelita Harapan in Karawaci, Indonesia, offer an accredited undergraduate degree in education. Candidates who complete the specified curriculum at UPH will earn a Bachelor of Science in Indonesian Education from Corban. The degree is designed to address the unique context and needs of the Indonesian culture, to meet the requirements of the Indonesian government, to embody international best teaching practices and to meet the Northwest Commission of Colleges and Universities accreditation standards.

We are pleased to have the opportunity to share Christ with the global community while preparing students who will make a difference in the world for Him.

Focus Leadership Institute is a multidisciplinary educational program that delves into psychology, sociology and family studies as well as leadership, social ethics, public policy, philosophy and theology. Our students come from diverse academic majors—from art
education to finance to marketing to ministry. Course material is designed to strengthen student leaders from the inside out, regardless of their academic backgrounds or future leadership roles.

Application Deadlines:
Fall: March 1
Spring: November 1
Summer: April 1

Focus Leadership Institute
8605 Explorer Drive
Colorado Springs, CO 80920
Phone: (719) 548-4560

The **Israel-Bible Extension program**, “IBEX”, is The Master’s College (TMC) extension program in Israel and another cooperative study program. IBEX is a 15-week semester abroad program which provides a quality educational opportunity for students who wish to enhance their knowledge of the geographical, historical, archaeological, and cultural understanding of the land of Israel, both ancient and modern. Classroom lectures are integrated with frequent field trips; together, these expose the student to every corner of the land and to every period of the history of the people of that land. The student’s educational experience, as well as his or her personal maturation, is significantly enhanced by the cross-cultural experience which the semester-abroad program provides. For more information visit their web-site at: www.ibexsemester.com.

**Study in Spain Program**

Students may apply to study in Spain for one semester through a cooperative agreement with Trinity Christian College of Palos Heights, Illinois. **Semester In Spain** is a study abroad program located in the heart of beautiful Seville, Spain. They offer beginning, intermediate and advanced courses in Spanish. Whether viewing the works of Murillo at the art museum, reading Cervantes at a corner café, or listening to your host family at mealtime share personal stories about Spanish history, your experience with Semester In Spain will be learning in real time.

This educationally and culturally enriching program combines **academics, faith, service and discovery**. Come to Spain, if you’re looking for improved fluency in Spanish, a greater understanding of Spain and Europe, and personal memories to last a lifetime. **Join us for Fall, Spring, or Summer Terms!** Additional information is available by e-mail at: spain@trnty.edu or visit their website: www.semesterinSpain.org.

**RESERVE OFFICER TRAINING CORPS (ROTC)**

**Air Force or Army ROTC-Military Science**

Corban University cooperates with Oregon State University and Western Oregon University in offering Reserve Officer Training Corps instruction that prepares students for commissioning as officers in the U.S. Army or Air Force Reserve. The classes are taught at either of the two institutions.

The Military Science program is designed primarily for students interested in earning a commission in the active or reserve military forces of the U.S. while pursuing a degree in a selected major.

The ROTC program is specifically designed to give college students instruction and experience in the art of organizing, motivating, and leading others. It includes instruction in leadership to develop self-discipline, physical stamina, and professional bearing.
Successful completion of the program usually leads to a commission in the Armed Forces. Terms and types of service vary according to the type of program chosen. Participation in the Basic course entails no obligation to seek a commission nor to serve in the Armed Forces. It provides elective academic credit for graduation and an enhanced opportunity to compete for and win ROTC two and three year scholarships.

Undergraduate students having at least two academic years of study remaining in their program and enrolled full-time at Corban may enroll. ROTC students major in the curriculum area of their choice (except theology) and must fulfill the requirements of their major.

For further information, contact the Admissions Office at the University.
OVERVIEW

The mission of the Adult Degree Programs is to assist adults in personal, professional and spiritual development, equipping them to impact their community.

Traditionally, college education has been available only to those who were able to spend several years away from work and usually away from home. Corban University offers both campus-based and online adult degree completion programs, Corban Accelerated Online, and testing services, all of which allow busy professionals to earn a bachelor's degree. College credit may also be awarded for learning-related life experience.

Corban’s adult degree program majors are designed especially for working adults with a minimum of two years of college credit (60 semester hours). Class sizes are limited to accommodate the experiential learning techniques employed in the classroom. Course content is focused on practical application to the everyday life and occupation of the adult student and campus classes are conveniently scheduled one night a week. Both the campus and online formats are 17 months in length.

Online degree program classes in Business & Organizational Leadership, Healthcare Administration and Family Studies utilize Corban’s intranet course management system for weekly class discussion and small group interaction.

For the degree-seeking student with a minimum of 30 semester hours (45 quarter hours), application can be made for enrollment in the Corban Accelerated Online courses. The online courses are conveniently formatted for the adult student who desires to fulfill the minimum 60 semester hours required for enrollment in a cohort-based major.

ADULT DEGREE PROGRAM MAJORS

B.S. in Business Administration
   Business and Organizational Leadership;
   Healthcare Administration

B.S. in Psychology
   Family Studies

ADMISSION REQUIREMENTS FOR ADULT DEGREE PROGRAMS
(COHORT-BASED MAJORS)

1. Evidence of a personal faith in Jesus Christ and a consistent Christian life-style.
2. Sixty semester hours (90 quarter hours) transferable credit from accredited colleges or universities. Courses with minimum grades of C-, and course numbers over 100 are generally acceptable. An Associate of Arts degree from an accredited college may fulfill this requirement.
3. A writing sample that demonstrates the competency required to function in this program.
4. Personal and professional references.
5. $50 Application fee.

Call to schedule an information session with an Admissions Counselor at 800.764.1383.
GRADUATION REQUIREMENTS FOR ADULT DEGREE PROGRAMS

1. Completion of 128 semester hours (the core curriculum in the major must be completed at Corban University).
2. D grades in the major will not count toward the major.
3. A student must complete 50 semester hours of general education in specific areas. These general education requirements are earned through college courses, credit by exam, or portfolio.

CORBAN ACCELERATED ONLINE (CAO)

CAO is a program of online courses formatted for the adult learner for the purpose of completing general education and elective requirements for degree completion.

*Degree-seeking students with a minimum of 30 semester hours may apply for enrollment in CAO. Admissions requirements are as follows:
  1. Evidence of a personal faith in Jesus Christ and a consistent Christian life-style.
  2. 30 semester hours (45 quarter hours) transferable credit from accredited colleges or universities. Courses with minimum grades of C-, and course numbers over 100 are generally acceptable.
  3. A writing sample that demonstrates the competency required to function in both lower and upper division courses.
  4. A cumulative GPA of 2.0 or more
  5. Five years of post high school work experience (documentation required—resume*)
  6. Personal and professional references
  7. $40 application fee

*Degree-seeking students are defined as those whose desire is to earn the minimum 60 semester hours of credit required to enroll in a degree major in the Adult Degree Programs.

Call to schedule an information session with an Admissions Counselor at 800.764.1383.

FURTHER INFORMATION

The academic calendar, tuition and fees, refund schedule, etc. for this non-traditional program are different from those published elsewhere in this catalog. Contact Adult Degree Programs for additional information 888.370.7590. Also see www.corban.edu/adultdegree/.

Open Electives to fulfill 128 hours required

*Student may fulfill with equivalent course from another institution upon approval of Registrar’s office.

**These classes may fulfill this requirement from any area of study in the GE list.

a. General Psychology is a prerequisite for students seeking a degree in Family Studies. This prerequisite must be met prior to semester II. A general psychology course is offered periodically during a Corban Accelerated Online session.

b. The total number of semester credits received through portfolio depends on the learning experiences of the student and the ability to write the life-learning papers to demonstrate and document college level learning. Up to 30 hours may be earned through portfolio. If the total number of credits from the portfolio, major curriculum, and transfer credit does not total 128 semester hours, additional work must be completed. This may be accomplished as follows:

1. Taking courses from Corban Accelerated Online;
2. Taking courses from other accredited colleges or universities;
3. Testing: through the College Level Examination Program known as CLEP or DANTES. See the Academic Policies and Information section.

Students enrolled in the ADP program desiring to complete a Bachelor of Arts need to meet the foreign language requirement of 12 credit hours of progressive study in a single language and additional General Education requirements. Contact the Office of the Registrar for more details.

OVERVIEW

The business program is designed for individuals who desire training and experience in the professional skills necessary to be successful leaders, managers, or workers in any enterprise, whether for-profit or not-for-profit. It emphasizes the application of a biblical world view to the decisions of economic commerce, management of people, and stewardship of resources. Students are supported in the expectation to strive to become effective decision makers, skilled verbal and written communicators, and spiritually mature leaders.

Corban’s business program builds on the foundation of a solid general education program that uses studies in the Bible and liberal arts to train students in communication and personal relationship skills within the framework of a biblical world view. Broad training in organization leadership and management skills, course work in specific disciplines, and internship opportunities prepare the student for success in their future roles in both the business community and local church.

For a student desiring to pursue an advanced degree in a related field, the general education and program core and specific discipline courses provide a solid base for acceptance and success in a graduate program.

Students majoring in business can choose specific programs of study in Accounting/Finance, Marketing, Management or Information Systems. The Management track allows students the flexibility to customize their degree program by completing a general core of business courses and selecting courses from a variety of business disciplines to complete the program. The business department also offers a Master of Business Administration degree. Information about the program can be found in the Graduate Programs section of the catalog.

** Students completing a B.S. Education with a major in Business should refer to the Education section for complete degree requirements.
OVERVIEW

The Education Program is designed to provide a foundation for leadership in educational service, both in public and Christian schools. Its courses are designed to give theoretical training, technical skills, and practical experience. The education faculty, serving as advisors to the students, are committed to help them achieve the competencies necessary for a successful teaching experience. The Master of Science in Education is described, beginning on page 161.

EDUCATION PROGRAM MISSION AND VISION

We aim to prepare educators who will serve in their school community, strive for professional excellence, think from a biblical worldview, and pursue a life that glorifies God.

Corban University students are challenged to become learners, not just students. Learning is a process that is an active, creative, lifelong adventure. We believe that Christian students/teachers’ adventures need to be more than courses and competency requirements. A thorough foundation in God’s Word, in order to integrate it into their lives, is imperative. Our graduates are prepared for their first teaching job, but more importantly they are prepared for living. Most graduates accept jobs right out of college, and others continue their formal education in graduate school. In either situation, our graduates celebrate the adventure of learning and teaching.

A FOUR-YEAR PROGRAM

Corban believes the ministry of the Christian teacher can and must find effective expression in both public schools and Christian schools. Moreover, in our mobile society, and with the changes that may come in one’s personal situation, it may be necessary for the teacher to be able to make the transition from one sphere of teaching to the other. Thus it is our desire to prepare teachers who will be well equipped to serve in both the public and private sectors of education.

The Music Education major is a four and one-half year program.

Upon completion of all Education Program requirements, students receive a B.S. degree from Corban University, recommendation for an Initial Oregon Teaching License from Oregon’s Teacher Standards and Practices Commission (TSPC), and an ACSI (Association of Christian Schools International) Teaching Certificate.

MAJORS

Paraprofessional Educator, A.A.
Education, B.S.
- Bible Educator*
- Biology Education
- Business Education
- Elementary Education
- Language Arts Education
- Mathematics Education
- Music Education
- Physical Education
- Social Studies Education

*Does not include recommendation for Oregon Licensure.

MINOR

Math Education
(Basic Mathematics Endorsement)

ENDORSEMENT

English for Speakers of Other Languages (ESOL)
ADMISSION REQUIREMENTS TO THE EDUCATION PROGRAM

Admission to the Education Program is a two-stage process. During the second semester of the sophomore year, each student will apply for “Permission to Proceed” to junior-level education courses. The student will submit or complete the following:

1. An application for admission to the education program.
2. Proof of a passing California Basic Education Skills Tests (CBEST), Pre-professional Skills Test (PPST) or Washington Education Skills Test-Basic (WEST-B).
3. Proof of a cumulative GPA of 2.6
4. A grade of C or better in ED102 and ED222
5. Satisfactory completion of ED 111 requirements
6. Competence in communication (a grade of C in EN 123 and CO 102)

Upon satisfactory completion of the above requirements, the Corban Education Committee will approve the applications, and a letter will be sent to the student indicating that he/she will be allowed to take 300 and 400 level courses.

During the second semester of the junior year, each education major will be reviewed by the Corban Education faculty. At this point, each student must demonstrate that he/she has satisfactorily completed the majority of the content/professional education coursework and has met the following GPA requirements of the program:

1. Proof of a cumulative GPA of 2.75
2. Proof of a cumulative GPA of 3.00 in the student’s major and in the professional education courses.

Upon a satisfactory review of the requirements by the education faculty, the student will be formally admitted to the Education Program and allowed to proceed to the final classes of the program, including student teaching.

Transfers
A student transferring into the CEP at the beginning of the junior year will have one (1) semester to meet the sophomore-level requirements. The student will be allowed to take second-semester junior-level classes only if all requirements are met.

TITLE II REPORT CARD INFORMATION

The following information is provided in compliance with Title II of the Higher Education Act.

Total number of students enrolled during 2009-2010 187

Total number of students in programs of supervised student teaching during academic year 2008-2009 56

Number of supervising faculty who were:
Appointed full-time faculty in professional education 7

Appointed part-time faculty in professional education, but full-time in the institution 1

Total number of supervising faculty during 2009-2010 12

Student/faculty ratio 2.5:1
The School of Education’s teacher preparation program is currently accredited by the Teacher Standards and Practices Commission of the State of Oregon. The program is NOT under a designation of “low-performing” by the State of Oregon.

Student Teaching Hours/week  
Total Weeks  
Total Student Teaching Hours Required  

Test Pass Rates: Because passing of basic skills and subject matter tests is required for program completion in Oregon, the state pass rate is 100%. Those who do not pass the required tests are not considered to have completed the program and are therefore not eligible for Initial Teaching Licenses.

ENGLISH FOR SPEAKERS OF OTHER LANGUAGES (ESOL) ENDORSEMENT:

OVERVIEW:  
The endorsement sequence comprises 4 core courses in ESOL/Bilingual theory and practice, and a 2-credit practicum.

A candidate for the ESOL endorsement must also furnish evidence of proficiency in the designated foreign language. This may be with a passing score on the ACTFL Proficiency Test, by passing another second language fluency exam approved by program leadership or by evidence of prior experience.

Required Courses:
ED214 Intercultural Communication & OPE II 2
ED411 Introduction to Linguistics & Language Acquisition 3
ED415 Methods & Materials – ESOL 2
ED416 Content Area Instruction & Assessment – ESOL (Online) 2
ED418 Practicum–ESOL/Bilingual (in conjunction with one of the student teaching authorizations) 2

Upon completion of coursework and practicum, an ESOL endorsement candidate is required to pass the ESOL exam administered by Oregon Educator Licensure Assessments (ORELA). Corban University will then recommend the candidate for the endorsement to Teachers’ Standard and Practices Commission (TSPC).
A.A. IN PARAPROFESSIONAL EDUCATOR (64)

With Corban University's biblical education core as its foundation, the Associate of Arts Degree in Education is designed to prepare candidates for a supporting role in the PreK-12 classroom. Specific education coursework has been chosen to meet federal requirements for highly qualified classroom assistants.

### Total Degree Requirements for this Major (128)
OVERVIEW

The English program is designed to furnish students with the skills necessary to understand literature, to appreciate it as an aspect of God’s redemptive voice, to write intelligently about it, and to pursue graduate studies.

Since effective written communication and oral communication are vital in all spheres of life, the College Writing and Fundamentals of Speech courses stand as the foundation of all programs.

The English major provides a progressive course of study, built on the general education requirements and lower division prerequisites, culminating in a Senior Seminar in which research is done in a fairly limited field. Upper division courses emphasize the study of literature, but include advanced writing courses.

The Communication and Journalism tracks explore the connection between the “redeemed human voice” and other voices in what philosophers have called the “global village.” Students utilize classroom instruction and internships to prepare for careers/ministries in journalism, radio, theater, media arts, television, and corporate communications. Although this program does not train students for technical careers, training is available at local facilities.

The Creative Writing track allows students time to focus on their development as writers. At the heart of the Creative Writing major is the writing workshop – small, intimate courses in which students read and critique each others’ writing. The courses are taught by published faculty. The track is designed to help students learn and develop their skills in their chosen genre and enhance success in various career paths.

The Humanities track is essentially a combination of English and Philosophy and is especially appropriate for pre-professional studies. Those who plan to go to law school, for example, will find this track provides the skills and background necessary for a solid foundation.

Since the study of literature increases one’s skill at analyzing a text, and since the subject matter of literature is the record and study of human thought and behavior, the English minor may be of special interest to those taking programs in Bible, Psychology, and Social Science. Most importantly, the course of study can point the way to “an indispensable source of knowledge ... a knowledge of experience, felt in the emotions as well as apprehended by the mind” (Laurence Perrine).

OVERVIEW

The Department of Science offers a major in Health Science. This major is a pre-professional study for students interested in pursuing careers in the health care professions. Graduates may seek entrance to professional schools in medicine, occupational therapy, physical therapy, physician assistant, optometry, veterinary medicine, dentistry, pharmacy, and medical informatics. Entrance requirements for these graduate programs vary; however, some basic courses are common to most. These common courses are the foundation of the Health Science Major. Electives in the major allow students to tailor their program of study to meet the specific entrance requirements of their chosen professional or graduate school. Students are encouraged to work closely with the program advisor of this major to plan a course of study to meet their educational objectives.

HUMAN PERFORMANCE

OVERVIEW

Our human body is the temple of the Holy Spirit and we are commanded to be good stewards of our body. Corban’s Human Performance program believes that Christians are to understand and apply the principles of physical health in order to enhance both their mental and spiritual health.

The foundational basis of the program lies in its focus on biblical principles through which individual understanding and development prepare one for a life of service to others. A primary function of the program is to provide the student with activity-oriented knowledge and problem solving skills to meet the demands of a life of ministry in the human performance fields.

The Human Performance major may select one of three emphasis: Exercise Science, Sports Management or Physical Education. The Exercise Science option has a research project requirement with an option for majors to add an internship experience. The Sports Management option has an internship requirement with an option for majors to add a research project experience.

Career opportunities for Human Performance graduates may exist in leadership, supervision, planning and programming, teaching, administration and management. Graduates may seek professional opportunities within churches, camping ministries, municipal park and recreation departments, private and commercial recreation, industry, recreation and fitness clubs, missions, recreation in the armed services, national organizations (Red Cross, Boys and Girls Club, Boys and Girls Scouts, YMCA, etc.), various para-church organizations, such as Youth for Christ, Young Life and Athletes in Action and private and public educational settings.

- HP401 Senior Research I 2
- HP402 Senior Research II 2
- MA223 Statistics and Probability 3
- BA223 Applied Business Statistics

**Human Performance Electives (3-21)**
- HP453 Facilities and Event Mgmt 3
- HP222 Coaching Theory 2
- HP243 Care/Prevention/Athletic Injuries 3
- HP332 Sports Law 2
- HP343 Organization, Administration and Governance in PE/Sport 3
- HP422 Sports Ethics and Issues 2
- HP463 Internship 3

**Elective Hours (3-21)**
Select a minimum of 12 hours from the following areas: Business, Communication, Psychology and Science (*minimum 200+ level)

---

*Open electives are completed to meet the total hours required.

**Students completing a B.S. Education with major in Physical Education should refer to the Education section for complete degree requirement.
# MATHEMATICS

## OVERVIEW

Because the physical and biological worlds were created by God, they exhibit orderliness that can be understood and studied through mathematics. The mathematics department views the study of mathematics as a means of understanding God’s creation and using those findings in science and technology.

A degree in mathematics serves as preparation for careers in fields such as engineering, statistical research, computer science and education. Generally students with a mathematics degree will do graduate study in a specialized area before entering a career.

OVERVIEW

The Department of Ministry provides students with the biblical and theological values, skills and knowledge necessary for starting a lifetime of personal growth and Christian service. This includes training ministry majors to begin an effective lifelong vocational ministry.

The ministry major builds on the foundation of our general education core. The values, skills and knowledge acquired in this core are deepened, enhanced and expanded to meet the needs of successful ministry today. The ministry major is a two-tier design. The first tier provides the common competencies required in any fruitful ministry. The second tier focuses on the abilities unique to particular ministry fields. For those students with specific ministry goals not addressed in the standard ministry majors, the division offers a specialized ministry program that allows students to develop an individualized major with the guidance and approval of an academic advisor.

The Biblical Studies track provides in-depth study and training in the academic fields of Bible and Theology.

The Intercultural Studies (Missions) track uses an interdisciplinary approach. That means you will get the best courses from several different departments. You will receive training on cultural sensitivity and understanding, cross-cultural adaptation and language learning, as well as intercultural communication theory and experience.

The Pastoral Ministries track is for students seeking full-time Christian service as a pastor or a member of a pastoral staff. The training in pastoral courses focuses on a philosophy of shepherding and care, meeting people’s needs by discipling them in the Word, and communicating the truths of Scripture from the pulpit.

The Women’s Ministries track is designed for students who will be serving in a paid or volunteer position in local churches, para-church organizations or community agencies. Courses provide biblically-based leadership training and practical experience in preparing women to be effective as they identify and use their gifts in serving.

The Student and Family Ministries track endeavors to present an informed view of the joys, challenges, and responsibilities associated with student and family ministry. Emphasis is placed on understanding American culture, developing the competencies expected of an excellent Minister, studying contemporary models of ministry, as well as investigating a Biblical theology of ministry, and developing one’s own philosophy of ministry.

Several seminaries in the Northwest have granted advance standing to Corban students. These are Western Seminary in Portland, Golden Gate Seminary in Vancouver, WA, and Northwest Baptist Seminary in Tacoma. Students interested in pursuing this standing should communicate with any of the program advisors.
## Special Program in Ministry

### One Year Bible Certificate

This one-year program is designed for students who desire to study primarily the Bible. Courses may be applied to the two-year Associate of Arts degree program or the four-year degree, Bachelor of Arts. A certificate is earned when the courses are completed.

## MAJORS

Ministry, B.S.
- Biblical Studies (also A.A.)
- Bible Translation
- Intercultural Studies (Missions)
- Pastoral Ministry
- Women’s Ministry
- Student and Family Ministries

Bible Educator*

*Requirements for this major are listed under Education.

---

## MINORS

Minors must be taken in conjunction with a major to satisfy requirements for a bachelor’s degree.

### Biblical Studies

All Corban students who complete the general education requirement in Biblical Studies with grades C- or better receive a minor in Biblical Studies. Students who receive less than C- grades in this requirement can choose to retake the class for a higher grade, or forfeit receiving the minor.

### Intercultural Studies (Missions)

Women’s Ministry
Student and Family Ministries

OVERVIEW

The mission of the music faculty is to help Christian students develop the biblical values, musical skills, and professional knowledge they need to serve our world effectively, representing Christ in life, ministry, and service.

The music curriculum begins with a common core of courses for all music majors. The music education major prepares students for careers as classroom teachers in public or private schools, including Christian schools. The worship arts major equips students to lead music and worship in churches and other settings. The major in performance prepares students to work as professional performing musicians and private teachers or to enroll in graduate studies. The general music major offers students a flexible program of study built on a solid foundation of musicianship; graduates from this program typically work in music ministry, teaching, accompanying, missions, etc. A minor in music offers several different tracks. Practical experience opportunities are available to students through internships, classroom field experiences, and other projects.

The music department offers many opportunities for students in other majors to improve their musical skills. Our choirs, bands, and orchestra are open to students in any major. The praise and worship bands provide the core of worship leadership for chapel. Private and group lessons are available for singers and for many different instruments. Music theory and some other music classes are open to all students who meet the prerequisites.

MAJORS

Music, B.S.
- General Music
- Music Performance
- Music Education*
- Worship Arts

MINOR

The music minor offers flexibility with several choices of emphasis. Minors must be taken in conjunction with a major to satisfy requirements for a bachelor’s degree.

*Requirements for this major are listed under Education.

SPECIFIC DEPARTMENT REQUIREMENTS

Students who desire to study music as their major must apply and audition for admission to the music program. Application for a music scholarship may be made on the same form. If a student auditions for a music scholarship, the same audition may also be used for admission to the department.

Music Theory Placement Test: Entering music students, both freshmen and transfers, must take a music theory placement test online. This test establishes a student’s readiness to take MU 113 Music Theory I. Students with a weak grasp of music rudiments will take MU 102 Introduction to Music before taking MU 113 Music Theory I. A placement test will also be used to verify the skills of transfer students. The test is given online.

Ensembles: Music majors are required to participate in one or more performing ensembles. Performing in the concert band, jazz band, concert choir, chamber choir, or orchestra will satisfy this requirement. Participation in the praise and worship band is also required for worship arts majors.
**Piano Proficiency:** All music majors must pass a piano proficiency examination. This should be accomplished by the end of the second year as a music major and must be completed before taking some upper division courses. The requirements may be completed in increments. Students may prepare for this exam by taking private piano lessons or keyboard classes.

**Performance Studies:** Every music major needs a primary performance area such as voice, piano, guitar, or some other instrument. Each music degree plan requires private study and performance in this area. During each music major’s development, she/he must pass a jury advancement examination to demonstrate mastery of basic competence in this primary performance area. Passing this advancement exam is required for the student to study at the upper division (300) level. Every music major must study his/her primary instrument at least two semesters at the 300 level in order to graduate with a music degree; performance majors must study at least four semesters at the 300 or 400 level.

**Advanced Standing:** Admission to advanced standing indicates that a music major has completed the foundational studies in music and is ready to move into upper division studies. Advanced standing is a prerequisite for some upper division courses but not all. To be admitted to advanced standing, the student must have:

1. Completed four semesters of music theory and aural skills with a grade of C- or better.
2. Passed the piano proficiency examination.
3. Passed the performance studies advancement examination, qualifying him/her to study the primary instrument at the 300 level.

**Final Project:** A final project is required for every music major. This project could be a recital, a teaching experience, a worship leadership experience, or some other activity demonstrating the student’s mastery of the primary areas of musicianship studied during the preceding three years. The final project must be approved in advance by the music faculty. Performance majors will present both a junior and a senior recital.

**World Literature Survey course requirement (3-4):** Music majors are not required to take World Thought and Culture. The material of those courses is replaced by Music History I & II plus one of the following world literature courses.

- EN305 English Literature of the Renaissance
- EN306 English Literature of the 19th and 20th Centuries
- EN309 Russian Literature
- EN310 Middle European Literature
- EN323 English Literature of the 17th-19th Centuries
- EN423 Masterpieces of Christian Literature I or II
- ID224 World Thought and Culture II
### B.S. IN MUSIC: GENERAL MUSIC (52)

| O.. | B.S. Education with major in Physical Education should refer to the Education section for complete degree requirement. |

**Minor in Music (21)**

*These courses may be repeated.*

**Open electives are completed to meet the total hours required.**

Students completing a B.S. Education with major in Physical Education should refer to the Education section for complete degree requirement.
OVERVIEW

The Corban psychology program is built on a biblically based general education core of subjects. There are three emphases in the program: General Psychology (a pre-graduate school emphasis); Youth and Family Studies (for those interested in working in state, county, and private agencies which work with youth and families); and Industrial Organizational Psychology (where human relations, research and management issues are the main focus). In addition, a degree completion program for working adults is offered in a non-traditional format with a major in Family Studies (see Adult Degree Programs).

The psychology program focuses on six themes: basic psychological theory, research, normal human development, abnormal psychology, counseling, and a biblical approach to psychology and counseling. Students are prepared in the same way that other colleges and universities present psychology but with the added values and views of Christian thinking.

All students participate in practicums and internships to assist a “real world” understanding of those things taught in the classroom. Students have an opportunity to obtain experience in various areas of psychology in local churches and state or private agencies. International experience may also be available.

The psychology program at Corban University clearly prepares students for graduate schools and a wide variety of career paths. For those who excel in our programs, invitations are offered to join Psi Chi, the National Honor Society for Psychology.

- PS243 Community Agency Counseling 3
- PS244 Youth & Adolescent Pathology 3
- PS323 Psych & Christianity 3
- PS363 Group Dynamics 3
- PS371 Prac: Couns Psych I 1
OVERVIEW

The purpose of the Social Science major is to provide a climate that expects excellence by stimulating intellectual curiosity, honoring academic scholarship, developing a personal biblical worldview in a historical-cultural context, nurturing individual maturity, encouraging learning for a lifetime, and promoting service to the Church and community.

A major in this area is intended for the student who desires a broad perspective on the nature of mankind within society; an understanding of the implications of the history of humankind; an awareness of one's social and spiritual responsibility; and preliminary skills for one's chosen field. Students should be prepared for graduate study in a chosen field or for service in career opportunities of the major depending upon professional requirements.

Corban’s pre-law program provides prospective law school students with a broad based general education. Classes in history, political science, logic, business, and speech help students to acquire the analytical and communication skills required by the legal profession. The pre-law program is essentially a social science major with the addition of certain courses specifically chosen for the pre-law student — Logic, Advanced Speech, Advanced Composition, Business Law, Taxation, Accounting, and Economics.

In addition, pre-law students are provided with opportunities to visit law schools and meet with legal professionals. The university’s pre-law advisor also provides prospective law school students with help in preparing for the Law School Admission Test and in applying to law school.

For students who complete the pre-law curriculum but who choose not to attend law school there are a number of careers for which the pre-law curriculum is appropriate (i.e., government, journalism, business, foreign service, education).

MAJORS

Social Science, B.S.
• Criminal Justice
• History
• Pre-Law

Social Studies Education, B.S.*
* requirements for this major are listed under Education

MINORS

Minors must be taken in conjunction with a major to satisfy requirements for a bachelor’s degree.

Criminal Justice
History
Political Science
Social Science

CORE REQUIREMENTS FOR
SOCIAL SCIENCE MAJORS;
HISTORY MAJORS (17)
PRE-LAW/CRIMINAL JUSTICE (20)

Four hours of lower-division American History.
These are embedded in the ID114, 124 American Thought & Culture courses, AND Four hours of lower-division World History. These are embedded in the ID214, 224 World Thought & Culture courses.

Pre-Law and Criminal Justice majors select four courses (12 hours) from the following. History majors select three courses (9 hours) from the following:

AN303 Cultural Anthropology 3
EC213 Macro Economics 3
EC223 Micro Economics 3
PO203 National Government 3
SO203 General Sociology 3
SS 303 Social Science Research Methods 3
### B.S. IN SOCIAL SCIENCE: CRIMINAL JUSTICE (50)

**Core Requirements for all Social Science Majors**

**Specific Requirements**
- CJ103 Admin of Justice
- CJ213 Corrections
- CJ313 Concepts of Crim Law
- CJ323 Criminology
- CJ333 Crisis Counseling
- CJ343 Criminal Investigation
- CJ413 Juvenile Delinquency
- CJ423 Appl Reporting Techni for CJ
- CJ433 Legal Aspects of Evidence
- CJ443 Internship

**Total Degree Requirements for this Major** (128)

### B.S. IN SOCIAL SCIENCE: HISTORY (64)

**Core Requirements for all Social Science Majors**

**Specific Requirements**
- HI303 History of the Middle East
- HI303MA History of Modern Africa
- HI373 History of Modern Europe
- HI403EA History of Modern East Asia
- HI432 Senior Seminar in History
- HI453 Modern Am Hist and Politics

**History electives**
Select at least 6 hours from Am History:
- HI313AW History of the American West
- HI403FR History of Am Foreign Rel
- HI433 American Religious History
- HI443 The American Civil War Era
- HI463 American Constitutional Development

Select at least 6 hours from World History:
- HI333 History of Judaism and Christianity
- HI363 Developing Nations
- HI383 History of the British Isles
- HI473 History of Russia
- HI Elective

**Total Degree Requirements for this Major** (128)

### B.S. SOCIAL SCIENCE: PRE-LAW (49)

**Core Requirements for Pre-Law**

**Specific Requirements**
- AC213 Intro Financial Accounting
- AC223 Intro Managerial Accounting
- AC313T Taxation
- BA313 Business Law
- BA323 Management Principles
- CO343 Advanced Speech
- EN343 Creative Writing Nonfiction
- PH223 Logic
- PO402 Pre-Law Seminar

**Total Degree Requirements for this Major** (128)

### MINOR IN CRIMINAL JUSTICE (18)
Minors must be taken in conjunction with a major to satisfy requirements for a bachelor’s degree.

**Specific Requirements**
- CJ103 Administration of Justice
- CJ213 Corrections
- CJ313 Concepts of Criminal Law
- CJ323 Criminology
- CJ413 Juvenile Delinquency
- CJ423 Applied Reporting Techniques: Criminal Justice

### MINOR IN HISTORY (29)
Minors must be taken in conjunction with a major to satisfy requirements for a bachelor’s degree.

**Specific Requirements**
- HI303 History of the Middle East
- HI373 History of Modern Europe
- HI403EA History of Modern East Asia
- HI453 Modern American History and Politics

**Upper-division Electives/History** (9)
**MINOR IN POLITICAL SCIENCE (20)**

Minors must be taken in conjunction with a major to satisfy requirements for a bachelor's degree.

**Specific Requirements**  (11)

- PO103 Introduction to Politics 3
- PO203 National Government 3
- PO223 State and Local Government 3
- PO499 Legislative Internship 2

**Political Science Electives**  (9)

Select from the following:

- HI323 The American Presidency 3
- HI453 Modern American History and Politics 3
- HI463 American Constitutional Development 3
- PO463 International Politics 3
- PO473 Contemporary World Affairs 3
- PO Political Science Practicum 6

*This practicum consists of one semester of study through the programs offered by the Council for Christian Colleges and Universities.*

**MINOR IN SOCIAL SCIENCE (21-23)**

Minors must be taken in conjunction with a major to satisfy requirements for a bachelor's degree.

**Specific Requirements**  (21-23)

Prerequisite: Four hours of lower-division American History. These are embedded in the ID114, 124 American Thought and Culture courses.

- AN303 Cultural Anthropology 3
- EC213 Macro Economics 3
- HI Upper-division Hist elective 2/3
- PS Upper-division Psych elective 3/4
- SO203 General Sociology 3
- SS303 Soc Sci Research Methods 3

*Open electives are completed to meet the total hours required.

** Students completing a B.S. Education with major in Social Studies should refer to the Education section for complete degree requirement.*
COURSE DESCRIPTIONS

COURSE NUMBERING SYSTEM

Courses are designated by numbers that reveal their difficulty, sequence and credit value. The first number indicates whether the course is customarily reserved for freshmen, sophomores, juniors or seniors. A roman numeral after a course is used to indicate courses in sequence. Thus BI 123 Biblical Literature II stands for a course offered the freshman year, second in its sequence, worth three semester hours, and which is the sequel to BI 113 Biblical Literature I. There are a few exceptions to this designation.

Courses offered during the Corban Accelerated Online session will reflect a different number as the third digit will change because the credit value is usually different. In most cases, courses offered during Corban Accelerated Online will have a CA suffix. For example PS 203 would become PS202CA.

Corban provides opportunities for students to pursue a study of special interest under the guidance of competent faculty members. These special studies are available to eligible junior and senior students. These courses are usually designated by numbers 391-393 or 491-493. Registration for these studies must be filed during regular registration periods.

Courses offered in the honors program will have an H suffix. For example, PH399H would be Philosophy Honors.

Courses generally offered alternate years are indicated with (Alt).

ACCOUNTING

AC213 Introduction to Financial Accounting (3)
An introductory examination of how organizations measure performance from a financial perspective. Students learn the uses of financial statements, the significance of changes in financial position, and the basis upon which financial statements are derived and organized. (Fall)

AC223 Introduction to Managerial Accounting (3)
An introductory examination of how managers of organizations use and respond to financial performance measurements. Students learn how the measurements are derived and organized, how to measure and analyze the impact of change on the financial performance of an organization, and the application of quantitative measurement techniques to the operation of organizations. (Spring)

AC313, 323 Intermediate Accounting I, II (3, 3)
Accounting theory and practice, financial statements, disclosure requirements, and concepts of valuation are the subjects of Intermediate Accounting. Prerequisite: AC213 and 223. (Fall, Spring)

AC313T Taxation (3)
In Taxation students will gain an understanding of Federal Income Tax laws and how to prepare returns for individuals, sole enterprises, partnerships, and small corporations. (Fall)

AC413 Advanced Accounting (3)
Advanced financial accounting techniques and reporting procedures regarding corporate acquisitions, mergers, and pooling of interest are considered. Prerequisite: AC313 and AC323. (Fall)

AC423 Cost Accounting (3)
Cost Accounting studies cost behavior, profit planning and budgeting, motivation and control, cost accounting systems, and standard costing. Prerequisite: AC223. (Spring, Alt.)
AC433 Auditing (3)
Auditing presents the environment and professional nature of auditing: concepts of testing, evidence, internal control; and analysis of client accounting systems. Prerequisite: AC313 and AC323. (Spring Alt)

AC491-493 Special Topics in Accounting (1-3)
Focused studies on specific issues in accounting. Requires instructor and department approval.

AC494-499AS Advanced Accounting Seminar (4-9)
Designed to meet the requirements of, but not limited to, persons majoring in accounting who are interested in being candidates for the CPA examination. This course will cover material from the fields of auditing, accounting theory, business law and reporting. (Summer)

ANTHROPOLOGY

AN303 Cultural Anthropology (3)
A survey of the science of mankind culturally, including race, pre-history and cultural growth, cultural patterns, and dynamics, representative primitive cultures, field methods in anthropology, and applied anthropology. (Spring) (Alt)

AN491-493 Special Topics in Anthropology (1-3)
Focused studies on specific issues in anthropology. Requires instructor and department approval.

ART

AT102 Introduction to Art (2)
This course examines the role of art in today’s society. Art media, the analytical and descriptive study of visual art, both past and present are explored. Offered in Corban Accelerated Online only.

AT131 Introduction to Drawing I (1)
Provides individualized instruction in practical drawing skills designed for the beginner. Introduces fundamental gesture, contour, and value approaches to drawing, utilizing a variety of monochromatic media. Covers lectures, demonstrations, and training in traditional methods of representing shape and space on a two-dimensional surface.

AT141 Introduction to Drawing II (1)
Covers basic drawing skills of observation, selection, representation, perception, and hand-eye-mind coordination. Emphasizes composition and the understanding of visual form, and introduces style as a means to personal expression. Prerequisite: AT131.

AT241 Intro to Photography (1)
This course will familiarize the student with basic photographic principles through the study of 35mm camera technology. The student will learn about color theory, film types, exposure technique and control, artistic composition, lighting, focus, depth of field, shutter speed, aperture settings, lenses, filters, close-up photography, mounting and matting photographs, and the purpose and effect of basic photographic accessories. This introductory course approaches the medium of photography as an art form, as a unique means of human communication, and as a technical skill steeped in both math and science. Both technical and aesthetic content are emphasized to strengthen the visual communication of the photographs.

AT242 Photography (2)
A balanced examination of photographic techniques, addressing both technical and aesthetic concerns through practical application. Offered in Corban Accelerated Online only.

AT251 Intro to Digital Photography (1)
This course will familiarize the student with basic digital photographic skills. Students will learn how to use digital photographic equipment including cameras, scanners, computers, editing and publishing software, etc. Specific editing skills will include cropping, orientation, contrast, levels, curves, color correction, restoration, layout, annotation, proofing and printing.
AT301-303 Practicum or Internship (1-3)
Individual student practicum or internship under the leadership of a qualified faculty member with approval of the Department of Humanities chair. Offered on demand.

AT491-493 Special Topics in Art (1-3)
Focused studies on specific issues in art. Requires instructor and department approval.

BUSINESS ADMINISTRATION

BA203 Personal and Family Finance (3)
This course examines: managing family finances; budgeting; use of credit; borrowing money; saving methods; purchase of life, health, property and auto insurance; buying and renting property; taxes; buying securities; will and estates. (Fall)

BA213IS Information Systems (3)
This course is a study of information systems and their use in solving business problems. Topics include competing with information systems, data resource management, networking, e-commerce, security, and software development. No prerequisites. (Fall, Spring)

BA213WD Web Design (3)
This course is a study of website development. Topics include graphics and photo editing, page and site development, protocols, and tools. No prerequisites. (Fall and Spring)

BA223 Applied Business Statistics (3)
A hands-on course in the application of statistics and probability in business. Topics include data collection, descriptive measurement, uses of probability concepts, inference, estimation and decision support. Class sessions engage students in analysis of business data from realistic cases using Excel. Emphasis is placed on experiential learning. Prerequisite: College Algebra. (Fall) Course fee: $15

BA303 Leadership (3)
An investigation of leadership; students will examine both traditional and contemporary leadership theories while developing an awareness of their own personal leadership capabilities. (Fall) (Alt)

BA303EC E-Commerce (3)
This course is a study of business and technological aspects of electronic commerce. Topics include business models, marketing, infrastructure, security, and development. No prerequisites. (Fall)

BA313 Business Law (3)
The themes of Business Law include the nature and function of the law in our business society; obligations arising out of tort; and formation, performance and discharge of contracts. (Spring)

BA323 Management Principles (3)
A study of the theories and practices of the management of people, projects, and organizations. The focus of this course is on structure, processes, behavior, and ethics and includes discussion of non-profit organizations. Prerequisite: Financial and Managerial Accounting; Economics I-II. (Spring)

BA332BL Marketing Concepts (3)
This course explores the core concepts of marketing as well as the application of strategic planning in the development of competitive market-coverage. Students will generate original marketing plans that define a target market, market segment, positioning and a promotional mix that effectively presents the organizational value chain and delivery network. Enrollment is limited to students in the Adult Degree Programs. (Fall and Spring)

BA333 Marketing Strategy (3)
Integrative course designed to apply marketing concepts in a variety of business applications. Emphasis will be on marketing strategy in the major areas of marketing management including customer identification, product and communication strategies, distribution, pricing, and control. Prerequisite: Financial and Managerial Accounting; Economics I-II. (Fall)

BA333BR Business Reporting (3)
This course is a study of data storage and extraction techniques. Topics include relational databases and business specific reporting languages. No prerequisites. (Spring)
BA333FB Finance and Budgeting in Sports (3)
This course provides an overview of the business of amateur and professional sports and the financial and accounting skills necessary for sports managers to succeed in the sports industry. This course aims to provide practical, hands-on experience to real-life financial and budgeting challenges. By the end of the course students should have a solid comprehension of the role of finance and budgeting in the sports industry and be able to apply that knowledge to financial and accounting issues faced by sports managers. (Spring, Alt.)

BA333FM Financial Management (3)
A study of the role of the financial system and its functioning. Analytical methods leading to more efficient decision processes involving the use of money and debt. Emphasis on efficient cash flow management, capital budgeting techniques and short and long term instruments of finance. (Spring)

BA333SA Sales and Advertising (3)
The study of the sales and advertising functions within the total business environment, including the study of relevant Biblical principles. The course examines sales and advertising campaigns and procedures, including planning, creation, production, media, management, research and budgeting. (Fall, Alt.)

BA333SP Sports Marketing (3)
This course explores the concepts of sports marketing by studying the market and clarifying a sport’s organizational needs and goals. Emphasis will be on the development and implementation of sport marketing strategies through sponsorships, licensing, pricing, promotions, advertising, broadcasting, and sales. (Spring, Alt.)

BA333T Technology (3)
This course is a study of current information technology. Topics include computing components, networking, virtualization, and cloud computing. No prerequisites. (Fall)

BA334BL Managing Organizational Budgets (3)
Managing Organizational Budgets is designed to take non-finance students through the basics of forecasting, planning, building, presenting and tracking budgets as an integral part of accomplishing organizational goals. Operational success is ultimately ensured by the timely and adequate flow of supportive funding. Enrollment is limited to students in the Adult Degree Programs. (Fall and Spring)

BA341 Office Environment Practicum (1)
This course is designed to provide business education students with "hands on" experiences. As a practicum, this course allows students to master skills in an office environment, thus adding authenticity to the experience. Permission of the program advisor is required. Offered on demand.

BA343 Program Organization (3)
This course is designed to instruct business education students in the organization and implementation of a high school professional-technical program. The course addresses three main facets of such programs: the instructional component, the citizen advisory committee component, and the student organization component. Prerequisite: ED313. Offered on demand.

BA353 ML/HS Content Methods - Business (3)
Students will examine the content of business education programs at the middle and high school levels, as well as methodology and instructional materials. The course will involve lesson planning, the development of a work sample, and a teaching practicum. Prerequisites: currently enrolled in ED323 or consent of director. (Spring)
BA362OP Management: Organizational Performance (2)
Explore how leaders build strategies for achievement that provide for both personal and corporate effectiveness—and make sure they are aligned to compliment each other. Students will have the opportunity to design some of the integrated activities that are combined to develop a culture of performance, including objectifying and prioritizing results, measuring and assessing progress, exchanging feedback and reinforcing behaviors. Offered online through Corban Accelerated Online.

BA363 International Business (3)
An introduction to the theory and practice of business operations in international and multinational firms. Topics to be covered will include international trade theory, globalization, foreign investment, marketing, finance and human resource management. Prerequisites: BA333, AC213, Macroeconomics. (Spring, Alt.)

BA373BL Introduction to Strategic Management (3)
An introductory course which examines the relationship in organizations between planning strategies and their impact on performance and goal attainment. Students will explore process models that provide structure for specific strategies and the analytical processes needed to identify and utilize them. Enrollment is limited to students in the Adult Degree Programs. (Fall and Spring)

BA393 Consumer Behavior (3)
This course examines consumer buying patterns, decision making, motivation and behavior. Behavioral science applied to the solution of marketing problem. Behavior research techniques. (Fall, Alt.)

BA403 Business Planning/Senior Thesis I (3)
A study of the decision making process of senior management within the context of organizations and organizational objectives. The focus of this course is on formulation and analysis of strategy and policy as regarding the formation and operation of an organization. Prerequisite: Senior class standing and BA413. (Spring)

BA403IP Investment Principles (3)
The analytical study of the principles of investments in stocks, banks and other security instruments. Includes the analysis of investment risks, investor’s attitudes toward risk, and the choice of appropriate portfolios which incorporate this information. Also included is the study of information and market efficiency, term structure and the determination of market interest rates and security valuation. (Spring, Alt)

BA405BL Independent Project Thesis (5)
This course emphasizes the value of research in business and management. It is also designed to improve skills in recognizing, stating, and solving problems objectively as well as to improve students’ capacity to read and evaluate formal research. The project strives to improve evaluation skills in program proposal and development. The goal of the research project is to create a positive change in the community or organization in which students are associated. Students’ completed written research projects are orally presented to the instructor and the learning group. Enrollment is limited to students in the Adult Degree Programs. (Fall and Spring)

BA405DC Independent Project Thesis (4)
This course emphasizes the value of research in business and management. It is also designed to improve skills in recognizing, stating, and solving problems objectively as well as to improve students’ capacity to read and evaluate formal research. The project strives to improve evaluation skills in program proposal and development. The goal of the research project is to create a positive change in the community or organization in which students are associated. Students’ completed written research projects are orally presented to the instructor and the learning group. Enrollment is limited to students in the Adult Degree Programs. (Fall and Spring)

BA422-430 Business Internship (2-10)
Job-related research projects and reports. Prerequisite: Approval of program advisor.
BA433 Entrepreneurship (3)
Principles of entrepreneurship and management of the small, closely-held enterprise, from idea conception, strategic planning, start-up, and financing growth, to building a management team and transfer of ownership. Uses the case method to expose students to a variety of industries and issues. (Fall, Alt.)

BA434BL Principles of Leadership and Supervision (4)
Students examine motivational theory and its application to individual and group functioning in work and home situations. Leadership styles related to particular circumstances are analyzed. Negotiation is covered through readings and class practice with an analysis of the effect on productivity. Enrollment is limited to students in the Adult Degree Programs. (Fall and Spring)

BA443BL Group and Organizational Behavior (3)
A study of group behavior and how group functioning affects organizational effectiveness. Emphasis is placed on decision making and resolving conflict in groups. Students develop strategies for efficient and productive group management and determine which tasks are best handled by groups or individuals. Offered online through Corban Accelerated Online.

BA453 Special Methods in Content Area (3)
This course is designed to help students develop specific teaching skills related to their individual content areas of expertise. Students will develop a complete teacher work sample.

BA453BL Organizations and Environments (3)
This course focuses on organization structure and design. Primary emphasis is placed on understanding the organization as an open system. Students learn to utilize a systems approach in basic organizational diagnosis. Contingency theory provides a theoretical framework for understanding the impact of the environment on organizational effectiveness and design. Enrollment is limited to students in the Adult Degree Programs. (Fall and Spring)

BA463BL Statistical Methods and Research (3)
Problem analysis and evaluation techniques are presented. Students are shown methods for defining, researching, analyzing, and evaluating a problem requiring a solution within their work or vocational environment. Specific statistical information covered in the course includes identifying and measuring objectives, collecting data, working with significance levels, analyzing variance, and constructing questionnaires. Enrollment is limited to students in the Adult Degree Programs. (Fall and Spring)

BA473 or BA473BL Human Resources Administration (3)
Students explore the values and perceptions of selected groups affecting social and economic life through an analysis of policies and practices regarding recruitment, selection, training, development, and compensation of employees. Special attention is given to Equal Employment Opportunity and Occupational Safety and Health Administration legislation through a series of case studies and simulations. (Spring, Alt.) Adult Degree Programs: Fall and Spring
BA491-493 Special Topics in Business (1-3)
Focused studies on specific issues in business. Requires instructor and department approval.

BIBLICAL STUDIES

BI113, 123 Survey of Biblical Literature I,II (3)
This survey is an overview of the Old and New Testament books with an emphasis upon orienting the student to the general content, themes and style of each book and how they relate to the major people, places, and events of the Testaments. Integration into our contemporary scene and personal application are stressed. (Fall, Spring) Course fee: $130

BI202 Bible Study Methods (2)
An introduction to the principles of the inductive method approach to studying the Bible, the development of techniques, utilization of tools, and the employment of various methods such as synthesis and analysis. The principles of interpreting Scripture are presented. (Fall and Spring)

BI223 The Pentateuch (3)
An introduction to the first five books of the Bible, involving a general analytical and expository study of these books as well as a brief examination of the documentary hypothesis relating to the Mosaic authorship of the Pentateuch. Prerequisite: BI113, BI123, and BI202. (Alt)

BI292 Bible Lands Study Tour (3)
A study tour in the land that dramatically shaped many of the crucial events of the Bible. Guided field trips as well as teaching sessions introduce the students to the geographical regions, important sites, travel routes, and archaeological remains throughout the lands of the Bible.

BI302 Teaching the Bible (2)
A study of the principles underlying successful contemporary Bible teaching. Methods of learning, teaching techniques, preparation of lesson plans, and application of lessons to various age groups are considered. Prerequisite: Biblical Literature sequence. Enrollment is limited. Prerequisite: BI113, BI123, and BI202. (Fall and Spring)

BI312 Acts (2)
An analytical and expository study of Acts as the origin and early development of Apostolic Christianity. Prerequisite: Biblical Literature sequence. Prerequisite: BI123 and BI202. (Fall, Alt.)

BI313 Daniel-Revelation (3)
An analytical and expository study of the critical problems, historical backgrounds, and prophetic significance of these books. Prerequisite: Biblical Literature sequence. Prerequisite: BI113, BI123, and BI202. (Spring, Alt.)

BI322 James (2)
An analytical and expositional study of the Epistle of James emphasizing the practical outworking of faith. Prerequisite: BI123 and BI202. (Alt)

BI323 Romans (3)
This detailed study of Romans emphasizes the doctrines of sin, justification and sanctification. Attention is given to Israel’s place in the divine program and to the believer’s responsibilities to God and mankind. Prerequisite: Biblical Literature sequence. Prerequisite: BI123 and BI202. (Fall and Spring)

BI333 Corinthian Epistles (3)
An analytical study of both epistles with an emphasis placed upon the doctrinal and practical problems in the Corinthian church and their contemporary applications. Prerequisite: BI123 and BI202. (Alt)

BI342 Pastoral Epistles (2)
The books I Timothy, II Timothy and Titus are approached with an appreciation of the specific concern Paul expresses for the pastor and the people of local churches. Attention is given to the application of the principles to the contemporary church. Prerequisite: BI123 and BI202. (Alt)
BI352 Prison Epistles (2)  
Ephesians, Philippians, Colossians and Philemon are studied in this course. Attention is given to the cultural background of the recipients, the conditions of the churches, and the implications of the content of the epistles in the contemporary church. Prerequisite: BI123 and BI202. (Alt)

BI353 Hebrews (3)  
An analytical and expositional study of the teaching of Hebrews, emphasizing thepriestly ministry of Christ and the superiority of Christianity over Judaism. Prerequisite: BI123 and BI202. (Spring, Alt.)

BI362 Petrine Epistles (2)  
An analysis and exposition of I and II Peter emphasizing the significant doctrinal and practical issues for the Christian Life. Prerequisite: BI123 and BI202. (Spring, Alt.)

BI372 Johannine Epistles (2)  
An analytical and expositional study of I, II, and III John. Prerequisite: BI123 and BI202. (Spring, Alt.)

BI382 Psalms (2)  
A study of the background, theology, interpretation and literature of the book of Psalms. Besides providing an overview of the psalms collection, detailed consideration is given to key individual psalms. The role of psalms in ancient Israel’s worship and their contemporary usage are discussed. Prerequisite: BI113 and BI202. (Spring, Alt.)

BI383 Life of Christ (3)  
Life of Christ includes a harmony of the Gospels and a careful study of the incarnate life of Christ as recorded in the Gospels. The course also sets the historic and geographic stage for the advent of Christ and familiarizes students with the political and religious atmosphere in which He lived. Prerequisite: BI123 and BI202. (Fall)

BI393 Introduction to Biblical Languages (3)  
An introduction to the basics of Greek and Hebrew, purposed to help students effectively utilize original language tools available for in-depth Bible study. Study will focus on grammar and use of the tools for guided translation.

BI402 Interpreting Scripture (2)  
An inquiry into the history, principles and methods of biblical interpretation. It also considers the interpretation of types, prophecy and parables, as well as contemporary issues of interpretation such as the New Hermeneutic, etc. Prerequisite: BI113, 123, 202. (Fall, Alt.)

BI422 Old Testament Book Studies (2)  
This is a study of a selected Old Testament book or group of books not regularly included in the curriculum. BI422 may be repeated for credit. Prerequisite: BI113 and BI202.

BI432 New Testament Book Studies (2)  
This is a study of a selected New Testament book or group of books not regularly included in the curriculum. BI432 may be repeated for credit. Prerequisite: BI123 and BI202.

BI482 Senior Thesis (2)  
The capstone course for the Bible major, this project provides the opportunity for individualized guided research. Students will choose a topic in consultation with a faculty advisor. That topic will be explored and the results presented in a formal research paper and in an oral presentation.

BI491–493 Special Topics in Biblical Studies (1–3)  
Focused studies on specific issues in Biblical Studies. Requires instructor and department approval.

CHRISTIAN MINISTRY

CMIO1CC Cross-Cultural Connections (1)  
This course is designed to prepare students for cross-cultural mission-oriented trips and internships. It explores the basic elements, values, practices and purposes that make short-term stay in another cultural both meaningful and life-changing. Practical topics are examined to prepare students to understand, appreciate and thrive in cross-cultural contexts.
CM102 Introduction to Ministry (1)
This course introduces students to the many facets of ministry. Students will be encouraged to explore various ministries and their own abilities as a means of discerning God’s leading them into ministry. Students will also be introduced to all the ministry programs and be guided in the process of applying to the ministry major.

CM201, CM201W, or CM201IS
Learning and Observation (1)
Involvement on a weekly basis in a local church. Exposure to church work and an expert’s input will require observation, participation, and evaluation. (Fall and Spring)

CM202 Foundations of: Student and Family Ministries (2)
An overview of the multiple facets of local and worldwide youth ministry, with the objective to enable students to assess their role within youth ministry and to prepare for practicum experience. (Fall)

CM212 Intro to Women’s Ministry (2)
This foundational class provides an overview of women’s ministries in the local church with outreach to the community. This introductory course will give women an opportunity to explore the full spectrum of women’s ministries. (Fall)

CM222 Women in Ministry (2)
An overview of women in ministry is explored from a variety of viewpoints, including biblical and cultural perspectives on gender identity and role. Students will form and articulate their personal philosophies of ministry, based upon biblical principles and related to practical realities. (Spring)

CM232 Camp Counseling (2)
Designed with an emphasis toward youth camps, this course examines the values, goals and objectives of the camping experience; provides guidelines for effectively dealing with and understanding camper needs and problems as well as staff responsibilities. Includes a week of practical experience in a counseling situation. (Spring)

CM242 Women of Faith (2)
An overview of the spiritual development, character and influence of women through the Bible, church history, and today. (Fall)

CM301 Junior Practicum (1)
This practicum is designed to allow students to begin to explore involvement in church ministry, whether pastoral, youth, or children’s ministries. The objective of this practicum is to allow the student a more active leadership role in a local church. Prerequisite: CM201.

CM301IS Junior Practicum (1)
A practicum designed to allow students to explore involvement in intercultural ministry and to allow a more active leadership role in ministry. Prerequisite: CM201.

CM301W Junior Practicum (1)
A practicum designed to allow students to explore involvement in women’s ministry and to allow a more active leadership role in a local church. Prerequisite: CM201.

CM301YW Junior Practicum (1)
A practicum designed to allow students to explore involvement in youth ministry and to allow a more active leadership role in ministry. Prerequisite: CM201.

CM303 Philosophy of Student and Family Ministries (3)
The philosophical development of youth work in the local church or community is the focus of this course. Students are expected to be active in ministry while enrolled. Prerequisite: PS303, CM202 (Spring)

CM312,322 Women’s Message Preparation I,II (2,2)
A study of message ideas, structure, and preparation for specific audiences. Students will be able to formulate ideas and outlines, arrange supporting material, and deliver messages for a variety of audiences and occasions. Prerequisite: BI202 (Fall, Spring)

CM333 Program Planning – Methods and Materials (3)
This course focuses on developing a model of ministry for students and families within a local church, community, para-church,
cross-cultural, or Christian camping context. The student will design a ministry model, which includes strategic programs built around theological, philosophical, and methodological foundations.

CM342 Women's Ministry Methodology (2)
Building on a personal philosophy of ministry, students develop program and curriculum methodologies. It provides a framework to enable the student to utilize them in a variety of church and para-church organizations. Prerequisites CM212 and CM222. (Fall)

CM352 Women and Leadership (2)
Because every Christian woman provides leadership in her home and family, in the church and community, this course is designed to assist women in developing leadership skills in the light of Scripture, areas of giftedness, and personality strengths. Special emphasis will be placed upon the Christian and servant leadership. (Spring, Alt.)

CM401 Senior Practicum (1)
In this final practicum during the senior year the student should be well established in a church or community organization. This experience will provide an opportunity for the student to develop a specific area of interest in the form of a senior paper while involved in the practicum. Prerequisite: CM301.

CM401IS Senior Practicum (1)
In this final practicum during the senior year the student should be well established in a church or community organization. This experience will provide an opportunity for the student to develop a specific area of interest in the form of a senior paper while involved in the practicum. Prerequisite: CM301W.

CM401YW Senior Practicum (1)
In this final practicum during the senior year the student should be well established in a church or community organization. This experience will provide an opportunity for the student to develop a specific area of interest in the form of a senior paper while involved in the practicum. Prerequisite: CM301YW.

CM402W Discipleship Program Development (2)
Students gain practical experience and training in designing, developing, promoting and implementing a training program in the local church. Prerequisite: BI2O2. (Spring)

CM404 Dynamics of Church Development (3)
A study of the dynamics of church health and growth with emphasis upon the biblical, sociological, cultural and missional factors that are crucial to the development of local churches. Students will seek to discover principles and develop practical and supracultural strategies that promote the planting, growth and reproduction of the church in all cultural contexts.

CM412 Senior Seminar (2)
This seminar includes the specialized ministries of church leadership - weddings, funerals, budgets, buildings, missions, counseling, staff relationships, etc. Open to men only. CM412W is for women. Specialists are utilized to provide a balanced emphasis. Prerequisite: CM301 & CM401 (Fall & Spring)

CM412IS Senior Missions Seminar (2)
A practical study of specific areas in preparation for the mission field, a mission agency, the culture and people, fellow missionaries, the national church, foreign government and supporting constituency.

CM412W Senior Seminar (2)
This seminar is designed to give experience in exercising leadership in women's programs, especially in the local church. Students will participate in a broad range of activities.
CM452 Homiletics I (2)
An examination of the structure of sermons, analysis of both written and spoken sermons, and preparation of sermon ideas and outlines. Prerequisite: BI113, 123, 202, CO102. (Fall)

CM462 Homiletics II (2)
The study of style, delivery, and the development of effective communication with an audience. Students will prepare sermons from different types of biblical literature to be used in varied situations. Some practices will be evaluated by the class and the professor. Prerequisite: CM452 (Spring)

CM491-493 Special Topics in Ministry (1-3)
Focused studies on specific issues in ministry. Requires instructor and department approval.

COMMUNICATION

CO101 Productions (1)
Students assist in the preparation and/or presentation of the Christmas Showcase program, with a strong emphasis on the production aspects. (Fall)

CO102 Fundamentals of Speech (2)
An introduction to communication theory and practical aspects of communication as a Christian scholar. Students receive coaching through the steps of writing and delivering three types of speeches. Biblical worldview is emphasized. (Fall and Spring)

CO112CA Fundamentals of Speech (2)
An introduction to communication theory and practical aspects of communicating as a Christian scholar. Students receive coaching through the steps of writing and delivering three types of speeches. Biblical worldview is emphasized. This course is online and restricted to non-traditional students.

CO202 Visual Design Foundation (2)
This project-based course introduces the art of visual design and develops skills in graphic design, photography, print and layout design, and print production using Adobe Creative Suite software (InDesign, Photoshop, and Illustrator). Each project explores new career skills. Enrollment is limited.

CO213 Introduction to Mass Communication (3)
TV, radio, magazines, recordings, books, and digital mediums are studied both as media industries and agents of socialization. (Alt)

CO222 Videography (2)
This course acquaints students with the aesthetics of digital story telling, focusing on basic concepts and techniques of script writing, directing, filming, lighting, non-linear editing and audio production for the development of career and ministry-focused documentaries and short features. The course also helps students understand videography as a communication skill, the blending of visual art and journalism.

CO223 Oral Interpretation (3)
A study of the art of communicating a literary work (and the Bible) in its intellectual, emotional, and aesthetic entirety.

CO233, CO243 Dramatic Arts I, II (3)
Examines the techniques and principles of acting. Students will perform a variety of in class scenes, will read and critique a variety of plays, and will attend and critique live performances. Enrollment is limited.

CO263-273 Print Journalism I, II (3,3)
Provides a basic knowledge of print, internet, and broadcast news. Involves hands-on development of a monthly publication. Prerequisite: EN123, 132. (Fall, Spring)

CO263-273 Print Journalism I, II (3,3)
Provides a basic knowledge of print, internet, and broadcast news. Involves hands-on development of a monthly publication. Prerequisite: EN123, 132. (Fall, Spring)

CO301-303 Drama-Production (1-3)
The practical application of drama techniques in connection with the production of a play. Acting parts by audition only—other activities by consent of play director. May be repeated for a maximum credit allowance of six semester hours. (Fall and Spring) (Alt)

CO311 Critique for Publication (1)
This course is designed to provide students with the opportunity to take their writing beyond academic acceptability to their personal best and possible publication. The emphasis will be rewriting and marketing. Offered on demand.
CO321–323 Journalism Lab (1–3)
The student publications workshop—J-Lab—provides students with hands-on experience in interviewing, reporting, writing, editing, photography, graphic design, advertising sales, marketing and business management. Students participate in weekly, monthly, semester and annual publications. These “clips” are often a student’s first published work; the clips help students obtain internships, which lead to post-university employment. May be repeated maximum credit allowance of six semester hours. Prerequisite: CO263.

CO333 Organizational Communication (3)
A practical approach to help leaders increase the effectiveness of their organizations. Students will produce a communications audit which covers superior/subordinate relations, network disorders, feedback processes, meeting strategies, and organizational speaking and writing. (Alt)

CO343 Advanced Speech (3)
Provides a professional forum for students to experiment with advanced skills. Prerequisite: CO 102 Enrollment is limited. (Alt)

CO353 Debate and Oratory (3)
Instruction and practice in competitive communication with an emphasis on dictation and application to both real-world and specific tournament conditions. Students receive individual assistance to prepare events for competition. General areas of preparation include the interpretation of literature, after dinner speeches, public address and debate. Designed to improve a wide variety of speaking skills and to provide opportunity for students to participate in intercollegiate forensics competition.

CO403 Intercultural Communication (3)
Principles and processes of intercultural communication. Emphasis is given to perception, ways of thinking, verbal and non-verbal communication, social organization and translation problems. (Spring)

CO413 Communication Internship (3)
Internships in cooperation with Internet, radio, television, newspaper, magazine, consulting, and drama-related businesses are designed to give practical training, as well as to provide work experience. Requires departmental approval.

CO413BL Effective Interpersonal Relations and Communication (3)
Investigates communication and relationships in creating a productive work environment. Effectiveness in personal and social relationships also is covered through readings and exercises concerning non-verbal communication, constructive feedback, dealing with anger, and resolving conflict. Students develop a model for effective relationships. Enrollment is limited to students in the Adult Degree Programs. (Fall and Spring)

CO423 Persuasive Theory and Writing (3)
Concentrates on persuasive writing. Included are sections on argumentation, organization, and the ethics of persuasion. Enrollment is limited. Prerequisite: EN123, 132. (Spring)

CO433 Public Relations (3)
Provides students with an understanding of how to communicate corporate ideals and products to a particular market. Topics include crisis communications, advertising, market analysis, media relations, and the production of collateral literature. With an emphasis on the practical, students work in small groups to design and implement a corporate PR program. (Spring, Alt.)

CO443 Interpersonal Communication (3)
Consideration of the techniques for good interpersonal communications, accompanied by small group discussions. Prerequisite: PS203. (Spring, Alt.)

CO491–493 Special Topics in Communication (1–3)
Focused studies on specific issues in communication. Requires instructor and department approval.
## COMPUTER APPLICATIONS

**CA111 Word Processing (1)**
A hands-on course designed to introduce students to the major word processing programs used in the workplace today. The class uses guided lab sessions to build skills in the basic and advanced functions of word processing applications on either the Apple Macintosh or the IBM PC. (Fall and Spring) Course fee: $25

**CA121 Spreadsheets (1)**
A hands-on course designed to introduce students to major spreadsheet programs used in the workplace today. The class uses guided lab sessions to build skills in the basic and advanced functions of spreadsheet applications on either the Apple Macintosh or the IBM PC. Also offered online through Corban Accelerated Online. (Spring, Alt.) Course fee: $25

**CA131 Databases (1)**
A hands-on course designed to introduce students to the major database programs used in the workplace today. The class uses guided lab sessions to build skills in the basic and advanced functions of database applications on the IBM PC using dBASE III+. (Fall and Spring) Course fee: $25

## COMPUTER SCIENCE

**CS313 Operating Systems (3)**
This course is a study of the theory and function of operating systems. Topics include memory management, processor scheduling, kernel development, and the installation, configuration, and administration of client and server operating systems. No prerequisites. (Fall) Lab fee: $25

**CS423, CS453 Development I-II (3)**
This course is a study of programming and the development of applications that use databases for back-end storage. Topics include basic optimization, debugging, Web browser programming, and security. Prerequisite: Development I. (Fall) Lab fee: $25

**CS441-3 Special Topic (1-3)**
This course provides the flexibility to offer special topics of interest in Computer Science. Prerequisite: Approval of the instructor and adviser. (Fall and Spring) Lab fee: $25

**CS4631, CS4632 Administration of Systems I-II (3)**
This course is the study of the fundamentals of the administration of database systems. Topics include configuration of database systems, user management, backup and recovery, and security. Prerequisite: Database Systems. (Fall) Lab fee: $25

## CRIMINAL JUSTICE

**CJ103 Administration of Justice (3)**
This course is one of the foundational classes to prepare individuals for a career in police, probation, parole, corrections, and private investigations. There will be a biblical, social, and professional perspective of the criminal justice system.

**CJ213 Corrections (3)**
This course will expose the student to prisons, county jails, correctional facilities, and the qualifications needed to be employed as a correctional officer.

**CJ313 Concepts of Criminal Law (3)**
This course examines the philosophy and structures of criminal law. Emphasis will be given to specific crimes, related law, and codes.

**CJ323 Criminology (3)**
This course will provide insight into crime, criminals, causes of criminal behavior, and the various treatment modules being practiced.

**CJ333 Crisis Counseling (3)**
This course will cover basic information on twenty different types of crisis situations, how to provide limited immediate service; problem solving, confidentiality, limited exposure to the DSM-IV and referral sources that deal with trauma and crisis.

**CJ343 Criminal Investigation (3)**
This course will give the student the opportunity to explore the fundamentals involved in the investigation of crimes, the techniques to collect and preserve evidenced, interrogation of suspects, and the interviewing of witnesses.

**CJ413 Juvenile Delinquency (3)**
This course provides a study of juveniles
and how they affect and are affected by the current juvenile justice system. The causes and treatment of delinquency will be reviewed, along with the procedures utilized at both the county and state level, as well as the issues of prevention and intervention. Employment opportunities in the field of juvenile corrections will also be discussed and explored. Also, offered online through Corban Accelerated Online.

CJ423 Applied Reporting Techniques for Criminal Justice (3)
This course provides a study of the techniques of communicating facts, information, and ideas effectively in a simple, clear, and logical manner, including various types of criminal justice systems reports, letters, memoranda, directives, and administrative reports.

CJ433 Legal Aspects of Evidence (3)
This course will cover the key rules of evidence and the applicability of these rules in criminal matters and provide an understanding of the rationale behind these rules. The course will also provide information on the proper use of search and seizure laws, including the use of search warrants, and the admissibility of evidence in legal proceedings. This course will also provide the opportunity for students to tour crime lab facilities and to speak with professionals working in evidence related areas of the Criminal Justice System.

CJ443 Internship (3)
This course is designed to provide the criminal justice student with hands on experience. As an internship, this course allows the student to master skills in a professional environment, thus adding authenticity to the learning experience. Students will complete a 150-hour internship program in a criminal justice system agency.

ECONOMICS

EC213 Macro Economics (3)
A study of economy as a whole. The focus is on aggregates such as the private and the public sectors. Topics explored are inflation, unemployment, monetary and fiscal policy. (Fall)

EC223 Micro Economics (3)
A study of the individual units within the national economy. The focus is on topics dealing with firms and households. (Spring)

EC491-493 Special Topics in Economics (1-3)
Focused studies on specific issues in economics. Requires instructor and department approval.

EDUCATION

ED100 Student Education Association (0)
Membership in the Student Education Association is required each semester, beginning the spring semester of the freshman year. A membership fee is assessed each term. Course fee: $10

ED102 Introduction to Education (2)
This course examines education in America and teaching as a profession from the Christian perspective. Emphasis is given to educational philosophies, historical perspectives, contemporary issues, governance, Oregon State licensure requirements, and other professional concerns. “Equity and the Oregon Educator” is taught as part of the course and meets an Oregon licensure requirement. It is a required initial teacher education course for all education majors, preferably taken during the fall semester of their freshman year. Class enrollment is limited. Prerequisite: Freshman or Sophomore class standing and/or being a transfer student. (Fall)

ED111 Field Experience I - OPE I (1)
During this course 30 hours of an observation/participation experience is required to introduce students to education from the teacher’s perspective. Students will be placed in an appropriate age level classroom (EC, EL, ML, HS) and may choose either a Christian or a public school. This course is to be completed in the semester immediately following ED102. Prerequisite: ED102 or consent of director. (Fall and Spring)

ED214 Intercultural Communication and OPE II (2)
This course examines the issues of culture in its relation to language learning and
acquisition as well as exposes students to the historic precedents, legal issues, and best practices of bilingual education. Students will explore issues related to communicating with culturally diverse families. The 30 hours of field experience allow students to see the practical side of the theory they learn in this class and to gain further insight into education from the teacher’s perspective. Prerequisite: ED111, sophomore standing, or consent of Director. (Fall)

ED222 Child and Adolescent Development (2)
The Child and Adolescent Development course is designed to cover a wide range of topics pertaining to the stages and process of human growth. Students will examine theories about the developing life-span, practical applications of the family environment and its influence on the child's development. Students will become familiar with the social, emotional, physical, cultural and spiritual changes that occur from early childhood (age 3 - grade 4), elementary age (grade 3 - 8), middle childhood (grade 5 - 10), and high school (grade 7 - 12). Enrollment is limited. Prerequisite: ED103 or consent of the director. (Fall)

ED232 Psychology of Education (2)
This course examines from the Christian perspective the important theories of human development, learning, and teaching which are practiced in classrooms today. Includes the stage theories of development, behavioral and cognitive learning theories and the information processing theory. Enrollment is limited. Prerequisite: ED102, ED222 or consent of director. (Spring)

ED302 Classroom Management and Discipline (2)
An examination of the strategies and theories of classroom management. This includes the physical environment, the psycho-social environment, management of daily routines, giving directions, records management, and various approaches to classroom discipline. The focus is on management and discipline in the early childhood and elementary classroom. Two sections of the course are offered in order to address the differences between developmental age levels: EC/EL and ML/HS. Enrollment is limited. Prerequisite: ED232, junior standing or consent of director. (Fall/EC/EL; Spring ML/HS)

ED312 Teaching Exceptional Children (2)
A course designed to introduce the student to the broad range of special needs of children that will be encountered in the regular classroom. A variety of issues, legislation, and legal principles pertaining to exceptionalities will be discussed. The course will cover general information common to all exceptionalities. Attention will focus on specific characteristics, classroom management and teaching strategies that will promote successful learning for all students, including those who are culturally and linguistically diverse. Two sections of the course are offered in order to address the differences between developmental age levels: EC/EL and ML/HS. Enrollment is limited. Prerequisite: ED232, junior standing or consent of director. (Fall)

ED330 Instructional Alignment I (3)
This is part one of a two-semester course designed to model the process of instructional alignment through all stages of curriculum development, including development of goals, objectives, content and strategies as they relate to the four levels of Oregon licensure. These concepts will be applied in age-group breakout sessions focusing on effective and developmentally appropriate teaching strategies. Micro-teaching sessions will allow students to practice the use of major teaching strategies. The course will culminate with the design and development of a three-day teaching unit, including all supplemental instructional materials. Prerequisite: ED232, junior standing or consent of director. (Spring)

ED331 Instructional Alignment II (2)
This is part two of a two-semester course designed to model the process of instructional alignment through all stages of curriculum development. This course builds upon the concepts presented in Instructional Alignment I. Students will be introduced to a variety of techniques appropriate for evaluating and assessing
at all levels of Oregon licensure. Additional emphasis is placed upon the effective integration of technology and other media into instruction. Concepts and skills learned in Instructional Alignment I and II will be applied in the culminating project of designing and assessing a ten-day work sample, which will be taught in Field Experience III. Prerequisite: ED313 or consent of director. (Spring)

ED341 Field Experience III - Practicum (1)
This course is preferably taken concurrently with ED323 Instructional Alignment II and either a content methods course (for ML/HS authorization levels) or MA393 Math for Elementary Teachers III (for EC/EL authorization levels). Students will teach a unit of instruction in a public or private classroom at their chosen primary authorization level. Students will be observed by both the classroom teacher and a university supervisor. Prerequisite: ED302, currently enrolled in ED322 and a methods course, junior standing, or consent of director. (Spring) Course fee: $40

ED349 Outdoor School (1)
This course requires students to prepare for and participate in a five-day outdoor school in conjunction with the Cascade School District. Students are assigned to a variety of responsibilities including the preparation and teaching of environmental study projects, campfire activities, and/or other recreational activities. Students also gain experience as camp counselors. Enrollment is limited. (Fall and Spring)

ED353B Methods and Materials in Bible Teaching (3)
Through coursework, research, and interviews, students will become acquainted with various teaching approaches and Bible curricula used in Christian schools. Students will explore teaching strategies and instructional materials that will enliven their Bible teaching. Stress will be placed on the discovery of biblical principles and their practical application to life situations. (Spring)

ED410 Philosophy of Education (2)
This course presents major philosophies and discusses their effect upon education. Each student writes a culminating philosophy of education paper from the Christian perspective. This includes the theological basis for education, educational goals, the role of the teacher, the nature of students, classroom discipline, curriculum and the teaching/learning process, and the relationship between the home, the church, and the school. Enrollment is limited. Prerequisite: senior standing or consent of director. (Fall and Spring)

ED 411 Introduction to Linguistics & Language Acquisition (3)
This course examines the nature of language. Key linguistic terms are presented and applied to the ESOL classroom. The course also surveys the language backgrounds of Oregon’s ELL population, identifies common language struggles of each group, and compares and contrasts the acquisition and development of listening, speaking, reading, and writing in first and second languages. Candidates determine professional goals as related to ESOL education. (Spring for Seniors)

ED 415 Methods and Materials–ESOL (2)
This course focuses on instructional strategies for developing social and academic English in ELL students. Participants explore and learn about commonly used methods and materials as well as the new English Language Development standards and methods which are currently being implemented in Oregon. Additionally, the course addresses curriculum design needs of the language classroom and the development of a personal philosophy of language teaching. Offered fall semester for seniors.

ED 416 Content Area Instruction and Assessment–ESOL (2)
This course centers on the ways in which all content areas may serve to strengthen ELL student fluency and language competency. The course will focus on sheltered instruction (including GLAD and SIOP) and scaffolding techniques, with specific emphases on developing ELL student comprehension, vocabulary enrichment, and developmental writing. Candidates will also develop fair and useful assessment tools to determine literacy and academic
learning and practice the administration, scoring, and interpretation of formal and informal tests of language proficiency. (Spring for Seniors)

**ED 418 ESOL/Bilingual Practicum (2)**
(In conjunction with one of the student teaching authorizations.)

The practicum is a supervised teaching experience of 90 contact hours in two authorization levels, and will be arranged individually for each candidate. The practicum is an opportunity to apply the learning from coursework. Candidates are to demonstrate competence in teaching both English and academic content to ELL students at a variety of English proficiency levels. In addition, candidates for the Bilingual Endorsement must demonstrate proficiency in the classroom use of the designated foreign language. Course fee: $100 (Spring for Seniors)

**ED 435 EC/EL Reading and Children’s Literature (4)**
This course is designed to introduce elementary education students to the major approaches and techniques for teaching reading in the early childhood/elementary classroom. Students will examine the developmental, remedial, and corrective techniques in reading. In addition, students will be introduced to the use of children’s literature as part of a literacy program, including reading the literature and learning criteria for evaluating the literature. (Spring)

**ED440FA Methods in Fine Arts (2)**
This course focuses on the study of fine arts (music, visual art, drama and dance) as well as the methods for teaching fine arts to children in the early childhood and elementary classrooms. These methods will be complimented by the study of the philosophies of arts in education as well as brief history of the arts. (Spring)

**ED44OLA Language Arts (2)**
This course focuses on materials and strategies for developing literacy in elementary classroom, focusing on writing, speaking, and listening. Class activities will help prepare students for the early childhood (EC) and elementary (EL) levels of licensure. Lessons will include developmentally appropriate activities that are related to language arts instruction. Prerequisite: senior standing and admitted to the Senior Block, or consent of director (Fall).

**ED440PE Physical Education (2)**
A course designed to introduce students to the broad range of physical fitness and movement education concepts necessary for early childhood through the elementary child. The course will expose students to general fitness concepts, developmental levels for skill development, curriculum and lesson planning tools, and legal responsibilities of physical education teachers in the early childhood and elementary classroom. (Spring)

**ED440SH Science and Health (2)**
This course prepares early childhood/elementary pre-service teachers to teach science and health in the classroom. The course will expose students to scientific literacy, general fitness concepts, developmental levels for general wellness, curriculum and lesson planning tools, and general health and science content for teachers in the early childhood and elementary classroom. The focus is on strategies that encourage learners to become active participants in science and health as well as to reinforce content mastery by the student. *Prerequisite: Senior standing and admitted to the Senior Block, or consent of Director. (Fall)*

**ED44OSS Social Science (2)**
This course focuses on materials and strategies for teaching social studies in the elementary classroom. Class activities will help prepare students for the early childhood (EC) and elementary (EL) levels of licensure. Lessons will include developmentally appropriate activities that are related to the six divisions of social studies: anthropology, economics, geography, history, political science, and sociology. Prerequisite: senior standing and admitted to the Senior Block, or consent of director (Fall).
ED456 ML/HS Content Area Literacy (2)
This course examines the importance of every middle level and high school teacher in the development of reading, writing, speaking thinking skills within his/her specific content area. Topics include reading levels and text readability, study methods, vocabulary development, comprehension, mapping, questioning, and small group skills. (Fall)

ED462 Field Experience IV — EC/EL Practicum I (4)
This is a semester-long practicum paralleling ED440 Senior Block Courses. This student teaching experience includes the teaching of two credit hours culminating in two work samples. Students are required to spend a minimum of ten hours per week in their assigned classrooms. This student teaching experience can complete the requirements for the student's second level of authorization. Prerequisite: senior standing and admitted to the Senior Block or consent of director. (Fall) Course fee: $125

ED463 Student Teaching - First Authorization (10)
This is a 10-15 week practicum consisting of both a student teaching experience and professional development seminars. The student teaching experience is completed in the student's primary authorization level. The Professional Development Seminars meet throughout the semester to reinforce, supplement, and build upon the student teacher's classroom experience and professional growth. Prerequisite: senior standing and consent of director and CEP. (Fall and Spring) Course fee: $275

ED464 Student Teaching - Second Authorization (2)
This is a 4-6 week practicum designed to allow students to add an additional authorization level. Students will be in a classroom with full-time teacher hours, and will teach at least one unit of study culminating in a work sample. Prerequisite: senior standing and consent of director and CEP. (Fall and Spring) Course fee: $125

ED491-493 Special Topics in Education (1-3)
Focused studies on specific issues in education. Requires instructor and department approval.

ENGLISH

ENO93 Writing Matters (3)
A paragraph-based (authentic) approach will be used to immerse students in the types of assignments they will be pursuing in college. Grammar will be emphasized through the writing process, rather than as a collection of assignments that function as stand alone activities. Students will demonstrate an appropriate-level of accomplishment on various assignments used in University classes.

EN102 Introduction to Literature (2)
This study of the literary types (genres) provides students with the basic tools needed for understanding and evaluating literature. The analytic techniques of discussing and writing about literature taught in this are basic to understanding literature. Offered only in Corban Accelerated Online.

EN122CA Introduction to College Writing (2)
College Writing I will develop the student's skills as a writer. The course is formatted for asynchronous delivery with instructor-facilitated online discussion forums. The student will examine Models for Writers, a book based on the rhetorical modes. The student will write four kinds of papers—narrative, thesis and support, classification, and comparison/contrast. Corban Accelerated Online

EN123, 132 College Writing I, II (3, 2)
College writing is a year-long required course designed to prepare students to think and write clearly, and to perform undergraduate level research. EN123 is a prerequisite for EN132 and must be taken in sequence. Enrollment is limited. (Fall, Spring)

EN 222, Creative Writing (3)
This is an introductory creative writing course. Students will write poetry, drama, and fiction. Students will keep a journal, critique each other’s work, and complete various exercises designed to spark their imagination and stimulate their writing skills.
EN304 Literature of the Middle Ages (3)
This course is an in-depth study of literature from the times of Beowulf to Chaucer, emphasizing the ability of great literature to reflect the age and the people that produced it and to cause modern readers to grapple with a highly different culture and language. Some of the Middle English will be read in the original, the rest in translation. (Spring, Alt.)

EN305 English Literature of the Renaissance (3)
This course is a profound study of the great flowering of English literature during the Renaissance, from the Tudor period to the Restoration, but including the works of John Milton. Using both dramatic and non-dramatic works, this course will emphasize the literary technique and the new ways of thinking manifested by many of England’s finest authors. (Spring, Alt.)

EN306 English Literature of the 19th and 20th Centuries (3)
This is a detailed study of the rise of Romanticism, the Victorian Age, and the sharp changes as England moved into the present. The course will stress both literary technique and the ideas that shook the world, as reflected in the literature. (Spring, Alt.)

EN307 19th Century American Literature (3)
Addresses the key ideas and major American writers of the nineteenth century. The boundaries of the study will be marked by the careers of Washington Irving, whose The Sketchbook was published in 1819, and Mark Twain. (Fall, Alt.)

EN308 20th Century American Literature (3)
Examines 20th century American literature as a means of understanding 20th century America. Students will read literature in a chronological sequence beginning with “The Outcasts of Poker Flat” by Bret Harte and ending with To Kill a Mockingbird by Toni Morrison. Students will study local color, regionalism, naturalism, and other major literary movements of 20th century America, including those involving ethnicity and gender. Students will read short stories, poetry, and at least four novels. (Fall, Alt.)

EN309 Russian Literature (3)
Surveys the great Russian novelists and playwrights of the last 150 years. Authors include Turgenev, Gogol, Dostoevsky, Tolstoy, Chekhov, Gorki, Pasternak, and Solzhenitsyn. (Spring, Alt.)

EN310 Middle European Literature (3)
Surveys the major modern fiction and drama of France and Germany beginning with the realists and naturalists of nineteenth century France to the French and German writers of our time. (Alt)

EN 311 World Literature: Irish (3)
A study of contemporary Irish literature, focusing on authors who have been actively publishing since the 1970s. Context for contemporary Ireland will allow for some study of James Joyce, but primarily the course will sample more modern novels and poetry. Authors studied will include Joyce, Deane, Doyle, Heaney, Eavan Boland, Edna O’Brien.

EN3131 Poetry Writing (3)
In a workshop format, this course will help students improve their poetry writing skills. Students will read and analyze published poems. Students will be coached on imagery and symbolism, voice, tone, format, and editing. Students will write various kinds of poetry. The course will guide students in market research and publication. The course will also include guest lectures from area poets.

EN3132 Play Writing (3)
Play Writing will coach students in the production of drama scripts. This workshop-formatted course will include instruction in dialogue, setting, the arc of conflict, character development and revelation, and stage direction. The course will culminate in the presentation of scripts during an evening of readers’ theater.

EN3133 Short Story Writing (3)
Short story writing offers instruction in the production of short fiction. Students will be coached in such elements of fiction as setting, character, dialogue, action, and plot. In addition, students will learn professional skills in marketing short fiction, including market research, submission
formatting and etiquette, and working with editors.

**EN323 English Literature of the 17th - 19th Century (3)**
Covering English literature from the Restoration to the Romantics (1660-1832), this course traces the development of the novel, the rising middle class, the Age of Enlightenment, and the Age of Sensibility. Both dramatic and non-dramatic literature are covered, including works by Behn, Austen, Sterne, Fielding, Defoe, Pope, Dryden, Swift, Blake, Shelley, Wordsworth, and Keats.

**EN333 Modern Dramatic Literature (3)**
This is an overview of major American and European drama from 1884 to the present, emphasizing methods and influence. Offered on demand.

**EN343 Creative Writing Nonfiction (3)**
Creative Nonfiction builds on skills developed and reinforced in EN123. In this course students produce narrative and reflective essays that grow out of personal experience. Course enrollment is limited to allow time for multiple drafts to be presented to the class for editing and discussion.

**EN353 ML/HS Content Methods — Language Arts and Social Studies (3)**
Examines the content of middle and high school language arts/social studies programs. Students explore current theory, methodology, and instructional materials for each field. The course involves collaboration, reading and sharing, and the development of a work sample and a teaching practicum. Prerequisite: currently enrolled in ED323 Instructional Alignment II or consent of director. (Spring)

**EN373 Literary Criticism (3)**
This course examines the writings of major literary critics from the ancient Greeks to the moderns. The major “schools” of criticism such as New Criticism, Reader-Response, Structuralism, Feminism, Psychoanalytic Criticism, Deconstruction, Marxism and New Historicism are also studied. Recommended for upper-division students. (Fall)

**EN383 Nature and Structure of the English Language (3)**
This course examines the origins and development of English from medieval to modern times. Studies of syntactic, morphological, and semantic changes in the word stock. Development of British and American English. (Spring)

**EN399H Honors Course (3)**
Each academic year a course on a selected topic is offered to students of the Honors Program. Previous course topics have included Christ and Caesar, America Between World Wars, Slavery’s Legacy, The Christian and Environment, The Holocaust, The Christian and War, etc. (Spring)

**EN412 Shakespeare (2)**
A study of values in the art and thought of England’s greatest poet, the course concentrates on the major tragedies of Shakespeare. Offered in Corban Accelerated Online only.

**EN413 Shakespeare (3)**
This course studies both Shakespeare’s plays and his poems. The primary focus is to examine each for literary elements and to explore meaning from an historical and modern perspective. (Fall) (Alt)

**EN423MI Masterpieces of Christian Literature I: Beginnings to 18th Century. (3)**
This course focuses on the major Christian literary artists and themes beginning with the Bible and extending through authors of the late 18th Century. Particular emphasis will be given to Augustine, Dante, Milton, Bunyan, and the devotional poets of the 17th century.

**EN423M2 Masterpieces of Christian Literature II (3)**
This course examines literature by major Christian writers beginning in the 18th Century and extending through the present day. Includes William Blake, Alfred Lord Tennyson, Christina Rosetti, Gerald Manley Hopkins, T. S. Eliot, Graham Greene, Dostoevsky, Tolstoy, Flannery O’Conner, George Macdonald, and C.S. Lewis and the Inklings, as well as various contemporary writers from throughout the world. Offered on demand.
EN433 Senior Seminar (3)
A class which provides an opportunity for a small group to investigate in depth the work of a particular author. Students will prepare both short papers and a significant long paper as part of the course (Fall and Spring).

EN433DP Devotional Poets (3)
This course combines literature with the Christian faith, studying selections from the religious poetry of John Donne and George Herbert (17th century) and Christina Rosetti and Gerard Manley Hopkins (19th century). Students will learn how Christian doctrine and personal Christian experience blend with literary experience, as well as the place of devotional poetry within the context of both religious and secular poetry. (Fall)

EN443 Specific Studies (2,3)
An intensive study of a single important literary figure or genre. (Fall and Spring)

EN463NW Novel Writing (3)
This course is designed to look at both how stories are made to give students opportunities to engage in the crafting of longer fiction. Students will participate in writing exercises, critique each other’s work, discover their writing style(s), and examine what it means to write from a biblical world view. Students will outline a novel and will complete two chapters.

GE202 World/Cultural Geography (2)
A survey of world geographic regions with special emphasis on understanding the world as the home of the human species and the cultural patterns governing the use of resources and its impact on the environment. Offered only in Corban Accelerated Online.

GE212 Geography of the Pacific Northwest (2)
This course is designed to acquaint students with the physical, demographic, and political geography of the Pacific Northwest. The major focus will be in Oregon and its relation to the world. Offered only in Corban Accelerated Online.

GE303 Geo-Cultural Research (3)
This is a directed research project where students choose a country and will be introduced to the geographical, historical, political, economic and cultural aspects of the land. Prerequisite: upper division standing and the consent of the instructor and program advisor.

GE91-493 Special Topics in Geography (1-3)
Focused studies on specific issues in geography. Requires instructor and department approval.

GR314, 324 Greek I, II (4,4)
An introductory course designed to instruct students in the fundamentals of grammar and the basic vocabulary essential for reading the New Testament in Greek. (Alt) (Fall, Spring) Course fee: $100

GR403, 413 Intermediate Greek I, II (3, 3)
Intermediate Greek provides a more comprehensive study of grammar and an introduction to more detailed and inductive study. Readings are selected from the New Testament. Drills for vocabulary expansion are used. Offered as an independent study only. (Prerequisite: GR304, 314)
GR491-493 Special Topics in Greek (1-3)
Focused studies on specific issues in the Greek language. Requires instructor and department approval.

HEALTHCARE ADMINISTRATION

HC 410 Introduction to Healthcare Administration (3):
This module provides an introduction to the major components of healthcare management. The focus of the course will include management functions and roles; understanding organizational culture and philosophy with an emphasis on the relationship between integrity and leadership; management of organizational behavior; organizational stakeholder identification; industry financial issues/analysis; strategic planning, implementation and evaluation; managed care organizations and types of healthcare delivery systems.

HC 415 Legal Concepts in Healthcare Administration (3):
This module provides a working knowledge of federal and state licensure/regulation of healthcare providers. Specific principles and policies addressed in the module are the general principles of liability and confidentiality for healthcare providers, patient rights and malpractice, employment compensation, insurance and government regulatory agencies. Basic concepts associated with risk management are also explored.

HC 420 Health Information Management (3):
This module introduces health information management concepts common to allied health professionals. The module will provide characteristics of health care delivery and settings in the United States, health information management professions and information management specific to acute, out-patient and alternative care settings. The module will describe and discuss types and content of patient records, health care terminology, documentation issues, numbering and filing systems, record storage and circulation, indexes, registers and health data collection. Legal aspects of health information management and an overview of coding and reimbursement will be covered.

HEALTH

HE212 Health Education (2)
A basic study of health principles and problems that confront the university student, family and community. Special consideration is given to implications for human sexuality and family; mental, emotional and spiritual health; and consumer education. (Alt)

HE401 First Aid and C.P.R. (1)
Instruction in basic emergency medical aid and safety procedures (American Red Cross certificate in First Aid and Cardiopulmonary Resuscitation). (Fall and Spring) Course fee: $30

HE491-493 Special Topics in Health (1-3)
Focused studies on specific issues in health. Requires instructor and department approval.

HISTORY

HI102 History of Western Civilization (2)
Western Civilization provides a survey of the history and culture of the Western World from the earliest civilizations to the present. Offered only in Corban Accelerated Online.

HI202, 212 American History (2)
American History covers the era of discovery, through the Colonial and Revolutionary periods, the War of 1812, the century of expansion, the Madisonian “Era of Good Feelings,” the outbreak of World War I to the present. Offered only in Corban Accelerated Online.

HI252 History Pacific Northwest (2)
A study of the political, religious, economic, and cultural life of the Pacific Northwest from the time of the First Nations (Indians) to the time of intensive industrialization during the World Wars of the middle 20th century. Offered only in Corban Accelerated Online.
HI303 History of the Middle East (3)
This course examines the political, religious, and socio-economic developments occurring in the Middle East from ancient times to the present. More emphasis will be placed on events which correspond to the rise of Arab nationalism following World War I. The people groups, or ethnography, of the region will also be emphasized.

HI303MA History of Modern Africa (3)
A survey of the political, social, and intellectual trends that shaped the African continent from the late colonial period through the present. (Spring, Alt.)

HI 313AW History of the American West (3)
The nineteenth century is the centerpiece for the History of the American West. In 1800 Indian nations ruled the West. By 1900, the Frontier Line was closed and the West was filled with railroads and ranches. It was a momentous century of fur trapping, gold fever, warfare, dishonor, industry, and risk-takers; men and women who shaped the West and were shaped by it. The history and geography of Oregon will also be an area of specific study in this course. (Alt.)

HI323 The American Presidency (3)
A study of the history of the presidency, and the nature and problems of presidential leadership. Particular attention is given to the interaction between the presidency and congress, public opinion, interest groups, the media, and the party system. (Alt)

HI333 History of Judaism and Christianity (3)
The moral and metaphysical framework that gave rise to Western Civilization is more attributable to the influence of Judaism and Christianity than to any other forces. This course surveys the great ideas, events, and people that helped to shape these two related faiths as they, in turn, have helped to shape the world. (Alt)

HI342CA Jewish History and Culture (2):
Jewish History and Culture gives the Corban student a fascinating look at the spiritual grandmother sitting behind and alongside of our own Christian faith. The student studies Jewish biblical interpretation, key historic events, Talmudic wisdom, the place of holy days, and the power of Jewish religious symbols by reading the highly acclaimed book *Jewish Literacy; The Most important Things to Know About the Jewish Religion, Its People, and Its History*. The author is the conservative Rabbi Joseph Telushkin, a teacher who is widely respected inside and outside the Jewish world.

HI363 Developing Nations (3)
In this course many cultural prisms are used to view the challenges and potential of newly industrialized and less developed nations. Religious, ecological, economic, and political issues confronting selected nations in Latin America, Africa, Middle East, and Asia are studied and discussed. Regional films, articles, and music are incorporated. (Alt)

HI373 History of Modern Europe (3)
This course is a study of Europe from the seventeenth century to the present. Special attention is given to the modern economic, social, religious, and political revolutions; national and imperial rivalries; World Wars I and II; and post-war adjustment. (Alt)

HI383 History of the British Isles (3)
This study ties together the history of England, Scotland, Wales, and Ireland by analyzing how these people groups have interacted with one another from Celtic times to the recent reestablishment of the devolved Scottish Parliament of 1999. From this small region have come notable people, ideas, and inventions which continue to impact our world. (Alt)

HI399H Honors Course (3)
Each academic year a course on a selected topic is offered to students of the Honors Program. Previous course topics have included Christ and Caesar, America Between World Wars, Slavery’s Legacy, The Christian and Environment, The Holocaust, The Christian and War, etc. (Spring)

HI403EA History of Modern East Asia (3)
An introductory survey of the political, economic, and cultural forces that shaped the countries of China, Japan, Korea, and Vietnam from the eighteenth century to the present.

**HI403FR History of American Foreign Relations (3)**
A survey of myriad factors – ideological, political, economic, and religious – influencing the structure and conduct of American foreign relations from the late-nineteenth century to the present.

**HI411-413 Special Topics in American History (1-3)**
Focused studies on specific issues in American history. Requires instructor and department approval.

**HI421-423 Special Topics in World History (1-3)**
Focused studies on specific issues in world history. Requires instructor and department approval.

**HI432 Senior Seminar in History (2)**
The seminar is a study of the practice of history by past and current historians and includes historiography, research methods, and the integration of Christian faith and history. The final outcome of the course is a research project.

**HI433 American Religious History (3)**
A study of the historical development of various religious movements in the United States, including Puritanism, revivalism, the social gospel, Catholicism, Judaism, and variant forms of Protestantism. Special attention is given to the reciprocal relationship between American religion and the larger American culture.

**HI443 The American Civil War Era (3)**
A study of the people and issues pertinent to this important period in the history of the United States. The course is designed to introduce the student to the principal factors that led to the Civil War, as well as the significant results of the internecine struggle. (Alt)

**HI453 Modern American History and Politics (3)**
A study of the major political, economic, diplomatic, and cultural developments in the United States since 1900. Special attention is given to the changing role of government at home, and the rise of the United States to prominence in the world. (Alt)

**HI463 American Constitutional Development (3)**
An examination of the Constitution through practice and important court decisions throughout the history of the nation. Special attention is given to judicial review, federalism, separation of powers, interstate commerce, the due process clause, and civil liberties. (Alt)

**HI473 History of Russia (3)**
This course studies the political, economic, religious, and cultural history of Russia from the rise of Kiev in the 9th century to the fall of the Soviet Union in 1991. Emphasis will be placed on the leading figures of the Rurik and Romanov Dynasties as well as the policies and major events that shaped Russia during these centuries. (Alt)

**HI4831 American Military History 1607-1898 (3)**
A survey of the political, social, and institutional trends that gradually shaped American military policy from the colonial era through the post-Civil War campaigns in the West.

**HI4832 American Military History Since 1898 (3)**
A survey of the political, social, and institutional trends that shaped American military policy from the Spanish-American-Filipino War through the post-9/11 era.

**HUMAN PERFORMANCE**

**HPI21 Fitness-Oriented Activities (1)**
A variety of fitness-oriented activities taught for student’s physiological, educational, social, and recreational values. Daily physical activity is performed and exercise physiology concepts are taught. This fulfills the fitness-oriented activity credit
for graduation. Not all courses are offered every semester or every year. Courses may be repeated for credit. (Fall and Spring) Course fee: $15 minimum (varies)

HP121BPWT  Backpacking
HP121B  Bicycling
HP121CT  Circuit Training for Women
HP121FC  Fitness and Conditioning
HP121AFC  Advanced Fitness
HP121LS  Lap Swim
HP121PC  Pilates and Carido
HP121R  Running
HP121RB  Rollerblading
HP121SD  Self Defense for Life
HP121ST  Strength Training
HP121WJ  Walking and Jogging

HP131 Skill-Oriented Activities (1)
A variety of skill-oriented activities taught for physiological, educational, social, and recreational value. Daily physical activity is required which will include skill development and game situations. The conceptual understanding of the game will include rules, strategies, terminology, and history. One of the following courses fulfills the skill-oriented activity required for graduation. Not all courses are offered every semester or every year. Courses may be repeated for credit. (Fall and Spring) Course fee minimum $15 (varies)

HP131BA  Advanced Baseball
HP131AB  Advanced Basketball
HP131AR  Archery (course fee: $55)
HP131BPWT  Backpacking
HP131B  Badminton
HP131BK  Basketball
HP131BW  Bowling (course fee: $95)
HP131FF  Fly Casting (course fee: $25)
HP131G  Golf (course fee: TBD)
HP131ID  Individual Sports
HP131MA  Martial Arts
HP131MT  Mountaineering (course fee: $80)
HP131P  Pickle Ball
HP131RC  Rock Climbing (course fee: $110)
HP131RH  Roller Hockey
HP131SD  Self Defense
HP131S  Soccer
HP131AS  Advanced Soccer
HP131SB  Softball
HP131TC  Tai Chi
HP131TS  Team Sports
HP131T  Tennis (course fee: $35)

HP13IV  Volleyball
HP131AV  Advanced Volleyball

HP201 Varsity Sports (1)
This activity does not fulfill the general education requirements for the HP activity course; however, a student may earn up to four elective credits in varsity sports to fulfill total graduation requirements. (Fall and Spring)

HP202 Introduction to Physical Education and Sport (2)
An introductory course with a professional orientation, exploring historical, philosophical value development, and career options within the fields of physical education, sports, fitness and recreation management. Attention is given to opportunities available and qualifications necessary for a profession in the related fields. Students are given opportunities for experiential involvement and observation to aid them in philosophical development and career choices. (Spring)

HP211 Psychology of Sport (1)
This is a course for students who desire to learn about psychological factors that influence athletes and exercise participants before, during and after physical activity. Defined as the science of the behavior of athletes, areas studied will include management of anxiety, increasing self esteem, reducing self defeating thoughts and enhancing performance. Learning how to apply principles of psychology to assist the athlete in their participation is a key component of the course. Students will experience first hand some of the skills used to assist athletes in areas such as relaxation, concentration, imagery, goal setting, positive thinking and team building. (Spring)

HP222 Coaching Sports: Theory and Practice (2)
An introductory course on coaching children, adolescents, and adults. Examines the role and responsibility of the coach, psychological and physiological factors affecting sports participation, conditioning and training, coaching styles and teaching methods. (Spring, odd year)
HP231TS or IS Professional Development in Activity (1)
This course is set up to challenge the Human Performance major to develop skills in an activity that is new to them. The student will learn the various skills of the activity and must meet a minimum proficiency. Knowledge of the activity, such as rules, strategies, and terminology are emphasized. The student will participate in drills and games.

HP243 Care and Prevention of Athletic Injuries (3)
Theoretical and practical approaches to sports training and conditioning, prevention, care and rehabilitation of activity related injuries. Prerequisite: SC3841 and SC3842 (Spring, odd year) Course fee: $35

HP312 Motor Development (2)
A study of the human development relating to the acquisition of motor skills, patterns, and control throughout the life span. The content of the course is mainly based on reviewing historical and current research to establish normal sequence of development necessary for acquiring functional and specialized movements. The course also addresses factors impeding or facilitating normal motor development through the life span. (Fall, even year)

HP313 Motor Learning (3)
A study of the process involved in learning movement in various activities and sports throughout the life span. Practical application of motor learning principles will include experiential activities in basic body management, body control, and fundamental motor skills. Analysis of movements based on perceptual concepts, mechanical principles, critical elements, and sequential progressions will be applied to foundational, advance, and rhythmic movement patterns. Emphasis of the lab will be on teaching, observing, and assessing the process of motor learning. (Fall, odd year)

HP321 Directing Experience in Exercise Activity (1)
This is a course for the student to put into practice the theory they learned in the HP361 course. The student will assist an instructor with a fitness oriented activity course. Some of the duties will be to evaluate, teach exercises and concepts, monitor student progress, adjust programs, fitness test, develop forms for such tests, create a fitness test, and provide assistance where necessary to safeguard the clients. Prerequisite: HP363 and HP423.

HP332 Sports Law (2)
A study of the practitioner’s role in the relationship between physical activity and legal issues. Research and discussion of court cases, and development of legal documents are a primary emphasis. Analysis of the legal aspects of sports, athletics, and other physical activity in contemporary society. Particular emphasis is given tort liability and risk management in coaching sport and teaching physical education. (Fall, even year)

HP333 Program Planning, Methods and Material (3)
An in-depth study of the process of developing teaching strategies and programs in physical education, sports, fitness and recreational services and management. Emphasis is given to theories, principles and methods of planning programs, development of objectives and preparation, and use of materials and resources. (Fall)

HP 343 Organization, Administration and Governance in PE/Sport (3)
A study of policies, procedures and current trends in organizing, administering, and governance in physical education, fitness, athletics, and recreation programs. Aspects include legal issues, finance, public relations, communication, private practices, and government regulations. Prerequisite: HP202 (Fall, odd year)

HP353 ML/HS Content Methods - Physical Education (3)
This course is designed to aid students in understanding, developing, and implementing the process of curriculum design, teaching procedures, strategies, and program development in middle and high school level physical education departments. Emphasis is given to the principles and methods in planning, development of goals, objectives, preparation and use of materials and procedures in the class setting. (Spring)
HP363 Exercise Prescription (3)
This course is the study of the theory and principles behind the development of exercise programs. Students will learn how to accurately evaluate and develop individual exercise prescriptions based upon sound scientific research. Exercise prescriptions will be developed in accordance with the guidelines set forth by the National Strength and Conditioning Association and the American College of Sports Medicine. Prerequisite: SC3841, SC3842, HP423. (Spring)

HP381 Coaching Athletics and Sports (1)
Emphasis on analysis of fundamental skill development and team play, player selection, strategy, rules, planning and conducting practice sessions, coaching methods, conditioning, game preparation and team management. Attendance at appropriate sport clinics and instructor approval is required. Prerequisite: Upper division standing and related HP activity course or consent of instructor. (Fall and Spring)

HP 401 Research I (2)
This class begins with a study of appropriate activity-related research methodology. The course is a writing-intensive experience that includes an in-depth review of literature, a research proposal, an application for approval from the Institutional Review Board, and a grant proposal. The student surveys the literature, gaining critical reading skills, and organizes existing knowledge into a written review. Writing technique is critiqued through both faculty and peer review. The research proposal is to be used as a springboard for research conducted in HP 402, Research II.

HP402 Senior Research II (2)
Experimental research is performed under the guidance and in the area of expertise of a faculty member that may include specialized topics in kinesiology/biomechanics, exercise physiology, nutrition, sport finance/budgeting, and physical activity. Students must have a pre-approved written proposal from Research I along with an accepted Institutional Review Board document, carry out the research, write the thesis, and orally defend it at a research symposium. Application details can be obtained from the Junior Research Seminar instructor, faculty research advisor, or department chair. Prerequisites: MA223, HP4O1. (Spring)

HP403 Therapeutic Exercise (3)
Methods, theories, and techniques in the rehabilitation of injuries to athletes and others engaged in physical activity. The evaluation of injuries relative to rehabilitation. Clinical experiences under the direct supervision of NATABOC Certified Athletic Trainers. The course includes basic components of a comprehensive rehabilitation program and theory and principles associated with the use of special evaluation/therapeutic exercise techniques. Laboratory experiences include practical use of manual testing techniques, goniometry, and the application of selected types of manual exercises. Prerequisites: SC3841, SC3842, HP423 (Fall)

HP404 Internship: Coaching (4)
The course is designed to provide practical professional experience within the coaching field, designed to give students on the job training while working under the supervision of professionals in public and/or private athletic organizations. The internship is expected to provide students with experience in a variety of situations, planning, leadership, supervision administration, evaluation, etc.

HP 413 Nutrition (3)
A study of normal, sport and special population nutrition for all ages relating to physical development and health; functions of the food nutrients and their requirements for digestion, absorption, metabolism, and planning of normal diets. Nutritional programs for the sports-minded people; current carbohydrate loading procedures, pre, during and post competition nutrition, myths and
HP422 Sport Issues and Ethics (2)
A seminar examining current research, issues, reform movements, trends and ethical dilemmas in the sport management field. Topics will include issues in intercollegiate athletics, the Olympic Movement, high school sport and private sector. Reading current texts and articles, discussion, reaction papers and evaluation of the opinions of experts in the field will be used as the foundation for the course. Prerequisites: Junior/Senior status Sports Management major. (Fall)

HP423 Physiology of Exercise (3)
Practical application of physiological principles relating to physical activity in exercise, conditioning and sport performance. Prerequisites: SC3841 and SC3842. (Spring, even year)

HP 443 Biomechanics (3)
Biomechanics is an introduction to mechanical, neuromuscular, and anatomical bases of human movement. The purpose of the course is to provide meaningful information concerning the biomechanical aspects of human performance in order to aid the instructor, exercise scientist, coach or therapist in evaluation and teaching of motor skills. The course provides an interdisciplinary approach to the quantitative and qualitative study of human motion, kinesiology, as it relates to basic loco motor and advanced physical movements or skills. This course also provides a scientific basis for evaluating the safety of movement-related activities. The expected outcome of this course is that the student will be able to understand and utilize the course content to become a reflective practitioner. Prerequisites: SC3841 and SC3842.

HP453 Facilities and Event Management (3)
This course provides students with an understanding of the complexities involved in sport facility and event management. Sport facility management includes a variety of activities such as planning and designing a sports facility, staff management, facility marketing, developing revenue streams, and facility scheduling and operating. Sport event management consists of identifying goals of the event, detailing the check list of activities to be done, and coordinating people in the organizations involved to achieve those goals with the resources available. (Spring)

HP460 Internship/Field Experience (3)
Offered on demand after fall term of junior year. Practical professional experience within the sports and fitness management field, designed to give students on the job training while working under the supervision of professionals in public and/or private organizations. The internship is expected to provide students with experience in a wide variety of situations, planning, leadership, supervision, administration, evaluation, etc. Prerequisite: Junior standing and consent of instructor and program advisor. May be repeated for credit.

HP491-493 Special Topics in Human Performance (1-3)
Focused studies on specific issues in human performance. Requires instructor and department approval.

HUMANITIES

HU103 Language (3)
A “dynamic immersion” approach to language learning utilizing the Rosetta Stone® method which incorporates Advanced Speech Recognition Technology, Speech Analysis Tools, Grammar and Spelling Components, and quickly immerses the student in language-learning activities. The assumption is that the student has not studied the language previously.

HU203 Language (3)
A “dynamic immersion” approach to language learning utilizing the Rosetta Stone® method which incorporates Advanced Speech Recognition Technology, Speech Analysis Tools, Grammar and Spelling Components, and quickly immerses the student in language-learning activities.

HU212 Fine Arts Appreciation (2)
A survey of painting, sculpture, architecture, and music throughout history; drama, dance, and literature will also be mentioned. The aesthetic qualities of significant works of art will be discussed from a Christian perspective. The prerequisite is a course in world history.

**INTERCULTURAL STUDIES (MISSIONS)**

**IS202 Global Perspectives (2)**
A survey of the biblical basis for missions. Special emphasis is given to cultural barriers in the communication process. Lessons are taken from the history of missions to develop contemporary strategies of present-day missions. Enrollment is limited. (Fall and Spring)

**IS322-328 Cross-Cultural Internship (2-8)**
Students have opportunities to apply principles learned in the classroom to a variety of cross-cultural work, such as ethnic church ministries, international student ministry, or tutoring English as a Second Language. Permission of the program advisor is required. Units of credit will be determined jointly between student and advisor. (May be repeated for credit.)

**IS362 Readings in Missiology (2)**
A course designed to enable students to pursue a structured reading program in historical, biographical and contemporary mission literature, to expose the future missionary to the available resources, and to be familiar with divergent views in mission thinking. (Fall)

**IS413 Geo-Cultural Research (3)**
This is a directed research course of the country of the student’s choice in which he/she will be introduced to the geographical, historical, political, economic and cultural aspects of the country, with special attention given to the ecclesiastical components involving the missionary history and contemporary situation. (Fall)

**IS421-423 Cross-Cultural Field Work (1-3)**
Academic credit is available for participation in a number of summer ministry programs. The program advisor will direct students in the course requirements. Application to the department must be made in the fall or winter quarter prior to the summer ministry. Students are responsible to meet any mission agency requirements and raise financial support. Registration for academic credit must be completed no later than the second semester following the cross-cultural experience.

**IS482 Senior Thesis: Contextualization (2)**
Students are provided with an introductory overview of contextualization and the need to proclaim the gospel in a way which will make the most impact on a given culture. The course intends to define in theory and practice an indigenous missionary philosophy which results in a contextualized gospel. Major attention will be given to the definition, development and theory of the term. Finally, the absolute necessity of national, indigenous participation in the implementation of gospel contextualization will be shown. Case studies will be used to illustrate the issues involved in contextualization.

**IS491-493 Special Topics in Intercultural Studies (1-3)**
Focused studies on specific issues in human performance. Requires instructor and department approval.

**INTERDISCIPLINARY STUDIES**

**ID101 Freshman Seminar (1)**
Freshman Seminar is an activity-oriented course designed to expose students to strategies, techniques, and skills recommended by students and professionals. The course will encourage students to make academic, social, and spiritual adjustments that contribute to success in college. (Fall and Spring)

**ID111 Student Success Seminar (1)**
The purpose of this course is to prepare students for greater academic, professional, and personal success. The course addresses academic skills and explores personal and leadership development.

ID114, 124 American Thought and
Culture I, II (4, 4)
An introductory study of significant developments in American history, literature, religion, philosophy, art, and music. Special attention is given to important people and movements that both shaped and were shaped by intellectual and cultural forces in America’s past. The first semester will cover events up to the Civil War era (1875); the second semester from post-Civil War to the present. Content in the ID114, 124 course sequence is approximately: 40% American history (worth 3.20 semester credits), 35% American Literature (2.80 credits), 10% philosophy (0.80), and 5% (0.40) each geography, music, and art. (Fall, Spring)

ID201 Practicum: Teaching Assistant (1)
This practicum allows students to participate as peer counselors in the Freshman Seminar. This includes involvement in orientation, class and tutoring. Leadership experience is provided in small group dynamics and an opportunity for strong individual support academically, socially, and spiritually. Prerequisite: selection by faculty and core advisors. (Fall and Spring)

ID202 Personal Development and Life Planning (2)
Leadership at its core is not about possessing a specific set of skills or having a particular personality but is about intimacy with God, honesty regarding self, and passion to serve. This highly participative course equips students to learn more about their own uniqueness and enables them to better understand and accept others. The course also offers an opportunity to develop a mission statement and a personal growth plan, two critical tools for planning one’s future. (Fall)

ID210OWWT Birds of Western Oregon
This course is an introduction to identifying the birds of Western Oregon. It teaches the student to recognize birds of Western Oregon. It teaches the student to recognize birds by sight and by sound. It focuses on bird species found on the Corban campus as well as three local wildlife refuges. Enhancing a Christian philosophy of sound environmental stewardship is also an important emphasis within this course.

ID212 Leadership Dynamics (2)
The focus of this class is to help students identify and integrate biblical principles of leadership. These principles, or “laws,” of leadership can be seen in the leaders of Scripture as well as throughout history. Through this course, students will be able to study various leadership models and techniques to apply to their own leadership experiences, as well as create their own leadership philosophy. (Spring)

ID214, 224 World Thought and Culture I, II (4, 4)
This comprehensive, year-long course provides a framework for understanding Western civilization, its intellectual and cultural lineage, weaknesses as well as strengths. Its roots are broader than often supposed including ancient Hebrew and Egyptian civilizations, influenced by African and Eastern thought. Such an understanding will then enable students to explore other cultures, especially those of the 20th century. The first semester will cover events from the beginnings to the Renaissance; the second semester from the Renaissance to the present. Content in the ID214, 224 course sequence is approximately: 30% world history (worth 2.40 semester credits), 30% world literature (2.40 credits), 10% world philosophy (0.80), and 5% (0.40) each geography, music, and art. (Fall, Spring)

ID 233: Leadership Development (3)
This course examines five critical facets of leadership that will shape a developing leader’s character and capabilities: Leadership Profile; Leadership Barriers; Leadership Mission; Leadership Perspective; and Leadership Change. (Fall)

ID403 The Western Intellectual Tradition (3)
A study of selected philosophers and philosophies that have shaped the Western cultural traditions from the Greco–Roman period through the Post-modern era. (Spring, Alt.)

MATHEMATICS

MA102CA Contemporary Math (2)
An introductory mathematics course designed to bring the variety and usefulness of mathematics to the nonspecialist. The
goal is to help students apply mathematics in problem solving and decision making for life, as well as to see God’s power in nature through mathematics. Enrollment is limited. (Fall and Spring)

MA103 Contemporary Math (3)
An introductory mathematics course designed to bring the variety and usefulness of mathematics to the nonspecialist. The goal is to help students apply mathematics in problem solving and decision making for life, as well as to see God’s power in nature through mathematics. Enrollment is limited. (Fall and Spring)

MA113 College Algebra (3)
An algebra course with emphasis on practical applications. However, to get to these applications, certain branches of algebraic theory must first be conquered. These areas include properties of the real numbers, linear equations and their solutions, functions and graphs, polynomial and exponential functions, and conic sections. Enrollment is limited. Prerequisite: MA103 or Algebra II in high school. (Fall and Spring)

MA133 Pre-Calculus (3)
This course provides a stepping stone to the Calculus sequence. It covers topics in and beyond College Algebra. A quick review of algebraic topics is surveyed, and then logarithmic, exponential and especially trigonometric functions are studied in detail. Prerequisite: MA113 or high school equivalent. (Fall and Spring)

MA223 Statistics and Probability (3)
An introductory statistics course designed for students of average mathematical ability. Some programs require the course, but some take it as a mathematics elective. The collection of data and its representation are studied through sampling techniques and graphs, while the analysis of the data is done through measures of central tendency, measures of variability, correlation, and hypothesis testing. Enrollment is limited. Prerequisite: MA103 or high school equivalent (Spring)

MA233 Calculus I: Differential (3)
Differential Calculus is the study of concepts first discovered by Liebniz and Newton in the late 1600s. These areas concentrate on properties of functions, beginning with a short review of College Algebra, then on to limits, slopes of tangent lines, known as derivatives, and applications of the derivative. Enrollment is limited. Prerequisite: MA113 or consent of instructor. (Fall)

MA243 Calculus II: Integral (3)
This course is the second in the calculus sequence and begins with a study into finding areas under curves and the applications of such a process. The course also covers topics such as logarithmic, exponential, and inverse trigonometric functions. Enrollment is limited. (Spring)

MA253 Calculus III: Sequence, Series and Vector (3)
The second year of calculus begins with a study of infinite series and sequences. Green’s theorem and Stokes’ theorem are discussed as well. Once these have been mastered, the course focuses its attention on conic sections, vectors, and vector valued functions. Enrollment is limited. Prerequisite: MA243. (Fall, Alt.)

MA262 Calculus IV: Multivariable (2)
This course completes the calculus sequence. The math student will learn about multivariable calculus. These things include partial derivatives, multiple integration, and differential equations. Enrollment is limited. Prerequisite: MA253. (Spring, Alt.)

MA312 Theory of Numbers (2)
In this course, the mathematical properties of integers and the people who discovered them are discussed at length. These include Euclid’s proof of the infinitude of primes, perfect numbers and their relation to Mersenne numbers, the Euler phi function, and Fermat’s last theorem. Enrollment is limited. Prerequisite: MA233 (Spring, Alt.)

MA313 Higher Geometry (3)
A survey of various geometric topics and proofs. These include transformational geometry, topology, Euclidean and non-
Euclidean geometry, integer geometry, and historical geometry proofs by the likes of Hippocrates and Archimedes. Enrollment is limited. Prerequisite: MA233 (Fall, Alt.)

**MA323 Linear Algebra (3)**
This course deals with systems of linear equations and their relationship to vectors. It covers topics such as matrix algebra, determinants, vector spaces, eigenvalues and eigenvectors, and orthogonality. Enrollment is limited. Prerequisite: MA233 (Spring, Alt.)

**MA333 Abstract Algebra (3)**
Abstract Algebra begins with an introductory look at inductive proof and then leads to an in-depth study of algebraic systems including groups, rings, and fields. The applications of this course range from transformational geometry to cryptography. Enrollment is limited. Prerequisite: MA243 (Fall, Alt.)

**MA353 ML/HS Content Methods-Mathematics (3)**
The course focuses on “hands-on,” activity based mathematics and learning. A combination of classroom lecture, group activities, as well as the development and implementation of a 10-day work sample will provide students with a variety of experiences in preparation for teaching in a middle or high school classroom. Content will focus on the NCTM Standards’ Prerequisite: currently enrolled in ED323 or consent of director. (Spring)

**MA363 Topics in Discrete Mathematics (3)**
This course is designed for mathematics and computer science majors and deals with a wide variety of mathematical topics. These include logic, proofs, set theory, algorithms, combinatorics, graph theory, and Boolean algebras. Enrollment is limited. Prerequisite: MA223. (Spring, Alt.)

**MA383 EC/EL Math I (3)**
This course presents a balance of content (what math should be taught) and methods/materials (how it should be taught) for teaching mathematics at the early childhood and elementary school level. Hands-on manipulatives are emphasized. This course does not fulfill the college general education math requirement. Prerequisite: junior standing or consent of director. (Fall)

**MA393 EC/EL Math II (3)**
This course is a continuation of MA383, and continues to present both content and methodology for mathematics instruction at the early childhood and elementary school level. The emphasis is a hands-on approach. Students prepare and teach a ten-day math unit in either a public or private elementary or middle school (in conjunction with ED323 and ED341). This course does not fulfill the college general education math requirement. Prerequisite: junior standing or consent of director. (Spring)

**MA403 Math Analysis (3)**
The ideas of Calculus and proofs are examined in greater detail in this course. These ideas include limits, sequences and series, convergence, differentiation, integration, and continuity. Enrollment is limited. Prerequisite: MA262. (Fall, Alt.)

**MA453 Special Methods in Content Area (3)**
This course is designed to help students develop specific teaching skills related to their individual content areas of expertise. Students will develop a complete teacher work sample.

**MA461-463 Special Topics in Mathematics (1-3)**
Focused studies on specific issues in mathematics. Previous courses offered have included Engineering and Math, Fibonacci Numbers, Math in Nature, etc. Requires instructor and department approval.

---

**MILITARY SCIENCE**

Courses are taken at either Oregon State University or Western Oregon University cross-registration. See Special Programs section of the catalog.
**MUSIC PERFORMANCE**

**MP Applied Music (private lessons) (1-2)**
Lessons in voice, piano, guitar, violin, and some other instruments are offered on campus. Organ lessons are taught by a member of the Corban faculty at a church building off campus. Other types of lessons may be taken off campus from a teacher selected and approved by the faculty. Students will begin studying at the 100 level. After several semesters of private study, the student may take a jury advancement examination to determine mastery of basic competence on the instrument (or voice). Passing this advancement exam allows the student to study at the upper division (300) level. Classes may be repeated for credit at each level. One credit is awarded for successful completion of a 25 minute lesson every week and a jury examination at the end of the semester. Two credits may be earned for a 50 minute lesson weekly and a jury exam. (Fall and Spring)

Course fee: 1 credit hour = $335; 2 credit hours = $670

**MPI31 Keyboard Class I (1)**
This class is an introduction to the piano keyboard designed to develop basic piano facility. The course may include instruction in notating music on paper. The class is limited to 7 students per section. There is no prerequisite for this course (no prior instruction in piano is expected). (Fall and Spring)

**MPI41 Keyboard Class II (1)**
This course offers technical studies and basic piano instruction, designed to develop general piano facility. Prerequisite: MPI31 or consent of instructor. (Fall and Spring)

**MPI51V1 Voice Class I (1)**
Students in this class will receive instruction in basic vocal techniques; recommended as preparation for private lessons or for basic information about using the voice. There is no prerequisite for this course. (Fall)

**MPI51V2 Voice Class II (1)**
Further instruction in vocal production is offered in this class. Music of various styles will be sung in class. Prerequisite: MPI51V1. (Offered when needed)

**MPI71G1 Guitar Class I (1)**
This class offers basic instruction in playing the guitar and reading music. No previous experience is required. Students must provide their own instruments. (Fall and Spring)

**MPI71G2 Guitar Class II (1)**
This course provides further instruction in playing the guitar. Prerequisite: MPI71G1 or consent of instructor. (Fall and Spring)

**MPI81G3 Guitar Class III (1)**
This course offers further instruction in playing elementary guitar literature, praise songs, and technical studies. Prerequisite: MPI71G2 or consent of instructor. (Offered when needed)

**MPI81G4 Guitar Class IV (1)**
Students receive continued instruction in playing elementary guitar literature, praise songs, and technical studies. Prerequisite: MPI71G3 or consent of instructor. (Offered when needed)
MP281 Praise and Worship Band (1)
Students who sing and play appropriate instruments meet weekly to study worship leadership and to prepare worship music for chapel services. These students may lead worship in chapel by invitation of the Chapel Music Director. May be repeated for credit. (Fall and Spring)

MP311C-312C Private Conducting (1-2)
These private lessons in conducting are available to students who have completed MU342. (Fall and Spring)

MP351VE Vocal Ensemble (1)
Select small ensembles may be formed by audition. (Offered when needed)

MP351CC Chamber Choir (1)
The chamber choir is a group of experienced singers who work together for a year to prepare and perform historically significant choral literature. The ensemble is designed to expand students’ choral skills and repertoire. Admission by audition only. May be repeated for credit. (Fall and Spring)

MP351CN Concert Choir (1)
A choral ensemble drawing its repertoire from a wide range of traditional and contemporary sacred literature. Performances may be scheduled in the community, in other cities, and at various school functions during late fall and spring terms. May be repeated for credit. (Fall and Spring)

MP351MC Men’s Chorus (1)
Tenors and basses in the Men’s Chorus perform standard choral repertoire and Christian music, both contemporary and classic. The Men’s Chorus frequently performs with the Women’s Chorale as the Concert Choir. No audition is necessary. May be repeated for credit. (Fall and Spring)

MP351WC Women’s Chorale (1)
Sopranos and altos in the Women’s Chorale perform standard choral repertoire and Christian music, both contemporary and classic. The Men’s Chorus frequently performs with the Women’s Chorale as the Concert Choir. No audition is necessary. May be repeated for credit. (Fall and Spring)

MP371B Concert Band (1)
The concert band is an ensemble of brass, woodwind, and percussion players which performs standard band literature, hymn tune arrangements, and worship music. No audition is necessary; the band is open to music majors and non-majors. May be repeated for credit. (Fall and Spring)

MP371G Guitar Ensemble (1)
This ensemble is made up of guitarists of various levels of experience. Prerequisite: MP171G2 or permission of instructor. (Fall and Spring)

MP371J Jazz Band (1)
The jazz band consists of brass, reed, and rhythm section players who perform jazz band literature as well as arrangements of hymns and praise songs. May be repeated for credit. (Fall and Spring)

MP371OR Chamber Orchestra (1)
The chamber orchestra is an ensemble of string players (violin, viola, cello, and bass) supplemented by other instruments as needed. They perform standard orchestral repertoire and other literature as selected by the director. This group may collaborate with the band or choirs for some performances. May be repeated for credit. (Fall and Spring)

MP381 Junior Recital (1)
A junior recital of approximately one-half hour may be given after two to three years of private study, based upon the approval of the music faculty. The student must be studying the instrument (or voice) in private lessons at the 300 or 400 level in the semester during which the recital is presented. Prerequisite: Advanced standing as a music major. (Fall and Spring)

MP481 Senior Recital (1)
A senior recital may be given by a performance major, following approval by the music faculty, after studying the instrument at the 400 level for one or more semesters and after presenting a junior recital. The program will last approximately one hour and will include music from at least four different style periods. A singer will include songs in at least two languages other than English. The student must
have studied privately in the performance area every semester and be enrolled for private lessons in the term of the recital. Prerequisite: MP381, Junior Recital. (Fall and Spring)

MP491 Off-Campus Ensembles (1)
Students may be given credit for participation in certain off-campus ensembles that do not duplicate or approximate ensemble opportunities on campus. Music faculty approval required.

- MP491PY Portland Youth Philharmonic
- MP491SB Salem Concert Band
- MP491SC Salem Chamber Orchestra
- MP491SY Salem Youth Symphony
- MP491WM Willamette Master Chorus

MUSIC

MU102 Introduction to Music (2)
This course offers instructions in basic aspects of music including rhythm, pitch, notation, aural discrimination, sight reading, and keyboard orientation. No previous knowledge of music is required. (Spring)

MU111AS Aural Skills I (1)
Students will build skills in sight singing and ear training at the beginning level. Emphasis is on the recognition and reproduction of intervals, scales, and triads, along with rhythmic exercises. Solfege and hand signs will be used. There is no prerequisite for this course. (Fall)

MU113 Music Theory I (3)
This course provides study of the basic harmonic elements of music, with emphasis on notation, scales, intervals, triads, key signatures, and beginning 4-part voice leading. Includes experience in the use of the computer for notating music. The student must be concurrently enrolled in MP131 or have demonstrated equivalent piano skills in an audition. The student must also be concurrently enrolled in MU111AS or have demonstrated mastery in a placement test. (Fall)

MU112AS Aural Skills II (1)
Students will receive further training in sight singing and ear training, utilizing intervals, scales, and triads in melodies. Rhythmic and melodic dictation will be included. Prerequisites: MU111AS and MP131 or consent of instructor. (Spring)

MU122 Music Appreciation (2)
This class is a study of the elements of music as found in classical music literature of all historic periods. Includes listening to recorded music. (Alt)

MU123 Music Theory II (3)
This course explores elementary harmony, including the nature of triads, cadences, harmonic progressions, and non-harmonic tones as well as further study of voice leading. The student must be concurrently enrolled in MP141 and MU121AS or have demonstrated equivalent skills. Prerequisites: MU113, MU111AS, and MP131. (Spring)

MU124 Technology in Worship Ministries (2)
This course explores the role of technology in corporate worship services. Students will become familiar with sound systems, video systems, recording, MIDI, etc. (Fall or Spring)

MU160WA Worship Arts Practicum (O)
The student will participate weekly in a local church ministry for a minimum of 2 hours per week. May be taken up to 4 times. (Fall and Spring)

MU202 Introduction to Worship Studies (2)
This is a study of biblical, historical and cultural aspects of worship, enabling students to develop a broader understanding of worship. Field trips will be taken to explore different church worship traditions and philosophies and how they have developed historically. (Fall)

MU211AS Aural Skills III (1)
This is a continuing study of ear training and sight singing, including altered tones and melodic and harmonic dictation. Prerequisites: MU121AS and MP141 or consent of instructor. (Fall)

MU213 Music Theory III (3)
Students will continue to study harmony, including non-dominant seventh chords, altered non-harmonic tones and secondary dominants, modulations to closely related
keys, and borrowed chords. The student must be concurrently enrolled in MP231 and MU211AS or have demonstrated equivalent skills. Prerequisite: MU123, MU121AS, and MPI41. (Fall)

MU221AS Aural Skills IV (1)
This course provides advanced study of ear training and sight singing with melodic and harmonic dictation and keyboard harmony. Prerequisites: MU211AS and MP231. (Spring)

MU222 Music Charting (2)
This is an examination of the variety of music notation used in the church today, including writing for choirs, orchestra, piano/ keyboards and rhythm section. The student will develop skills in the use of Finale or another faculty-approved notation program. Instruction in basic arranging techniques will be included. Prerequisite: MU213. (Spring)

MU223 Music Theory IV (3)
This is an advanced study of harmony, including modulation, borrowed chords, augmented 6th and Neapolitan 6th chords, 3rd relationships in harmony, and 9th, 11th, and 13th chords. The skills used in choral arranging will be discussed. The student must be concurrently enrolled in MP241 and MU221AS or have demonstrated equivalent skills. Prerequisites: MU213, MU211AS, and MP231. (Spring)

MU232 Lyric Diction (2)
Students will be introduced to correct diction for singing in English, Italian, Latin, German, and French, based on the use of the International Phonetic Alphabet. Prerequisite: MPI1VOCA. (Offered when needed)

MU Techniques Studies
Each techniques study focuses on preparation for teaching instrumental music at the elementary and secondary levels. Attention is given to the fundamentals of each instrument family, addressing common problems inherent in playing and teaching at a basic level. Each of these labs meets two hours each week of the semester. Prerequisite: MU113 Music Theory I or permission of the instructor. (Alt)

MU231 Percussion Techniques (1)
MU241 Woodwind Techniques (1)

MU251 Brass Techniques (1)
MU261 String Techniques (1)

MU282 Choral Techniques (2)
This class prepares the student to teach choral music at the middle and secondary levels by developing strategies for effective choral rehearsals, integrating the national standards of the National Association for Music Education, acquiring useful tools, and designing and teaching lessons. Prerequisite: MU332 or permission of the instructor. Corequisite: MP351CC/MC/WC. (Alt)

MU300ME Music Education Professional Activity (0)
Music education professional activity engages music education majors in professional organizations and activities. MU300 students are able to become involved in their future peer organizations, attend professional conferences and developmental seminars, and to build connections with music education professionals. Membership fee is assessed each term.

MU312 Orchestration (2)
Students will examine the range, timbre and function of the instruments of the orchestra and smaller ensembles, and the challenges of writing and arranging for these instruments. Prerequisite: advanced standing as a music major. (Fall, Alt.)

MU313 Music History I (3)
This course is a study of the development of music from Old Testament times through the 18th century. The emergence of notation, polyphony, tonality, meter, harmony, and homophony will be examined. The ascendance of the major forms used in Western music will also be discussed. Prerequisite: MU123. (Fall)

MU322 Form and Analysis (2)
Students will examine and analyze the structural forms of music. Prerequisite: advanced standing as a music major. (Fall, Alt.)

MU323 Music History II (3)
Students will survey music in the 19th, 20th, and 21st centuries. Emphasis will be given to European and American composers and their works. Students will listen to
recorded and live performances of significant music from these eras. Prerequisite: MU123. (Spring)

**MU332 Conducting I (2)**
This course provides an introduction to the basic patterns and skills of conducting, both choral and instrumental. Prerequisite: MU123. (Fall, Alt.)

**MU342 Conducting II (2)**
This class offers further study of the techniques and skills of conducting. Prerequisite: MU332. (Spring, Alt.)

**MU352 Organization and Administration of School Music (2)**
Students will survey the historical, philosophical, psychological, sociological, and political factors and functions of music in schools as they relate to current principles and practices in education today. Attention will be given to administrative operation of music education programs, curriculum design and implementation, management of music materials, human relations in teaching music, and aspects of the music educator’s professional development. Prerequisite: MU123 and any Techniques course. (Fall)

**MU353MH Methods and Materials for Middle Level and High School Music (2)**
This course provides a study of methods and materials for teaching music in grades five through twelve. Students will be trained to teach choral and instrumental music at the beginning through more advanced levels. Students will survey the Oregon Department of Education’s goals, state-adopted music curricula, budget planning, vocal and instrumental program planning, writing and teaching lessons, planning units of instruction, and research in music education. Field work may be required. Prerequisite: MU352. (Spring)

**MU363WA Worship Arts Internship (1,3)**
The student will participate weekly in a local church ministry for a minimum of 3 hours per week for one credit (MU361) or 9 hours per week for 3 credits (MU363). The intern must submit a written proposal signed by the local church supervisor to the Worship Arts director before beginning the internship. MU361WA may be taken three times. (Fall and Spring)

**MU382 Worship Leadership Skills (2)**
This class will examine techniques used in leading corporate worship and rehearsals as they apply to the rhythm section, orchestra, choir, vocal ensemble, drama and technical support personnel. The spiritual aspects of leading a ministry will be addressed, exploring the relationships within church leadership and the worship ministry. Prerequisite: TH312. (Fall, Alt.)

**MU392 Song in Worship (2)**
This course will explore the developing use of songs in corporate worship, including psalms, hymns, and contemporary songs. Students will survey the history of worship song from ancient times to the present. Resources for congregational songs will also be examined. Prerequisite: MU313 or consent of instructor. (Spring, Alt.)

**MU403 Worship Planning and Administration (3)**
Students in this class will explore and design worship services that incorporate various ways of worshipping together, including drama, music, preaching, video, testimony, prayer, and scripture reading. Issues that affect corporate worship will be examined. In addition, the class will study the administration of worship ministry: recruiting, managing people, budgets,
paid staff, working on a pastoral staff, use of computers to manage the program, etc. Prerequisites: TH312 and MU382. (Fall, Alt.)

**MU412 Choral Composition and Arranging (2)**
Students will explore basic principles of writing choral music, arranging and adapting existing music for all vocal combinations from the solo to eight-part unaccompanied choir. (Spring, Alt.)

**MU413 Pedagogy and Literature (3)**
This course provides an introduction to the principles of teaching music privately and administering a private studio. Instruction includes a survey of curricula, teaching repertoire, and standard performance literature. Observation of off-campus teachers may be required. Prerequisite: advanced standing as a music major, including completion of four or more semesters of private lessons in the area of concentration. (Offered when needed)

- **MU413GT** Guitar Pedagogy and Literature
- **MU413OB** Oboe Pedagogy and Literature
- **MU413ST** String Pedagogy and Literature
- **MU413SX** Saxophone Pedagogy and Literature
- **MU413VO** Voice Pedagogy and Literature etc.

**MU422P Piano Literature (2)**
Students will survey the repertoire of the piano and associated keyboard instruments. Consideration will also be given to the historical development of keyboard instruments. Prerequisite: advanced standing as a music major, including at least four semesters of private instruction in piano. (Fall, Alt.)

**MU431 Teaching Practicum (1)**
Students will teach beginners and elementary-level students under the supervision of the instructor. (Offered when needed)

- **MU431GT** Guitar Teaching Practicum
- **MU431OB** Oboe Teaching Practicum

**MU432P Piano Pedagogy (2)**
Students will be introduced to the principles of teaching music privately and administering a private studio. They will survey piano curricula and teaching repertoire. Observation of off-campus teachers may be required. Each student will teach a beginner under the guidance of the instructor. Prerequisite: advanced standing as a music major, including completion of four or more semesters of private piano study. (Spring, Alt.)

**MU461 Composition I (1)**
This is an opportunity for individualized instruction in composing and/or arranging music. Prerequisite: advanced standing as a music major. (Offered when needed)

**MU471 Composition II (1)**
This course offers continued instruction in composing and/or arranging music. Prerequisite: MU461. (Offered when needed)

**MU491-493 Final Project**
A student doing a final project should present a proposal to the advisor, describing the scope of the study or project and the method to be employed. After the advisor approves the proposal, the student will begin working on the project and will meet regularly for guidance and evaluation. At the end of the project, the student will write a reflection recording what was experienced and what was learned during the project. Prerequisite: advanced standing as a music major. (Fall and Spring)

**PHILOSOPHY**

**PHI223 Logic (3)**
Logic provides a critical examination of the processes of reasoning, with special attention to common faults. The emphasis is on traditional logic with a brief survey of symbolic logic. (Alt)
PH303 History of Philosophy (3)
A survey of the history of philosophy from the Pre-Socratics to the present. The main emphasis will be understanding the story of important thinkers, especially the nature of their philosophy—the “attempt to discover what life is best worth living and what ideals are most worth pursuing.” Students will participate in the direct reading of philosophical classics. (Fall) (Alt)

PH399H Honors Course (2-3)
Each academic year a course on a selected topic is offered to students of the Honors Program. Previous course topics have included Christ and Caesar, America Between World Wars, Slavery’s Legacy, The Christian and Environment, The Holocaust, The Christian and War, etc. (Spring)

PH481 Senior Thesis (1)
One of the capstone courses for the Theology major, this project provides the opportunity for individualized guided research. Students will choose a topic in consultation with a faculty advisor. That topic will be explored and the results presented in a formal research paper and in an oral presentation.

PH491-493 Special Topics in Philosophy (1-3)
Focused studies on specific issues in philosophy. Requires instructor and department approval.

POLITICAL SCIENCE

PO103 Introduction to Politics (3)
This course considers the nature, goals and processes of politics in theory and practice. It also surveys the major forms of government and explored key issues of world politics. (Alt)

PO203 National Government (3)
An introduction to the study of the American national government and of the constitutional principles upon which it is based. (Fall, Alt.)

PO223 State and Local Government (3)
A survey of the practical operation, contemporary issues and problems relative to government at the state and local level, especially related to Oregon. (Alt)

PO402 Pre-Law Seminar (2)
Individual and small group projects acquaint students with various law schools, assist in choice of law schools, assist in law school application, and meet with attorneys and legal professionals to discuss aspects of a legal career. (Fall)

PO463 International Politics (3)
A course which examines the development of the international system of nation-states, concepts such as power, balance of power, and sovereignty, and issues such as foreign policy decision making, causes of war, and nuclear arms control. (Alt)

PO491-493 Special Topics in Political Science (1-3)
Focused studies on specific issues in political science. Requires instructor and department approval.

PO499 Legislative Internship (1-3)
The legislative internship provides students with opportunities to observe the daily functioning and processes of state government, allows students to interact with elected officials and their staff, and prepares students to become more effective citizens in society.

PSYCHOLOGY

PS202CA General Psychology (2)
An introduction to the important topics in the field, such as behavior, motivation, attitudes, problems of motivation, intelligence and its measurement, learning and remembering, and personality. (Fall and Spring)

PS203 General Psychology (3)
An introduction to the important topics in the field, such as behavior, motivation, attitudes, problems of motivation, intelligence and its measurement, learning
PS223 Lifespan Development (3)
This course offers students a life-span approach to the physical, cognitive, psycho-emotional and spiritual/moral development of humans at various ages. This course begins with conception and continues with a theoretical and practical approach to the stages and challenges of the periods of growth during infancy, early childhood, middle/late childhood and adolescence through early, middle and late adulthood, and death and dying concerns. Attention is given to the barriers and resolutions of conflicts at the various stages of the adult’s life. Attention is given to the hereditary, cultural, and environmental contexts that affect human development. Major developmental theories are examined in the light of a biblical perspective for human growth.

PS243 Community Agency Counseling (3)
Introducing students to the field of social work, this course focuses specifically on the helping relationship as a resource for clinicians and clients. The course explores a general approach to practice that applies to enhancing human system functioning at any level, including individual, couple, family, group, organization, community, and society. It describes generalist processes and actuates a social work, value-centered approach that respects human dignity, advocates social justice, and explores the dual challenge of enhancing human functioning and creating responsive environments. (Spring)

PS244 Youth and Adolescent Pathology (3)
A study of behavior and/or illness that is out of cultural, societal and developmental norms. Family system, values, beliefs, communication styles and traditions are studied with a focus on the societal, cultural and environmental impact and conflicts upon the youth and adolescent. (Fall)

PS301 Practicum: Student Personnel Counseling (1)
Supervision of personnel and practical experience in group dynamics within a residential setting. Prerequisite: Appointment as a Resident Assistant. May be repeated once. (Fall and Spring)

PS303 Social Psychology (3)
Social interaction as it conditions the development of personal group behavior, studies of human motivation and attitudes, social norms and roles, crowd behavior, public behavior, and propaganda. Small group patterns and processes in the development of self are studied. Prerequisite: PS203. (Fall)

PS303FS Human Development I (3)
Human Development classes offer students a life-span approach to the physical, cognitive, psycho-emotional and spiritual/moral development of humans at various ages. This course begins with conception and continues with a theoretical and practical approach to the stages and challenges of the periods of growth during infancy, early childhood, middle/late childhood and adolescence. Attention is given to the hereditary, cultural, and environmental contexts that affect human development. Students in the degree completion program have a different class format. Enrollment is limited to students in the Adult Degree Programs. (Fall and Spring)

PS313 Personality Theory (3)
Primary theoretical systems: Freudian, neo-Freudian, humanists, contemporary learning systems. Prerequisite: PS203 (Fall, Alt.)

PS313FS Human Development II (3)
This course is a continuation of the historical and theoretical perspectives on growth and human development from the period of adolescence through early adulthood, middle adulthood, late adulthood and death and dying concerns. Attention is given to the barriers and resolutions of conflicts at the various stages of the adult’s life. Issues around aging and illness are of special concern. Major developmental theories are examined in the light of a biblical perspective for human growth. Students in the degree completion program have a different class format. Enrollment is limited to students in the Adult Degree Programs. (Fall and Spring)

PS323 Psychology and Christianity (3)
A consideration of the presuppositions
of psychology and Christianity and a discussion of such topics as faith healing, conversion, the cause of abnormality, glossolalia, etc. The course will be team-taught by three faculty members, one each from Humanities, Social Sciences and Biblical Studies. Prerequisite: PS203 (Spring)

**PS343 Industrial Organizational Psychology (3)**
This course is designed to develop students' awareness of the application of psychology in organizations and industries. Prerequisite: PS203 (Spring)

**PS353 Psychology of Addiction (3)**
Examines the causes, process and treatment of addiction and the impact that addiction has on the individual, family, and social systems. Attention is given to the background and history of drug use and behavior with an emphasis on identification of the key components of addiction, its process, and treatment. A variety of treatment philosophies will be examined as well as types of resources available to families and the individual. Also offered online through Corban Accelerated Online. Prerequisite: PS203 (Fall)

**PS363 Group Dynamics (3)**
This course begins with an examination of various aspects of groups, including stages of group formation, group structure, roles and leadership styles. Theories of group process are presented. Some assessments for personal group style are presented and implemented. The purpose of the course is to increase students' information about group dynamics, and to enhance students' skills in a group setting. Also offered online through Corban Accelerated Online. (Alt. Spring)

**PS371 Practicum I: Counseling Psychology (1)**
The purpose of the practicum experience is to build advanced interpersonal skills and counseling knowledge. Students will have the opportunity to practice counseling/interviewing experiences and have those experiences critiqued by peers and instructors. Students are expected to integrate knowledge of counseling theory and techniques with scriptural understanding. Prerequisite: PS383 (Fall and Spring)

**PS373 Marriage and the Family (3)**
Marriage and the Family studies courtship, engagement, marriage, marital relationships and adjustments. (Spring)

**PS383 Counseling I (3)**
A study and appraisal of theory and techniques of counseling. Topics include counseling theories and familiarization with basic counseling skills. Introduces students to theory and skills essential to effective interpersonal relations. For the Family Studies major the emphasis is placed on interviewing strategies for the analysis and assessment of family life issues for the purpose of appropriate educational recommendations. Prerequisite: PS203 (Fall) Adult Degree Programs will include suffix FS: Fall and Spring

**PS391-392 Practicum III: Personnel Management (4)**
Leadership management that includes planning, selecting, training, and supervising people who function in an institutional setting such as churches, residential treatment centers for the handicapped, penal and health care facilities. May be repeated for credit. (Fall & Spring)

**PS393 Counseling II (3)**
This course is a survey of issues and techniques in individual, group, and family counseling. Active participation in class utilizes role play and group dynamics. Advanced counseling skills will be introduced and practiced. Prerequisite: PS383 (Spring)

**PS401-402 Practicum IV: Development Psychology (1-2)**
Observation of a particular age group in clinical or non-clinical settings with particular reference to developmental phenomena of growth and behavior-application of basic diagnostic and therapeutic methods. Units of credit to be determined by instructor. (Fall and Spring)

**PS413 Abnormal Psychology (3)**
Introduces students to the theoretical and practical aspects of abnormal behavior. Students will become familiar with the vocabulary, major classifications, major theoretical frameworks, differential diagnosis, and practical aspects of mental illness. The overview course is designed to prepare students for advanced study
PS414BL or PS414FS Adult Development and Life Planning (4)
The emphasis is on the experiential nature of nontraditional education and adult development theory. Students will be familiar with various theories and instruments that will provide a cognitive basis for personal analysis and understanding. The objective is personal discovery and affirmation through examination of one’s strengths and the subsequent adjustments that may assist areas of personal growth. Enrollment is limited to students in the Adult Degree Programs. (Fall and Spring)

PS414DC Development and Life Planning (3)
The emphasis is on the experiential nature of nontraditional education and adult development theory. Students will be familiar with various theories and instruments that will provide a cognitive basis for personal analysis and understanding. The objective is personal discovery and affirmation through examination of one’s strengths and the subsequent adjustments that may assist areas of personal growth. Enrollment is limited to students in the Adult Degree Programs. (Fall and Spring)

PS423 History and Systems of Psychology (3)
An advanced study of the philosophical and historical foundations, presenting the people and movements that have made psychology the science it is today.

PS431 Senior Seminar (1)
A seminar which offers students opportunities to focus their knowledge and skills in a way that helps them transition to a vocation or preparation for graduate school. Students will develop a portfolio, take a practice Graduate Record Exam (GRE), develop a Christian view of the work place, establish personal goals, etc. (Fall)

PS441-442 Guided Research (1-2)
Individual student projects related to a problem or situation involving the application of psychology principles in the area of understanding human behavior or counseling. Prerequisites: PS383 and PS393. (Fall and Spring)

PS453 Psychology of Learning (3)
Course reviews the fundamental principles of learning to include memory, cognition and the learning process. Learning theory is applied to human behavior in educational and therapeutic settings, special problems patterning to learn, such as learning disabilities and styles are examined. Prerequisite: PS203

PS462 Psychology of Women (2)
This class will study research concerning the psychology of women, and will discuss psychological issues of importance to women. Students will analyze social, cultural, historical, and spiritual influences on individual psychology. Prequisite: PS203

PS473 Dispute Resolution (3)
Dispute Resolution offers an overview of conflict management theory and practice. Dispute resolution procedures such as basic problem solving, preventative negotiations, mediation and arbitration are reviewed and practiced in the classroom. Prerequisite: PS203. (Spring)

PS482-486 Internship (1-6)
Students or faculty will develop various types of college, church and community services for the purpose of applying principles learned in the psychology program. Permission of instructor required. Units of credit to be determined by instructor. *May be repeated for credit. (Fall and Spring)

PS492 Special Topics in Psychology (2)
Focused studies on specific issues in psychology. Requires instructor and department approval. *May be repeated for additional credit. Prerequisite PS203

SCIENCE

SC114 Biology I (3)
Biology I is a survey of principles of molecular and cellular biology. The following topics are covered in this course: the process of scientific research, chemistry of life, metabolism, cellular structure and
function, the cell cycle, meiosis, and genetics. Concurrent enrollment in SC114L is required. (Fall)

**SC114L Biology I Lab (1)**
This laboratory course involves “hands-on” opportunities to investigate principles related to cell structure, the cell cycle, meiosis, transmission genetics, molecular genetics, and biotechnology. Concurrent enrollment in SC114 is required. (Fall)

**SC124 Biology II (3)**
Biology II is a survey of principles of organismal biology. The following topics are covered during this course: prokaryotes, protists, fungi, plants, animals, animal nutrition, circulation, respiration, defenses of the body, regulation of the internal environment, chemical signals, animal reproduction and origins. Concurrent enrollment in SC124L is required. Prerequisite: SC114 (Spring)

**SC124L Biology II Lab (1)**
This laboratory course involves “hands-on” opportunities to investigate biological principles related to various taxonomic groups and human anatomy and physiology. Concurrent enrollment in SC124 is required. (Spring) Lab fee: $50

**SC133 Scientific Inquiry: Physical Sciences (3)**
This course focuses on the nature and practices of science. The course also presents the history and context for the development of understanding of astronomy, physics, and chemistry through studies of selected topics. Energy is a unifying theme of these topics. Through the study of God’s creation, the student will also be challenged to better understand their Creator. Specific subject knowledge will be developed and applied. Concurrent enrollment in SC133L is required. (Fall and Spring)

**SC133L Scientific Inquiry: Physical Sciences Lab (0)**
Students will complete 12 laboratory experiments investigating the physical sciences. The experiments will emphasize the application of the scientific method. Concurrent enrollment in SC133 is required. Lab fee: $50

**SC143 Scientific Inquiry: Life Sciences (3)**
Scientific Inquiry: Life Sciences students will apply scientific methodology and problem solving in the study of biological concepts. The course examines the origin of life, the classification of life, the characteristics of life, cellular processes, body systems, genetics and the omnipotence of God, the Creator. Concurrent enrollment in SC143L is required. (Fall and Spring)

**SC143L Scientific Inquiry: Life Sciences Lab (0)**
Students will conduct laboratory investigations and activities utilizing scientific methodology. Concurrent enrollment in SC143 is required. Lab fee: $50

**SC203 and SC203L - The Human Body (3)**
This course is an examination of the human body in the states of health and disease. The topics of cells, tissues, mechanisms of disease and the systems of the body will be covered. (Spring Alt.)

**SC204 Zoology (3)**
This course is an examination of the morphology, anatomy, physiology, and ecological characteristics of the various taxa of animals. Concurrent enrollment in SC204L is required. Prerequisite: SC114 and SC124

**SC204L Zoology Lab (1)**
This laboratory course will emphasize an investigation of the morphological and anatomical features of the various taxa of animals. Concurrent enrollment in SC204L is required. Lab fee $50

**SC214 General Chemistry I (3)**
Chemistry is the study of the structure of matter. This survey course covers principles, concepts, and methods which are basic to the study of chemistry. Topics include atomic structure; stoichiometry; gases, liquids, and solids; reaction processes, chemical energy; and bonding theories and concepts. Concurrent enrollment in SC214L is required. (Fall)

**SC214L General Chemistry I Lab (1)**
Laboratory experiments are used to demonstrate chemical principles. Activities will
investigate reaction processes, apply atomic theories and energy concepts, and utilize stoichiometry. Concurrent enrollment in SC214 is required. Lab fee: $50

**SC224 General Chemistry II (3)**
Chemistry is the study of the structure of matter. This survey course will investigate evidence for the atomic theory of matter and will seek to interpret and apply atomic theories. Topics of study include kinetics; equilibrium, acids, bases, and buffers; electrochemistry; nuclear chemistry; organic and biochemistry; and characteristics of element groups. Concurrent enrollment in SC224L is required. Prerequisite: SC214 (Fall; Spring)

**SC224L General Chemistry II Lab (1)**
Laboratory experiments demonstrate and investigate chemical principles. The activities will investigate reaction processes, apply atomic theories and energy concepts, and utilize stoichiometry. Concurrent enrollment in SC224 is required. Lab fee: $50

**SC252 Human Genetics (2)**
This course is an examination of the basic principles of human genetics including the following topics: cell cycle, mitosis, meiosis, Mendel’s Laws, Non-mendelian genetics, sex determination and sex-linkage, molecular genetics, and various genetic technologies. A laboratory component is involved. Available in Corban Accelerated Online only.

**SC254 Botany (3)**
Botany provides an overview of the physiological and metabolic processes of plants. The course will survey photosynthesis and plant metabolism, mineral nutrition and ion uptake, water relations, transport processes, regulation of plant growth and development, biometrics, and a special emphasis on whole plant physiology. Concurrent enrollment in SC254L is required. Prerequisite SC124.

**SC254L Botany Lab (1)**
Botany Lab investigates plant physiology. Concurrent enrollment in SC254 is required. Lab fee: $50

**SC304 Medical Microbiology (3)**
This course involves an examination of functional anatomy of bacteria, viruses, fungi and protozoans. Topics such as pathogenicity, microbial control, epidemiology, immunology are covered. The infectious diseases of the various body systems are also covered. Concurrent enrollment in SC304L is required. Prerequisite SC124. (Fall, Alt.)

**SC304L Medical Microbiology Lab (1)**
This laboratory course involves an examination of various microorganisms, methods of staining, culturing and isolating bacteria and an examination of the medical applications of various laboratory techniques. Concurrent enrollment in SC304 is required. Lab fee: $50

**SC314 Organic Chemistry I (3)**
Organic Chemistry provides an examination of the basic principles of organic chemistry. The emphasis is on molecular structure, reactions of functional groups, and mechanisms of reactions. Concurrent enrollment in SC314L is required. Prerequisite: SC224 (Fall)

**SC314L Organic Chemistry I Lab (1)**
Organic Chemistry Lab provides experiences in techniques used in the study of organic chemistry and in organic reactions through the analysis and synthesis of organic compounds. Laboratory experiments will be conducted on both micro and macro scales. Concurrent enrollment in SC314 is required. Lab fee: $50

**SC324 Organic Chemistry II (3)**
Organic Chemistry provides an examination of the basic principles of organic chemistry. The emphasis is on molecular structure, reactions of functional groups, and mechanisms of reactions. Concurrent enrollment in SC324L is required. Prerequisite: SC314 (Spring)

**SC324L Organic Chemistry II Lab (1)**
Organic Chemistry Lab provides experiences in techniques used in the study of organic chemistry and in organic reactions through the analysis and synthesis of organic compounds. Laboratory experiments will be conducted on both micro and macro
scales. Concurrent enrollment in SC324 is required. Lab fee: $50

SC353 ML/HS Content Methods (3)  
ML/HS content methods focuses on “hands-on” activity based science learning. Students will develop and implement a 10 day work sample and participate in other exercises in preparation for teaching biology in a middle or high school classroom.

SC364 General Ecology (3)  
This course builds an understanding of general ecology through real world applications. Topics include the interactions between organisms and biotic/abiotic environments, the integration of interactions within a technological world, environmental issues and ethics, and interrelationships of humanity with the world and its natural resources. Concurrent enrollment in SC364L is required. Prerequisite: SC124

SC364L General Ecology Lab (1)  
This lab provides students with practical investigations of ecological principles. Concurrent enrollment in SC364 is required. Lab fee: $50

SC374 Genetics (3)  
This course examines Mendelian genetics, the chromosomal basis of inheritance, non-Mendelian genetics, genetic mapping, mutations and DNA repair, gene expression, gene regulation, and biotechnology. Concurrent enrollment in SC374L is required. Prerequisite: SC114, SC124, SC314. Corequisite: SC324. (Spring, Alt.)

SC374L Genetics Lab (1)  
The laboratory course involves experimentation and analysis of genetic principles in the areas transmission genetics and molecular genetics. Concurrent enrollment in SC374 is required. Lab fee: $50

SC3841 and SC3842 Human Anatomy and Physiology (3)  
Human Anatomy and Physiology I is an examination of chemical principles, cells, tissues, and the following systems: integumentary, skeletal, nervous, and endocrine systems. Human Anatomy and Physiology II is an examination of the following systems: cardiovascular system, lymphatic system, respiratory system, digestive system, urinary system, and the reproductive system. Additionally, human development and inheritance, and fluid, electrolyte, and acid-base balance will be examined. Concurrent enrollment in SC3841L and SC3842L is required. Lab fee: $50

SC3841L & SC3842L Human Anatomy and Physiology Lab (1)  
The laboratory course provides students with a hands on investigation of the various systems of the human body. Concurrent enrollment in SS3841 and SC3842 is required.

SC4031 Biochemistry (3)  
Chemistry of biological systems: amino acids, proteins, enzymes and catalysis; carbohydrates, lipids and membranes; metabolism and its regulation; gene structure, replication and expression. (Alt.)

SC414 Physics I (3)  
Physics I focuses on the study of energy within mechanics, heat, kinetic theory, and sound. The course requires an understanding of algebra and trigonometry. Concurrent enrollment in SC414L is required. Prerequisite: MA113. (Fall)

SC414L Physics I Lab (1)  
Physics I Lab provides the student with hands on investigation of moving objects, thermodynamics, and sound. Students will complete formal investigations and lab reports. Concurrent enrollment in SC424 is required. Lab fee: $50

SC424 Physics II (3)  
Physics II focuses on the study of energy related to electricity, magnetism, optics and modern physics. Requires an understanding of algebra and trigonometry. Concurrent enrollment in SC424L is required. Prerequisite: MA113. (Spring)

SC424 Physics II Lab (1)  
Physics II Lab provides the student with hands-on investigation and applications of electricity, magnetism, optics, and modern physics. Students will complete formal investigations and lab reports. Concurrent enrollment in SC424 is required. Lab fee: $50
SC453 Cell and Molecular Biology (3)
This course examines life at cellular and molecular levels of organization. Particular emphasis is placed on clinical applications of the structure and function of cells in health and disease. The course will examine how cells interact with their environment, and the processes of intracellular signaling, and cellular reproduction. This course will also focus on the cellular and molecular events related to the immune response and cancer. Prerequisites: SC114, SC124, SC214, SC224.

SC491– 493 Special Topics in Science (1–3)
Special topics in science provide focused studies on specific issues of interest to science majors. Enrollment in this course requires approval of the instructor and department.

SOCIOLGY

SO203 General Sociology (3)
Introduction to basic sociological concepts concerning the individual, culture, and group life. (Fall)

SO333CA Child Abuse and Neglect (3)
This course is an examination of the nature and consequences of violence that occurs within the family setting, specifically to children birth through 17. Issues to be studied include child physical abuse, sexual abuse, emotional abuse and neglect as well as prevention and treatment for offenders and victims. The issues of abuse and neglect will be studied using theory and research, and case studies will be analyzed and discussed within the context of current developments. Offered online through Corban Accelerated Online.

SO333FS Family Violence and Dysfunction (3)
This course is an examination of the nature and consequences of violence that occurs within the family and community setting. Issues to be studied include spousal abuse, intimate partner violence, dating violence, and elder abuse as well as prevention and treatment for offenders and victims. This social phenomenon will be studied using theory and existing research, and case studies will be analyzed and discussed within the context of current developments. Offered online through Corban Accelerated Online.

SO343FS Social Psychology I: Marriage and the Family (3)
The course addresses human relationships and the dynamics of marital and family relationships using secular and Biblical principles. Students learn to analyze personal interactions and the characteristics of strong families. Singleness as an alternative to marriage is evaluated. Enrollment is limited to students in the Adult Degree Programs. (Fall and Spring)

SO353FS Social Psychology II: Parenting (3)
The course has been designed to assist the family life professional in establishing a foundation for understanding the dynamics of parent-child relationships. Parenting is presented as a process that changes over time. Both child and parent develop across the life span. Topics covered are areas of concern to parents and to professionals working with parents. These include definitions, changing conceptions of parenthood, communication, discipline, guidance, self-esteem, child abuse, day care, single parenting, and step-parenting. Enrollment is limited to students in the Adult Degree Programs. (Fall and Spring)

SO363FS Social Psychology III: Ethnicity, Social Class and the Family (3)
This course focuses on the effect of cultural and ethnic diversity in human development and family issues. Students examine cultural and ethnic diversity in the definition of family and family patterns. The main goal is the development of sensitivity and awareness so that students can identify ethnicity and family patterns. Enrollment is limited to students in the Adult Degree Programs. (Fall and Spring)

SO433FS Family Theory (3)
This course assists students in developing a biblical based theory of the family. The major contemporary theories are analyzed in the context of biblical principles. Students, as potential family life professionals, are helped to develop a basis for family
education and wellness activities. It also analyzes human relationships, developmental perspectives, and current issues affecting the family. Enrollment is limited to students in the Adult Degree Programs. (Fall and Spring)

SO463 Generational Differences (3)
An examination of the social characteristics of Baby Boomers, Busters, Xers, etc. A comparison and contrast of the different generations—their distinct worldviews, factors that influenced them, and areas of intergenerational conflict with the goal of using this information to provide insights on how to work with various age groups.

SS403FS Family Facilitation Programming (3)
Students will become acquainted with the essential principles for developing and delivering programs for families, with some emphasis on all groups. The focus will be how the special learning needs of family members translate into program design. Through class exercises students will gain some experience in all phases of program implementation. This will include actual development and demonstration of a family wellness program. Enrollment is limited to students in the Adult Degree Programs. (Fall and Spring)

SS413FS Ethics and Policies: Family Studies (3)
A seminar that helps family life professionals gain valuable insight into the science and practice of family life education and consultation. It introduces students to legal, ethical and professional concerns that shape family policy and well-being. Enrollment is limited to students in the Adult Degree Programs. (Fall and Spring)

SS414-416FS Internship: Family Studies (4-6)
The independent study project is individually designed for the interests and needs of each student. It is an integrative activity. It brings together family life education concepts and real life situations. Skills such as researching, interviewing, program design and evaluating programs will be developed. This experience allows students to practice the biblical understanding and principles that have guided the learning in previous modules. Enrollment is limited to students in the Adult Degree Programs. (Fall and Spring)

SS453 Special Methods in Content Area (3)
This course is designed to help students develop specific teaching skills related to their individual content areas of expertise. Students will develop a complete teacher work sample.
SPANISH LANGUAGE

SP113-123 First Year Spanish (3, 3)
Introduction to Spanish Language (including listening, speaking, reading and writing), facilitated by the study of vocabulary, grammar, short readings and guided conversation. Classes are to be taken sequentially. (Fall and Spring)

SP213, 223 Second Year Spanish (3, 3)
Extensive practice in all four language skills (reading, writing, speaking, and listening). Included are cultural and literary readings and an in-depth review and expansion of basic Spanish grammar and vocabulary. Classes are to be taken sequentially. Prerequisite: SP113 and 123 First Year Spanish. (Fall and Spring)

THEOLOGICAL STUDIES

TH132 Evangelism (2)
Biblical Evangelism emphasizes the practical application of Biblical principles to the experience of believers in our present age, and gives instruction in methods and resources for personal witness.

TH202 Baptist Heritage (2)
A biblical and theological analysis of the principal positions and distinctive of Baptist Christians. The approach is based upon the historical emergence of theological issues from New Testament beginnings present trends. (Fall and Spring)

TH262 Bioethics (2)
Bioethics examines issues of science and bioethics related to the beginning-of-life, the end-of-life, and genetic technologies. (Spring, Alt.)

TH303 Religious Movements (3)
A survey of the modern religious movements throughout the world, including the major world religions and cults. The student will be involved in directed research of the religions in selected areas of the world, with particular focus on the cultural antisocial inter-relationships reflecting a people’s world view. Methods of missionary encounter with these religions and cults will be presented to equip the student for more effective evangelism. (Fall)

TH312 Theology of Worship (2)
Examines the central themes of worship within Scripture to develop a personal definition of worship. The course also explores the differences between individual and corporate worship and discusses the theology of leadership as it applies to worship in the church. (Spring, Alt.)

TH313, 323 Christian Theology I, II (3,3)
An advanced study of Christian doctrine which gives students an overall system of theology. It is a study of bibliology, theology proper, Christology, pneumatology, anthropology, hamartiology, soteriology, angelology, ecclesiology, and eschatology. Prerequisite: BI202. (Fall, Spring)

TH333 Christian Ethics (3)
A study of various systems of ethics, methods of forming Christian ethical guidelines and judgments and their biblical foundations; the Christian responsibility in relation to issues in personal ethics, bioethics, sexual ethics, and social ethics. Prerequisite: BI202. (Spring)

TH342 Johannine Theology (2)
A study of the themes or motifs in the Apostle John’s gospel and epistles. Prerequisite: BI123, BI202, TH313, TH323 (Alt)

TH399 Christianity and Contemporary Culture (2)
This course will use theological reflection to develop an understanding of contemporary culture and its relationship to the Christian faith that will give guidance, support and depth to Christian life-long ministry. This course will familiarize the student to the nature and history of Christianity’s interaction with Western culture. The student will learn to ‘exegete’ sources of cultural understanding including film, literature, music, and television; this exegesis will help the student evaluate innovative approaches to the Christian faith which responds effectively to contemporary culture.

TH403 Apologetics (3)
A study of the relationships between faith and reason, the course includes a study...
of the evidences, internal and external to the Word of God, which support Christian truth. Prerequisite: TH313, TH323. Enrollment is limited. (Fall, Alt.)

**TH413 Contemporary Theology (3)**
A study of the major theological developments since the turn of the century such as liberalism, neo-orthodoxy, fundamentalism, evangelicalism, process theology, liberation theology, etc. Prerequisite: TH313, TH323 (Fall, Alt.)

**TH423BL or FS Christian Faith and the Modern World (3)**
This course nurtures an appreciation for the rich resources of the Scriptures—for creative personal faith and life in the modern world. It is designed to integrate faith, learning and living. Enrollment is limited to students in the Adult Degree Programs. (Fall and Spring)

**TH433, TH433FD, TH433DC Biblical and Worldviews: (3)**
Judeo-Christian beliefs and values have been challenged and taken under aggressive attack by fundamentally different systems of thought. To address this phenomenon, in Biblical and Worldviews, students will review the shaping influence of philosophies such as Existentialism, Naturalism, Humanism and New Age, as well as core assumptions embodied in Postmodernism. At the same time, drawing on content from the entire BOL program, the course challenges students to reflectively develop and articulate a clear worldview as a Christian, focusing particularly on individual beliefs and values and their impact on decision making and thoughtful responses to other worldviews.

**TH434BL Biblical and World Views (4)**
A capstone course in which students formulate a philosophy of life, providing the base for such concerns as ethics in business, accountability in government, respect for human rights, and a responsible lifestyle in our contemporary world. Ethical theories and personal values are examined through readings, analysis of the workplace, and classroom discussions. Enrollment is limited to students in the Adult Degree Programs. (Fall and Spring).

**TH463 Biblical Spiritual Formation (3)**
This course is designed to give an overview of the dynamics involved in the formation of mature character in the life of a Christian. Students will develop a biblical theology of Christian spiritual formation and develop an appreciation for the traditions and rich heritage of faith found within Christian spirituality through the ages.

**TH481 Senior Thesis (1)**
One of the capstone courses for the Theology major, this project provides the opportunity for individualized guided research. Students will choose a topic in consultation with a faculty advisor. That topic will be explored and the results presented in a formal research paper and in an oral presentation.

**TH491-493 Special Topics in Theology (1-3)**
Focused studies on specific issues in theology. Requires instructor and department approval.
STUDENT LIFE

The Office of Student Life serves the Corban community by providing services, training, programs, and environments which nurture spiritual, mental, emotional, social, and physical development in and out of the classroom.

One of the most valuable considerations in choosing a university is the school’s instructors. Some of the most important instructors are not salaried; they are fellow students. The high character of the students at a Christian University is, therefore, one of its strongest assets. Students will study not only history, literature and philosophy, but also a way of life.

Corban students are cooperating, vital members of the Body of Christ. While students come from different perspectives, they respect, care, work with, and pray for one another.

NURTURING THE SPIRIT

Corban attempts to enhance the Christian life of its students in a variety of ways:

Required courses in Bible: Every major at the University requires that the student enroll in Bible and theology courses to satisfy degree requirements.

Chapel Services: chapel services are held three days a week for worship, for sharing, for learning, and for empowering students to impact their world for Christ.

The Church and Community Service program (CCS) provides opportunities for students to explore servant leadership through volunteer opportunities and to enhance spiritual growth through spiritual formation activities. Because service to others is a basic part of the Christian faith, and spiritual growth is a biblical mandate, all students are required to participate in Corban’s CCS program. Students may work independently or in groups to fulfill this requirement. This is a requirement for graduation and is recorded as P/F on student transcripts.

Church Attendance: all students are expected to attend regularly and participate actively in the services and life of a local evangelical church.

STANDARD OF CONDUCT

Because a major purpose of the University is to promote personal growth, Corban University seeks to provide the instruction and atmosphere essential to the development of spiritual maturity.

The motivating force of all actions should be the love of God, rather than the desire to please people, or the fear of punishment. Christians who are thus motivated should express the highest standards of conduct in all their relationships. Their love for truth will lead them to avoid all forms of lying, deceitfulness and cheating. They will respect law and authority in general as well as the government and its officials. They will obey them when consistent with Scripture, and will perform the duties of good citizens. They will manifest allegiance to the Body of Christ on earth by faithful attendance at the services of the local church and by participation in its ministries. Their respect for the property of others will restrain them from stealing, and from careless or reckless use of others’ possessions. A sense of dignity of human life will prevent them not only from willfully or carelessly causing the death of another, but also from destroying the reputation of another through malicious gossip. They will observe the Scriptural injunctions of love,
obedience, and fidelity within their homes. They will show proper respect for their bodies, which are the temples of the Holy Spirit, by abstaining from immorality and practices harmful to the body. This respect should extend to their attitude toward and treatment of other persons.

In questions of doubtful activities, certain broad scriptural principles are useful for guiding conduct. First of all, Christians should consider that the rights of others are more important than their own; they should realize that inner righteousness surpasses any external law or constraint and that their scale of values should emphasize the positive good rather than a mere abstinence from evil; and they should govern their actions by things which make for peace, edify one another and glorify God (Rom. 14:19).

In light of Scriptural principles, Corban expects its faculty, staff and student body to refrain from certain practices in contemporary culture which are offensive to the weak Christian conscience. The university also expects that in matters of entertainment its faculty, staff and students will exercise discretion and restraint in all choices.

**STUDENT CLUBS AND FELLOWSHIPS**

Associated Student Body
All students who have paid the student activity fee are considered members of the Associated Student Body (ASB). The purpose of ASB is to provide a student government that develops unity and mutual understanding among campus organizations, promotes and upholds Christian principles, and fosters vital cooperative student-faculty relations in every area of campus life. ASB officers are elected each spring and include president, vice president, treasurer, communications coordinator, student ministries coordinator, student activities coordinator, student organizations coordinator and media arts coordinator.

Student Organizations
Anyone wanting to initiate a student organization may obtain forms in the ASB office. Student organizations may be formed around special interests and must abide by the guidelines established for recognition by the ASB. Student organizations may petition for funds at the beginning of each semester and are responsible for the distribution of those funds.

**STUDENT ACTIVITIES**

Activities and special social events include the following: Beach Party, concerts, music ensembles, Barn Party, Senior Banquet, LumberJack Games, intramural sports, Thanksgiving Turkey Trot, Richard L. Caulkins Lecture Series, missionary conference. The Counseling Office provides short-term counseling services to assist students in problem solving and personal growth.

In addition to the activities listed above, students may be asked to serve on various committees. Students also find numerous opportunities for recreation and enrichment in the surrounding area, including the Oregon Symphony Orchestra, skiing in the Cascade mountains, museums and art galleries, professional sports, Salem area amateur and church sport leagues, observation of the state legislature, backpacking, or simply exploring the beautiful Oregon Coast.
ATHLETICS AND INTRAMURAL SPORTS

Corban offers intercollegiate competition in men’s and women’s basketball, men’s and women’s soccer, baseball, softball, men’s and women’s cross-country, men’s and women’s track, volleyball, and men’s and women’s golf. Corban is a member of the National Association of Intercollegiate Athletics (NAIA) and competes in the Cascade Conference.

In addition, every student may participate in a well-organized intramural sports program including competition in team, dual and individual sports, personal fitness contests and recreational games.

STUDENT HOUSING

All students under the age of 21 are required to live on campus, unless they have junior or senior status, are turning 21 during the upcoming academic semester, or have lived on campus for four (4) semesters. Studies show that living on campus enhances the likelihood that students will be satisfied with their undergraduate experience, will achieve in extracurricular activities, and will graduate.

All rooms in the residence halls are equipped with telephone lines, computer hook-ups and internet access.

Each residence hall has a capable staff available for advice and guidance. The staff works together to develop and maintain a warm, loyal, and positive community.

Housing arrangements are made by the Residence Life Office. Every effort is made to assign new students compatible roommates. Complete information concerning residence hall policies is found in the Student Handbook.

Housing options for off-campus and married students are posted on a bulletin board in the Office of Student Life.

PHYSICAL AND MENTAL HEALTH

The Student Health Office provides preventive medicine, care of minor illnesses and injuries, and health counseling. A school nurse maintains posted hours on campus. Local physicians are available and willing to assist in meeting the medical needs of the student body.

STUDENT SAFETY

Corban is a residential university, and will strive to assure a safe and secure environment. We have a trained campus security force on duty 24 hours a day, seven days per week. The University subscribes to a campus wide notification system that allows emergency information to be sent to all students, faculty and staff.

STUDENT APPEALS

Informal and formal procedures have been designed to assist students in resolving personal conflicts. The formal student concerns appeals process is described in the Student Handbook. For further information contact the Office of Student Life.
ADMISSIONS

Corban welcomes Christian students who value a Christian liberal arts education and meet the university admissions criteria.

The University seeks students who are able to present strong academic records and a clear testimony of faith in Jesus Christ. The Admissions Committee also evaluates each applicant’s ability to succeed in college and are in agreement with the Statement of Faith and lifestyle policy of the University.

Corban University reserves the right to deny admission to any applicant. The University does not discriminate on the basis of age, race, sex, color, national origin or disability in its education programs or activities.

ADMISSION PROCEDURE FOR FRESHMEN

A freshman is defined as one who has graduated from high school and has never been enrolled in a post secondary institution after the date of high school graduation. Some freshmen may take advanced placement courses or complete college-level classes during high school and before high school graduation.

It is recommended that applicants complete four years of English, three years of Math and Social Studies, and two years of science and a foreign language. In some cases, applicants whose records or test scores do not meet the standard for admission may be admitted with a provisional acceptance. To assist students through the enrollment process, each student is assigned an Admissions Counselor. If your questions are not answered in this catalog, you can e-mail admissions@corban.edu or call 503.375.7005 or 800.845.3005.

1. Complete and return an application form with the required non-refundable fee before August 1. The Application for Admission includes a brief autobiographical essay and statement regarding the applicant’s relationship to Jesus Christ.

2. Request a copy of your high school transcript to be sent to Corban. Students who are applying to the University before they have graduated from high school may send a transcript showing work completed to date; however a final transcript will be required after graduation which will contain dates of graduation, grade point average, and class standing. A cumulative 2.70 grade point average is required.

3. Have the Scholastic Aptitude Test (SAT) or American College Test (ACT) scores sent to the University. Corban University recommends a 900 score on the SAT critical readings and math or a 19 on the ACT. At this time, the University does not require the writing section of the SAT or ACT for acceptance decisions. The University does ask that the writing sample be submitted for statistical purposes only. Information regarding test dates and locations is available from your local high school guidance counselor. An applicant who has graduated from high school ten years or more may be exempt from submitting these test scores.

4. Submit a personal reference or an educational reference, and a Christian character reference from your pastor. Reference forms are included with the application.

5. Once the applicant has been admitted and deposits are paid, the university will send packets of information, along with forms to be completed and returned regarding housing, health insurance, as well as a medical questionnaire. These must be completed prior to enrolling.
ADVANCED PLACEMENT (AP)
College credit may be granted in several subject areas to students who complete college-level courses in high school and receive a score of three or better through the AP program. The AP examinations are administered nationally once a year, in May, primarily at participating high schools. They are the culminating exercise for high school students who complete honors or advanced courses that parallel standard college-level courses.

Students expecting advanced placement credit should request, at the time the test is taken, that scores be sent to Corban University. Upon receipt of the official AP report, and enrollment of the student at the University, the acceptable credits will be transcripted and may count toward the total hours required for graduation.

Advanced placement credit will be withdrawn if work later is duplicated in a college-level course. These credits will not be given in conjunction with College Level Examination Program (CLEP) or transfer college credit.

HOME SCHOOLED STUDENTS
Corban welcomes applications from students who have been home schooled. The admission procedure and requirements are the same as for those who have graduated from a traditional high school. Students who cannot submit official transcripts must substitute a list of all course work completed during high school. Admission will be based upon courses taken, SAT or ACT results, and the academic reference.

INTERNATIONAL BACCALAUREATE
Corban recognizes the International Baccalaureate (IB) high school program. Three semester hours of lower division credit are granted for each Higher Level exam passed with a score of 5, 6, or 7. The University will also grant four semester hours of elective lower division credit for the Theory of Knowledge if the student has received the IB diploma. A maximum of twenty-four semester hours may be granted. Students can, therefore, earn nearly one year of college credit for IB work.

ADMISSION PROCEDURE FOR TRANSFER STUDENTS
A transfer student is defined as one who has attempted to complete any transferable course work at a regionally-accredited college after high school graduation.

Transfer students must apply for admission and follow the same procedure as presented for freshman applicants. In addition, an official transcript from any and all colleges and universities attended is required, whether or not credit was given.

Transfer students with fewer than 31 semester hours or 47 quarter hours of college work must qualify for admission on the basis of SAT or ACT scores and academic records from both high school and college.

To facilitate the transition between colleges, each transfer student is assigned an academic advisor with whom she or he will connect prior to registration. The advisor will discuss and help arrange the student’s program of study, taking into account previous college work, future goals, and the general education core requirements of Corban.

To help in the transition to Corban and to meet other new transfer students, all transfer students are required to attend a new student orientation. Information about this orientation will be mailed to transfer students before registration.
TRANSFER EVALUATION CRITERIA

A minimum grade point average of 2.00 (exclusive of developmental or other nontransferable course work) is required for transfer admission consideration.

Generally, upper division credit is not allowed for courses taken in a community college and no more than 70 hours of lower division courses may be transferred. Only courses with a grade of “C-” or better will transfer from another institution. Credit conversion from quarter hours to semester hour credits is calculated by multiplying the number of quarter credits by two-thirds.

An official evaluation of transcripts to determine transfer credit is done only when an Application for Admission has been accepted. This evaluation will be sent to each transfer applicant following notification of acceptance. All matriculating transfer applicants are required to send final and official college transcripts to the Admissions Office before registering at the university.

After enrolling and completing a semester at Corban, the transfer student assumes a new cumulative grade point average that is subject to academic policies established by the university.

Up to 40 professional-technical hours may be transferred from an accredited institution if these courses are described as transferrable in that institution’s catalog or recognized in the ACE Guide (American Council on Education). These courses usually are transferred as elective credit only. The total combined number of professional-technical hours and portfolio hours cannot exceed 64 semester hours.

A maximum of 12 College Work Experience (CWE) hours (must be 100 level or more) will be accepted as transfer elective credit.

Transfer students coming from institutions which are not accredited or recognized may be given the opportunity to validate credits. After completing a successful year at Corban University, work earned at institutions not accredited will be reviewed to determine what credit, if any, can be given.

ADMISSION PROCEDURE FOR INTERNATIONAL STUDENTS

International students are welcome at Corban. They must apply for admission and receive formal admission before enrolling at the University. As a general rule, the student is expected to furnish either an official Test of English as a Foreign Language (TOEFL) score of 61 Internet Based Test–IBT; (or a score of 500 Paper Based Test–PBT). The student must also furnish official transcripts of all college-level and/or secondary work. These should be submitted with the Application for Admission. Request an International Student Application form from the Admissions Office.

Students from abroad are expected to guarantee financial responsibility. The student must supply information attesting to the ability to provide United States dollars in the minimum amount required to support the costs of tuition and room and board, in excess of the cost of a round trip fare from his or her native country. Before an I-20 will be issued, a $1,000 tuition deposit in US dollars must be received in the Business Office of the university by May 1. Form I-20 is an official document of the United States government which grants a foreign student permission to apply for a student visa at the nearest U.S. Consulate.
Foreign students admitted to the United States on a student visa are required by law to be registered as full-time students, carrying a minimum of 12 credit units of academic work. International students are not permitted to work off-campus without written permission from the United States Immigration authorities.

**ADMISSION PROCEDURE FOR THE ADULT DEGREE PROGRAM**

Corban’s adult degree completion majors are designed especially for working adults with approximately two years of college credit (60 semester hours) or an accredited A.A. degree. Class sizes are limited to accommodate the experiential learning techniques employed in the classroom. Course content is focused on practical application to the everyday life and occupation of the adult student. Programs are offered online or on campus.

1. Evidence of a personal faith in Jesus Christ and a consistent Christian life-style.
2. Sixty semester hours (90 quarter hours) transferable credit from accredited colleges or universities. Courses with minimum grades of C- and course numbers over 100 are generally acceptable. An Associate of Arts degree from an accredited college may fulfill this requirement.
3. A writing sample that demonstrates the competency required to function in this program.
4. Personal and professional references.

Call to schedule an information session with an Admissions Counselor. Phone: 503-375-7590 or 800-764-1383.

**EARLY HIGH SCHOOL ADMISSION**

An early admissions program is available to qualified high school students. This permits study at Corban University while a student completes a high school program.

**Eligibility Requirements**

An applicant must have completed the junior year of high school. An applicant who has completed the senior year of high school is not eligible. Early admission students must earn grades of “C” or better in the courses taken at the university to remain in the program.

**Application Procedures for Early Admission**

1. Contact the Admissions Office for admission form.
2. Complete the Application for Admission and return it to the Admissions Office with the application fee and indicate your choice of courses.
3. Submit an academic transcript for all courses taken in high school from the ninth grade to the present.
4. Have the recommendation forms completed and sent to the Admissions Office.

High school students may enroll in no more than seven semester hours during any regular semester. Early admission students in good standing are automatically admitted to Corban upon graduation from high school. All additional credentials must be received before university enrollment.

**Cost and credit**

Early admission students may take a maximum of 14 semester hours with a tuition charge of $65 per credit hour. Credit earned during early admission may be applied to degree programs at Corban University without additional charge.
Credit earned during early admission may be transferred to other colleges or universities upon payment of regular tuition and fees at Corban in effect at the time the course was taken.

After the completion of 60 semester hours (two years) taken at Corban University, a student may transfer without paying additional tuition.

**READMISSION OF FORMER STUDENTS**

Any student who has left Corban for any reason will be required to file an Application for Readmission. Students who are dismissed may be required to fulfill other criteria. Official transcripts from any schools attended during the interval should be sent to the Admissions Office of the university. A Christian Character reference is also required. A student returning after an absence is also expected to complete any new or revised graduation requirements as published in the catalog in current use at the time of re-enrollment.

**STUDENTS WITH DISABILITIES**

Corban offers a variety of supportive services that facilitate access to educational opportunities for students with a disability. Documentation of an existing disability is required. Students are encouraged to contact the Director of Student Support as early as possible to request services.

**UNCLASSIFIED STUDENTS**

Any interested person may take courses as an unclassified student. Courses are available either days or evenings. Unclassified students do not need to complete a regular application form and may enroll for a maximum of six credit hours in a semester.

Unclassified students cannot receive a degree from Corban University. If at a later date an unclassified student decides to work toward a degree at Corban, the student must apply through the Admissions Office for admission as a degree-seeking student.

Financial aid is not available for unclassified students.

**VETERANS**

Veterans or dependents of veterans who plan to enroll at Corban University are urged to apply for the benefits through the Veterans Administration well in advance of registration so that the necessary paperwork will be completed. The university registrar may be able to provide the necessary forms and answer any questions. A late decision to attend may delay payments.

**APPLICANTS WITH CRIMINAL RECORDS**

It is the policy of Corban that prospective applicants with a criminal record wait to apply for a minimum of one year from the end of their parole and/or probation. Prior to application, the candidate must have been established in a community and involved in an evangelical church for at least three years. Also, convictions for crimes involving moral turpitude as listed in ORS 342.143 and ORS 161.405 will be grounds for denial of admission to the University or grounds for dismissal from the University.
FINANCIAL INFORMATION

Corban attempts to keep the expense of securing a Christian education as affordable as possible. The actual cost of instruction is greater than what the student pays. The university receives support from individuals, churches, and foundations who share in providing this quality education. Student costs are subject to change by action of the Board of Trustees or Administrative Team.

SENIOR CITIZENS TUITION WAIVER

Any person 62 years of age or older may enroll in one course per semester, for credit or audit, without a tuition charge. This rate does not apply to courses within the degree completion program, online courses, private lessons, independent study courses, or Corban Accelerated Online. Enrollment is on a space available basis, which is determined by the registrar. Students are responsible for the cost of books, materials and fees related to the course.
Enrollment is limited to seniors with a clear testimony of faith in Jesus Christ and are in agreement with the statement of faith and lifestyle policy of the university. An application for this tuition waiver and information on courses is available in the registrar’s office.

**MEAL PLAN**

All resident students are required to be on a meal plan and may choose from several options. Campus Dining offers hot meals each day during designated hours between 7:00 a.m. and 7:00 p.m. These hours may vary. Special dietary needs can be accommodated by contacting the Director of Food Services.

Campus dining also operates Common Grounds, an on-campus coffee shop located in the Student Center, throughout the day and evening. Common Grounds sells sandwiches, snacks and various other items for students and visitors.

**PAYMENT POLICY**

Your account balance (Charges minus Financial Aid) is due by the published close of registration. Registration is not complete until satisfactory arrangements are made with the Business Office of the University. Additional aid received after your account is paid in full will be refunded.

If you need a monthly payment plan, Tuition Management Services (TMS) offers such a plan. There is an annual participation fee, and no interest or other fees are required. Automated Recurring Billing (ARB) is also available. Please call the Business Office to request additional information. We would be pleased to assist you in planning for the upcoming academic school year.

Delinquent accounts (no payment, no payment plan) will be assessed a monthly 1% finance charge on the unpaid balance.

No transcripts or diplomas will be issued if you have a balance due.

**HEALTH INSURANCE**

The university is not responsible for injuries through the use of its facilities or athletic equipment, or for injury occurring in classes, during school activities, or while taking part in internship programs, church and community service assignments, intramural or intercollegiate athletic programs. All students are required to sign a liability release at the time of registration.

The university recommends that all students must be covered by health and accident insurance. During registration students are asked to provide proof of such coverage with an identification card from their insurance company. The company name and policy will be kept on file in the Student Health Office.

A policy is available to provide medical and accident coverage at a reasonable rate while students are enrolled. If not covered by any medical plan, students are allowed to sign a waiver. For additional information contact the university nurse.
REFUND POLICY FOR COURSE CHANGES

No tuition refunds will be granted for individual classes dropped after the close of registration or for private music lessons dropped after the fourth full week of the semester. However, courses changed or canceled by the university that affect tuition and course-related fees will be fully refunded.

REFUND POLICY FOR WITHDRAWAL

Students who find it necessary to withdraw from the University after registration may be entitled to a tuition refund. A withdrawal card is available in the Office of the Registrar. Students are responsible to initiate the withdrawal, obtain the necessary signatures on their withdrawal card, and return it to the Registrar. The date it is returned is the effective date of withdrawal.

Refund of tuition (including summer), room, board, fees and financial aid is prorated up to 60%. A refund schedule is available to anyone requesting it in the business and financial aid offices of the University.

Exceptions to the refund schedule may be petitioned to the Administrative Team. Petition forms are available in the Business Office. Complete the form, including the reason for requesting an exception and send the completed form to the Chief Business Officer in the Business Office who will submit it to the Administrative Team.

Note 1: A class day is counted as any day classes are scheduled according to the academic schedule.
Note 2: Fee schedules and costs for the degree completion program offered in the Department of Adult Studies are different.

MOVING ON OR OFF CAMPUS WITHIN A SEMESTER

The residential fee for students who move on or off campus after the close of registration will be prorated. Moving off campus after 60% of the semester completion will allow no refunds and the student may continue to use their meal plan.

RESIDENCE HALL CONTRACT AND HOUSING DEPOSIT

Students living in campus housing will sign a housing contract at the time of check-in.

Students who plan to live on campus pay a $100 housing deposit which must be submitted to the Admissions Office by May 1. If an applicant is accepted for admission after May 1, he or she has four weeks to submit the housing deposit. The deposit is refundable prior to the May 1 deadline.

Students should fill out a housing preference form and turn it in with the housing deposit.

The housing deposit reserves a space in campus housing. Every effort is made to grant housing requests made by returning students and those new students who submit housing deposit fees prior to May 1. Those who make payments after May 1 will be accommodated as space allows. The University generally is able to house all students who wish to live on campus, but may not be able to fulfill all specific room requests.
Before leaving on-campus housing, students must be officially checked out by a Resident Assistant and approved by the Resident Director. Failure to get this approval will result in a check-out fine.

Housing deposit fees are refundable through May 1 for fall semester enrollment, or through December 1 for spring semester. Students who choose not to enroll at Corban University and fail to notify the Admissions Office prior to these deadlines will forfeit the fees paid. Fees paid for one semester’s attendance may not be applied to another semester’s enrollment or transferred to another applicant.

TRANSCRIPTS

Refer to information under “Academic Information and Policies” section

TUITION DEPOSIT

All applicants for admission and readmission must submit a $200 tuition deposit. This deposit must be submitted to the Admissions Office by May 1. In the event that you are accepted after May 1, the deposit must be received within four weeks of your acceptance to the University. Please note that the deposit is only refundable up until the May 1 deadline.

Upon enrollment the deposit is credited towards the first semester’s tuition. The tuition deposit reserves a place in the student body and helps the University plan to provide adequate academic services for all students.

Deposits are refundable through May 1 for fall semester enrollment, or through December 1 for spring semester. Students who choose not to enroll at Corban and fail to notify the Admissions Office prior to these deadlines will forfeit the deposit. A student’s deposit for one semester’s attendance may not be applied to another semester’s enrollment or transferred to another applicant.

PURPOSE OF FINANCIAL AID

Financial aid at Corban University is provided to help bridge the gap between what students and their families can reasonably afford and the actual cost of a university education. Most financial aid is based on need as determined through the completed Free Application for Federal Student Aid (FAFSA).

Students must submit a FAFSA each year they desire financial aid. This form is available in high school guidance offices, public libraries, and Corban’s Financial Aid Office. You can also complete the FAFSA on the Web at www.fafsa.ed.gov. There are certain types of aid that are distributed on a first come first serve basis. Therefore, a completed FAFSA must be received by February 15 to receive priority consideration for aid.

Students are required to maintain Satisfactory Academic Progress (SAP) in order to receive financial aid. A copy of the SAP policy of the University is included in this catalog. Failure to maintain SAP could result in a termination of aid.

Additional information concerning the purpose or offers of financial aid may be obtained by calling the Financial Aid Office.
SCHOLARSHIPS, LOANS AND GRANTS

Corban participates in a number of federal and state financial aid programs. The application process for each begins with the Free Application for Federal Student Aid (FAFSA), which should be completed by February 15 prior to the academic year for which aid is desired. Any FAFSA submitted after this date will be considered but will not receive first priority in the awarding of aid.

Students completing a FAFSA will be considered for the following federal and state aid programs: Federal PELL Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), Federal Perkins Loan, Federal Stafford and Unsubsidized Stafford Loan, Federal PLUS Loan, Federal Work-Study, and Oregon Opportunity Grant. Due to Oregon State regulations, students majoring in theology may not be eligible for the Oregon Opportunity Grant.

Prospective students will not be awarded aid by the University until they have submitted an Application for Admission.

More detailed information on each type of aid, loan interest rates and repayment, application procedures and satisfactory academic progress requirements is available from the Financial Aid Office at 503-375-7006.

EMPLOYMENT ON CAMPUS

A number of students are employed by the University through Federal Work-Study. All on-campus employment is coordinated by the Career Services Office.

EMPLOYMENT IN THE SALEM AREA

In addition to on-campus employment, both part-time and full-time employment opportunities exist in the Salem area. Off-campus job openings are posted regularly on the Career Services web site.

  *More information under I.S. section

REGISTRATION AND PAYMENT OF FEES FOR GRADUATE STUDENTS:
At the beginning of each semester, the student is required to pay the $50 (nonrefundable)
registration fee. Tuition and fees are subject to change. No refunds will be granted following
the close of registration.

FINANCIAL AID:
The financial aid office is always available to assist with financial aid needs. A summary of
available programs can be found at http://www.corban.edu/graduate/financialaid.html.
For information on student loans, see the Financial Aid office for guidelines.
Please call: (503) 375-7006.

Enrollment Status: Students who are registered for at least six credits at the graduate level
are considered full time. Students registered for three credits are considered to be half time
and qualify for financial aid.

ACADEMIC POLICIES:

Advisors:
Each student admitted will be assigned an academic advisor. Students are urged to contact
their advisor regularly with questions they have about their program of study.

Academic Appeals:
Students who have challenges or conflicts due to any of the policies of the graduate program
can submit an appeal. The following is a list of steps that will be followed with each appeal.

1. Document in writing explaining the appeal.
2. Appeal submitted to the Director of the Graduate Department.
3. The decision of the Director/Dean may be appealed to the Academic Council of the
   University.
4. The decisions and recommendation of the Academic Council will stand in all academic
   appeals and petitions.
Auditing Courses:
Students may audit courses from which they wish to derive benefit without fulfilling credit requirements. Only traditional undergraduate courses are available for audit. Auditing of an undergraduate course is subject to instructor approval and course availability as determined by the Registrar. Auditing private lessons, applied music classes or any online course is not permitted. Students may not challenge or test out of a course that has been audited.

A request to audit a course must be submitted to the office of the Registrar in writing at the time of registration or no later than the end of the registration period. If a student decides to take the course for credit, this schedule change must occur prior to the close of registration of the given semester. All other Corban academic policies apply to the course audit policy (e.g. non-degree seeking student, dropping a course, etc.). See the Registrar’s Office for applicable fees.

ADDING OR DROPPING COURSES:

Adding Courses:
Fall & Spring Semester/Face to Face: Students may add a course to their schedule up to the first day of instruction. Adding a course after the first day requires consultation and permission from the Director of Graduate Education and the instructor teaching the course. Students are required to make up any course work missed due to late enrollment.

Dropping Courses:
Students may drop a course up to the Drop Deadline (see Program Calendar). This is done by the student via the Student Information System but it is strongly recommended that students consult their advisor before making changes in their schedules.

1. Students may drop a course with no tuition penalty if done up to the drop deadline.
   a. After the Drop Date deadline there will be no refund of tuition and no change in financial aid decisions made according to the original registration.

2. Courses dropped before the Drop Date will not be reflected in the final transcript.
   a. Courses dropped after the Drop Date deadline will be included on the transcript with a W grade.

3. Courses cannot be dropped in the last 2 weeks of class in order to avoid a low or failing grade.

4. Students enrolled in the Counseling Program are not allowed to drop courses in order to remain in their Cohort.

5. If a student withdraws from a program of study the policy for dropping a course will be followed. Situations such as family emergencies and other things beyond the control of the student will be handled on a case by case basis by the Program Director or Dean and the Registrar.

For summer semester, the same policies and practices apply EVEN IF THE COURSE IS A 2-WEEK INTENSIVE SESSION SCHEDULED FOR LATER IN THE SUMMER AND HAS NOT YET BEGUN TO MEET.

Criminal Convictions:
It is the policy of Corban that prospective applicants with a criminal record wait to apply for a minimum of one year from the end of their parole and/or probation. Prior to application, the candidate must have been established in a community and involved in an evangelical church for at least three years. Additionally, convictions for crimes involving moral turpitude, such as listed in ORS 342.143 and ORS 161.405, will be grounds for denial of admission to the University or grounds for dismissal from the University. Additional Criminal History Background checks will be conducted in the Counseling and Graduate Education programs.
Disabilities Policy:
In compliance with and implementation of the Americans with Disabilities Act of 1990 (ADA) it is the policy of the university to work with students and offer reasonable accommodation for any type of disability.

Corban offers a variety of supportive services that facilitate access to educational opportunities for students with disabilities. Documentation of an existing disability is required.

Interested students should contact the Director of Career and Academic Services, who can assist in making arrangements for necessary academic support services. Students are encouraged to schedule appointments as early as possible.

Questions or complaints may be directed to: Director of Career and Academic Services, 503-375-7012.

Equal Opportunity and Non-harassment Policy
It is the policy of Corban University to provide equal opportunity to all applicants, employees and students. The University does not discriminate on the basis of sex, disability, race, color, national origin, or age in admission and access to (or treatment in employment), educational programs or activities.

It is the policy of the University that employees and students have the right to work and study in an environment free of harassment on the basis of any of the factors listed above. Harassment may take many forms and determination of what constitutes harassment will vary according to the particular circumstances. Sexual harassment, intimidation or exploitation means unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature if: (a) submission to such conduct is made either explicitly or implicitly a term or condition of employment or education; or (b) is a basis for employment or educational decisions affecting such individuals; or (c) such conduct has the purpose or effect of unreasonably interfering with an individual’s work or academic performance; or (d) such conduct has the purpose or effect of creating an intimidating, hostile or offensive working or academic environment.

Questions or complaints may be directed to: Vice President for Business, Corban University Business Office, 503-375-7030.

Family Educational Rights and Privacy Act (FERPA)
Corban University complies with the amended federal Family Educational Rights and Privacy Act of 1974 (FERPA) in the maintenance of records. Educational records of students maintained by the college will be made available only to members of Corban’s staff who have a legitimate professional need for the material. FERPA, as amended, is designed to protect the privacy of student records. Students have the right to review all of their educational records and to challenge the content of a record they believe to be inaccurate or misleading.

Students also have the right to file a complaint with the U.S. Department of Education concerning alleged failures by the college to comply with the requirements of FERPA. The name and address of the office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4695.

Copies of Corban’s Information Policy are available in the Student Life Office and the Registrar’s Office. Students are advised that the Federal Government considers the following information to be directory information: the student’s name, photograph, campus and home addresses, class standing, enrollment status, telephone number and email address, date and place of birth, major field(s) of study, academic honors, participation in college activities and sports, degrees and awards/honors received, previous schools attended, dates of attendance. For members of athletic teams, directory information also includes height, weight, and positions played. Directory information may be released to third parties, such as in news releases. Students may request that directory information not be released to third parties. To make such a request, send a signed, dated statement to the Vice President for Student Life.
Non-directory information, such as grade reports, is released to third parties only when the student has submitted a written request. The custodial parent(s) of dependent students do have access to the student’s records.

**Grading**

*Grading Scale:*

Grades in the graduate program have the following meaning:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Grade</th>
<th>Meaning</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>(4.00)</td>
<td>Superior</td>
</tr>
<tr>
<td>A-</td>
<td>(3.7)</td>
<td></td>
</tr>
<tr>
<td>B+</td>
<td>(3.3)</td>
<td></td>
</tr>
<tr>
<td>B</td>
<td>(3.0)</td>
<td>Good</td>
</tr>
<tr>
<td>B-</td>
<td>(2.7)</td>
<td></td>
</tr>
<tr>
<td>C+</td>
<td>(2.3)</td>
<td>Passing, but below graduation requirement</td>
</tr>
<tr>
<td>C</td>
<td>(2.0)</td>
<td></td>
</tr>
<tr>
<td>C-</td>
<td>(1.7)</td>
<td></td>
</tr>
<tr>
<td>D+</td>
<td>(1.3)</td>
<td>Unsatisfactory; credits not applicable to the degree</td>
</tr>
<tr>
<td>D</td>
<td>(1.0)</td>
<td></td>
</tr>
<tr>
<td>D-</td>
<td>(0.7)</td>
<td></td>
</tr>
<tr>
<td>F</td>
<td>(0.00)</td>
<td>Failure</td>
</tr>
<tr>
<td>I</td>
<td></td>
<td>Incomplete</td>
</tr>
<tr>
<td>X</td>
<td></td>
<td>Coursework continuing into subsequent semester(s)</td>
</tr>
</tbody>
</table>

*WP/WF* Indicates official withdrawal from the course (while passing/while failing). The candidate receives no credit for that course or for work that may have been completed while registered for the course.

**Incomplete:**

An incomplete grade (I) is a temporary grade given when students are unable to complete the work for a course on time because of extraordinary circumstances, such as illness, emergency, or other reasonable cause.

To be considered for an incomplete grade, students must be passing the course and have completed the majority of the course work, including all exams. The instructor will assign a contingency grade, which will become the final grade if the incomplete work has not been received by the due date of the contract.

Students who find it necessary to ask for an incomplete grade must make application for the grade and establish a contract with the instructor, which includes an appropriate completion date. This date may be extended to the end of the term subsequent to the term the incomplete was issued. Applications are available in the Office of the Registrar.

**Human Subjects Research Review Committee**

The Human Subjects Research Review Committee (HSRRC) provides independent determinations on methods, risks, benefits and rights involved in research involving human subjects. The HSRRC is responsible for reviewing and approving projects, conducted by both faculty and students alike, involving human subjects research.

Applications to be reviewed by the Committee are due two weeks prior to the Committee’s meeting date, the second Tuesday of every month.
INDEPENDENT STUDY POLICY

Graduate students may request permission to do an Independent Study (IS). An IS may be considered when there is a schedule conflict that cannot be resolved any other way. The student requesting the IS must have a minimum CGPA of 3.0 and be current on all course work. Arrangements for independent study are initiated by the student with his or her advisor, and contingent upon consultation with and approval of the appropriate dean or director. Independent study courses are limited offerings and dependent upon a variety of factors, including availability of faculty. Additional conditions or factors are as follows:

1. No more than six hours per semester are to be taken.
2. No more than nine hours of independent study are taken over the course of study.
3. MS Ed and GTL program students only:
   a. The independent study fee does not apply to content elective courses for students in the MS Ed or GTL program that candidate must complete to meet graduation requirements. These courses are paid for at the same rate as all other graduate courses.
   b. The independent study fee does not apply to courses that must be taken out of sequence due to no decision or action on the part of the student. These courses are paid for at the same rate as all other graduate courses.
4. The fee for an Independent Study will be $300. This is in addition to tuition charges.

Non-Degree Applicant

A Non-Degree Applicant is allowed to take up to six credits without formally entering. An application for Non-Degree Admission and the application fee are required for acceptance (non-degree applicants are not required to submit transcripts, recommendation forms, or admissions essays).

Registration:

Graduate students register themselves using the online Student Information System (SIS), and they may register for courses beginning on the day of Open Registration according to the calendar.
MASTER OF BUSINESS ADMINISTRATION

PROGRAM OVERVIEW

Corban’s Master of Business Administration is designed for Christians, emphasizing the application of a biblical worldview to the decisions of economic commerce, management of people, and stewardship of resources. Integrity is a theme that will run through the entire degree. The Corban MBA utilizes a case study methodology, challenging students to develop practical problem solving skills.

All students must complete at least one emphasis. Students will receive a certificate of completion for each emphasis completed (completion of two emphases requires a minimum of 42 total credits, and completion of three emphases requires a minimum of 48 total credits).

MISSION

To develop Christian business leaders who exemplify professional excellence and integrate a biblical worldview into their personal and professional lives for the glory of God. Our instruction is Bible-centered and is communicated in a caring environment that encourages scholarly and intellectual inquiry and Christ-like servant leadership.

THE CORBAN MBA: MANAGEMENT EMPHASIS

The Corban MBA, with an emphasis in management, entails a common core of coursework. It also provides an opportunity to select from a variety of electives to meet educational and professional goals. These electives include areas such as Human Resources, Finance, Marketing, Entrepreneurship and more.

THE CORBAN MBA: NON-PROFIT MANAGEMENT EMPHASIS

The Corban MBA, with an emphasis in Non-Profit Management, is intended to train outstanding professionals committed to the success of non-profit agencies, governmental units, church organizations, and para-church organizations. The Non-Profit Management emphasis combines the common core coursework of The Corban MBA, as well as two specific non-profit elective classes and one additional elective of choice.

THE CORBAN MBA: HUMAN RESOURCES EMPHASIS

The Corban MBA, with an emphasis in Human Resources, is designed to prepare individuals for a career in human resources management. Electives are offered that lay the groundwork for pursuing certification such as the Professional in Human Resources (PHR) designation.
THE FOLLOWING CHARTS DETAIL THE REQUIRED COURSES FOR THE CORBAN MBA IN: MANAGEMENT, HUMAN RESOURCES and NON-PROFIT MANAGEMENT.

# ADMISSIONS

**Admission Requirements**

The successful candidate will:

1. Profess faith in Jesus Christ and live a consistent Christian lifestyle.
2. Have completed a Bachelors or Masters degree at an accredited institution with a minimum cumulative GPA of 3.00 or approval from the Dean of Business.
3. Have a minimum of three years full-time professional experience with a progression in responsibility.

4. A candidate may take the GMAT to compensate for the GPA and/or experience requirement. A minimum score of 500, or approval from the Dean of Business, is required.

**Admission Procedures**

To be considered for admissions, the potential candidate will:

1. Complete the Application for Admission. Respond to the appropriate admissions essays.
2. Remit Payment of $40 as a nonrefundable application fee.
3. Submit Recommendation Forms listed below. Evaluators who complete the form should send it to the Office of Graduate & Adult Degree Admissions.
   a. Professional
   b. Christian Character
4. Send official transcripts from the final undergraduate institution to the Office of Graduate & Adult Degree Admissions. In addition, transcripts for any graduate courses believed to be transferable to The Corban MBA should be sent.
5. Provide evidence of professional experience in the form of a progression in responsibility by submitting a professional resume.
6. Complete the Graduate Management Admissions Test (GMAT).

*Note: An applicant with at least a 3.0 cumulative undergraduate GPA and a minimum of four years full-time professional experience that shows a progression in responsibility, or a graduate studies degree, will not be required to take the GMAT.*

**Admission Essays**

The following short essays are included in the Application for Admission. Essay response provides insight into the degree to which the candidate meets admission requirements as outlined above.

1. Explain how you came to know Jesus Christ as your Savior, including the Scriptural basis for your salvation and what in your life indicates that you are walking with the Lord.
2. What do you believe are the characteristics of an effective Christian business leader?
3. What do you expect to gain from participation in The Corban MBA?

**Graduate Business Committee**

This committee meets monthly to discuss and approve all appeals.

Appeals to be reviewed by the Committee are due two weeks prior to the Committee’s meeting date, the second Tuesday of every month. Please submit appeals to the Dean of Business.

**Graduation Requirements**

To become eligible for the Master of Business Administration, the student must satisfactorily complete the following:

1. All required courses in The Corban MBA.
2. A minimum grade point average of 3.00 for the total graduate degree, with no more than six hours of grade “C+” or lower included (credits earned with a grade of “D+” or lower will not be applicable to the degree).
3. Formal application for graduation.
Students who expect to complete all degree requirements must apply for graduation. Students are expected to apply for graduation during the semester prior to their anticipated finish of coursework (see deadlines in Academic Calendar). A $120 graduation fee must accompany the application. If the student wishes to participate in commencement ceremonies in May, additional fees may be necessary. To participate in commencement ceremonies, all requirements must be completed no later than the last full week before graduation. Please note that commencement ceremonies are only held in May, although degrees are awarded at the end of each semester.

Readmission of Students
To apply for readmission after an absence of one year or more, a student must complete a new application for admission.

Time Limit
All degree requirements must be completed within six years from the beginning of admission to the graduate program at Corban University in order to avoid loss of credit.

Transfer of Credit
Graduate work completed at other regionally-accredited institutions may be accepted in partial fulfillment of the requirements for The Corban MBA at Corban University and are subject to the following conditions:

1. Transfer credit will not be allowed for any course in which the grade received was lower than a B.
2. Students are permitted to transfer a total of nine semester hours of graduate work from another institution. Each request for transfer of credit will be considered on an individual basis.
3. The value of the course content in relationship to the applicant’s degree program will be considered in the decision.

COURSE LISTINGS AND DESCRIPTIONS

THE CORBAN MBA COMMON CORE COURSES

BA513 - Biblical Leadership and Ethics (3)
This course is designed to explore biblical leadership in the Business setting. Through the light of biblical ethical theory, candidates examine how organizational leaders respond to the situations they face. Candidates also reflect on and apply their own values and ethical understanding to shed light on situations they often face as managers.

BA523 - Economic Analysis and Policy (3)
An analysis of the impact of macroeconomic influences. Determinants of trade balances, inflation, employment rates and monetary/fiscal policy in economic growth are assessed. Attention is given to descriptive and normative aspects of industry structure and growth within the context of bi-national and multi-national agreements.

BA533 - Financial Management (3)
This course is designed to explore the foundational concepts of business finance, including the time value of money, security pricing, valuation, portfolio risk and return and derivative securities.

BA543 - Marketing Management (3)
This course is designed to help students make strategic marketing decisions in an increasingly complex business environment. The foundational principles of marketing will be addressed, and special attention will be given to the rapid changes occurring in the marketplace.
BA553 - Managing Information Technology (3)
Issues of strategic planning and control related to information technology and e-commerce are discussed based on contemporary case studies.

BA563 - Managing the Global Business (3)
An exploration of key business functions in an increasingly global environment.

BA573 - Accounting for Managers (3)
A comprehensive overview of financial information systems with a focus on the use of financial reports in management. A basic understanding of accounting is presumed, and at least three hours of undergraduate accounting is strongly recommended.

BA583 - Organizational Behavior (3)
The study of human behavior in organizations. Emphasizes theoretical concepts and practical methods for understanding, analyzing, and predicting individual, group, and organizational behavior.

BA593 - Strategic Management (3)
Capstone course in the program, taken in the final term. Students will identify a problem within their current work situation and focus on taking an integrated approach (using all the functional areas of business) to research and present a solution.

ELECTIVE COURSES

BA613 - Managing the Non-Profit Organization (3)
Issues facing managers in the non-profit sector will be discussed and include program planning, selecting and managing boards, fund raising, financial and budgeting challenges, and developing strategies. 

BA623 - Stewardship Issues for Non-Profit Organizations (3)
This course investigates the range of fundraising elements in the non-profit organization, including fundraising strategies, grant writing, program management, and methods and approaches to fundraising.

BA643 HR Strategy, (3)
The study of HR’s role within an organization, with a particular emphasis on (1) compliance and (2) compensation and benefits. Students will design a strategic HR initiative for either their current organization or a desired future employer.

BA653 - Human Resource Management (3)
Theories, concepts, and procedures involved in managing human resources. Examination of the correspondence between organizational strategies and human resources needed to carry out those strategies. Topics include job analysis, compensation and benefits, performance management, succession planning, career development issues, legal considerations, and international issues

BA663 - Financial Planning (3)
This course examines personal financial planning concepts, including budgeting, credit, borrowing, insurance, investing and estate planning.

BA673 - Entrepreneurship (3)
This course provides an introduction to entrepreneurship, with an emphasis on identifying, evaluating and developing new venture opportunities. Topics include opportunity identification and evaluation, startup strategies, business valuation, business plan development, attracting stakeholders, financing the venture, managing the growing business and exit strategies.

BA683 – Managing Change (3)
Utilizing current books, articles, Scripture, facilitated discussion and case study analyses, Managing Change looks at the biblical aspects of leading in the midst of change.
GRADUATE FACULTY

Leavitt, Donald R., Assistant Professor of Business, 2000. M.B.A. University of Portland, B.S. Biola University.

Sherwood, Justin R., Assistant Professor of Business, 2001. M.B.A. George Fox University, B.S. Corban College.

Straw, Eric M., Assistant Professor of Information Systems, 2002. M.S. Nova Southeastern University, B.S. Corban College.

GRADUATE ADJUNCT FACULTY

Anderson, Rick, Business 2009. B.S. Portland State University, M.A. Western Evangelical Seminary, M.B.A. George Fox University.

Barrett, Phillip, Business 2009, B.S. Seattle Pacific University, M.B.A. University of Rhode Island.

Rawlins, Matt, Business 2008. B.S. Corban University, Ph.D. University of Wales.

Solaru, Ademola, Business 2009. B.S. Purdue University, M.S. Eastern Michigan University, E.D.M. Case Western Reserve University.

MASTER OF ARTS
IN COUNSELING

PROGRAM OVERVIEW

The Master of Arts in Counseling degree (MA) has been designed with a common core of coursework to meet the needs of students pursuing a masters level counseling degree. The program of study is designed for Christians and emphasizes the application of a biblical worldview to the professional practice of counseling. Christian ethical principles and theological principles are the themes which run through the entire program. Interactive materials are used to engage students in each course, culminating with on-site practical work hours and supervision in the field of counseling. This will challenge students to develop professional problem solving skills with a Christian lens throughout the program.

The graduate degree program has been designed with CACREP (Council for Accreditation for Counseling and Related Educational Programs) standards as the guideline. CACREP is an independent agency recognized by the Council for Higher Education Accreditation whose mission is to accredit master’s degree programs in counseling-related programs. CACREP assures that the content and quality of the education program has been evaluated and meets standards set by and for the profession. The student can be assured that appropriate knowledge and skill areas that are necessary for entry into the counseling field will be included in the counseling program. CACREP standards require specific course outcomes within the graduate degree program, including a 600 clock hour internship. Corban requires an additional six credits in theology for a total of 60 semester hours in the MA counseling degree.

The graduate program is built on the cohort model. Graduate students in the counseling graduate program will be required to attend class or supervision sessions on the Corban campus once a week throughout entire degree sequence. Additional coursework will be completed online.

THE LICENSURE PROCESS

Individuals with an earned Master of Arts degree in Counseling may apply to the Oregon Board of Licensed Professional Counselors and Therapists to become licensed professional counselors (LPC). This licensure process includes submitting graduate transcripts and documentation of clinical experience, passage of the National Counselor Examination (NCE), and continued clinical supervision for the equivalent of about two years of full-time counseling experience. For more information, students may visit the Board’s website at www.oblpct.state.or.us. Students interested in pursuing an LPC should contact the Oregon Board of Licensed Professional Counselors and Therapists, 3218 Pringle Road SE #160, Salem, OR 97302, (503) 378-5499.

The process is handled entirely by the Oregon Board of Licensed Professional Counselors and Therapists. The Counseling Program, while maintain an interest in its graduates and desiring to be supportive of Program graduates working toward an LPC, has no other involvement in the licensure process other than to release documentation of clinical hours earned during the Program to the board. In the course of the Program at Corban University, any information from the Board will be made available to students, and every effort will be made to assist students in making inquiries to the Board. Specific questions should be directed to the licensure Board.

Students interested in professional licensure in a state other than Oregon should consult the appropriate board responsible for licensure in that state.
MISSION

To train counselors who value personal and professional excellence guided by biblical principles to promote and encourage positive change in the clients they serve. Our instruction is Bible-centered and is communicated in a caring environment that encourages lifelong scholarly learning, drawing from counseling literature both theoretical and applied.

PROGRAM OBJECTIVES

Upon completion of the Master of Arts in Counseling Program, candidates will be able to:

1. Demonstrate and deliver supervised clinical skills to both individuals and groups.
2. Demonstrate an awareness of spiritual issues impacting clients and articulate a counseling and theological framework.
3. Articulate a theory of person including spiritual, physical, behavioral, and psychological aspects.
4. Demonstrate awareness of differences among people and seek to understand others from a diversity of backgrounds.
5. Articulate and demonstrate various psychotherapeutic theoretical orientations to establish an effective therapeutic relationship.
6. Articulate and demonstrate a primary theoretical orientation and counseling style.
7. Develop and exhibit a professional identity as a counselor including effective self-evaluation.
8. Model professional ethical and legal practices.
9. Be prepared to begin the licensure process to become a Licensed Professional Counselor (LPC) and/or a National Certified Counselor (NCC).

ADMISSIONS

Applicants are sought from a variety of groups and cultures within society. Admissions policies and procedures are designed to foster the identification and selection of all prospective students who possess the potential for Master level work in counseling. Applicants are sought who have demonstrated a commitment to the profession of counseling and to the specific mental health counseling emphasized at Corban through interest, preparation, and experience.

Requirements
The successful candidate for admissions will...

1. Profess faith in Jesus Christ and live a consistent Christian lifestyle.
2. Have a minimum cumulative GPA of 3.00. Applicants with an undergraduate cumulative GPA of less than 3.00 (2.99 and below) will not be considered for interview until evidence of an ability to complete graduate level academic work is submitted. The following are acceptable options of documentation:
a. Completion of six credits as a non-degree seeking student in Corban University’s Counselor Education Program;
b. Completion of 6 graduate credits transferred from an accredited institution;
c. Completion of undergraduate credits at the 300–400 level from an accredited institution.

3. Have an earned Bachelor’s degree from an accredited institution.

4. Successfully complete the application essays and admission interviews. The submitted application essays and interviews are factored into the admit score by the Counselor Education Department.

Admission Procedures
1. Complete the Application for Admission. Respond to the appropriate admissions essays.
2. Remit payment of $40.00 nonrefundable application fee.
3. Submit recommendation forms listed below. Evaluators who complete the form should send it to the Office of Graduate & Adult Degree Admissions.
   a. Professional
   b. Christian Character
4. Send official transcripts from your final undergraduate institution to the Office of Graduate & Adult Degree Admissions. In addition, transcripts for any graduate courses believed to be transferable to the program should also be sent.
5. Provide a professional resume documenting education and experience.
6. Submit to a criminal background check prior to acceptance to the degree program.
7. Complete the appropriate admissions essays.

Admissions Essays
Please answer the following with short essays (approximately 500 words each).

1. Explain how you came to know Jesus as your Savior, including the Scriptural basis for your salvation and what in your life indicates that you are walking with the Lord.
2. What do you believe are the characteristics necessary for a Christian to be an effective professional counselor?
3. How will the Corban Counseling Program help you accomplish your professional and personal goals?
4. Applicants must submit a criminal background check prior to acceptance to the Program. A packet of forms is available from the Graduate Admissions Office.

General Guidelines and Conditions for Admission into the Counseling Program
The Counselor Education Program faculty has adopted the following specific principles and conditions for admission and retention in the program:

1. Applicants are sought from a variety of groups and cultures within society. Admissions policies and procedures are designed to foster the identification and selection of all prospective students who possess the potential for Master level work in counseling—to the extent of looking beyond the more traditional criteria when advisable and possible.
2. Applicants are sought who have demonstrated a commitment to the profession of counseling and to the specific counseling areas emphasized at Corban through interest, preparation, and experience.
3. The Counselor Education Faculty has the responsibility for the selection of Masters’ Candidates and has established admission criteria consistent with and in excess of those of Corban University.

4. Counseling students enrolled in the Master’s Degree are required to participate as clients in an individual or group counseling experience. On-going student emotional and psychological well-being is paramount for continuation in the program.

5. The faculty of the Counselor Education Program subscribe to the ethical standards of the American Counseling Association (ACA). Consistent with these standards, students may not independently offer mental health diagnosis, counseling, or consultation services, either gratis or for remuneration. If it should come to the attention of the faculty that a student is offering such services, a committee appointed for this purpose will conduct an investigation of the student’s activities. The committee will present its findings and recommendations to the staff for decision on retention of the student in the program.

6. If accepted to the Counselor Education Program, Applicants must complete a criminal background check before the end of their first semester of coursework.

Counseling Requirement:
Counseling students are expected to participate as clients in an individual counseling experience and to provide written verification of at least 5 sessions during the time they are enrolled as graduate students. This requirement recognizes the value of such an experience in the continuing development of self-awareness and personal identity. It is also based on the belief that first-hand experience as a client bridges the gap between intellectual and emotional understanding of the client experience. Students will participate in individual counseling with a qualified counselor or mental health provider approved by the faculty advisor. This therapeutic experience should focus on personal growth and awareness rather than specific skills training. Students may not consider any program faculty as resources to fulfill this requirement.

Written verification is defined as a statement by the individual counselor of consistent attendance. Specifics of the counseling relationship will be kept confidential between student/client and counselor in accordance with the ethical guidelines of the American Counseling Association (ACA).

Counselor Education Program Committee
This committee meets monthly to discuss and approve all appeals. Appeals to be reviewed by the Committee are due two weeks prior to the Committee’s meeting date, the second Tuesday of every month. Please submit appeals to the Director of Counselor Education.

Graduation Requirements
To become eligible for the Master Counseling Program, the student must satisfactorily complete the following:

1. All required courses in program of study.
2. A minimum grade point average of 3.00 for the total graduate program, with no more than six hours of grade “C” included.
3. Formal application for graduation
   Students who expect to complete all degree requirements must apply for graduation. Students are expected to apply for graduation during the semester prior to their anticipated finish of coursework. (See deadlines in Academic Calendar)
A $120 graduation fee must accompany the application. If the student wishes to participate in commencement ceremonies in May, additional fees may be necessary. To participate in commencement ceremonies, all requirements must be completed no later than the last full week before graduation.

4. Completion of Personal Portfolio as outlined in the Student Handbook.

Practicum
The practicum experience consists of numerous skill building experiences culminating in actual counseling experiences with clients. Students begin skill building with CN501 Counseling Theory & Skills I in the fall and CN502 Counseling Theory & Skills II in the spring. A one credit hour component of these two classes will focus on microskills development. Students will participate in role-plays in class and will progress to audio and videotaped role-plays with classmates. In fall semester students will complete CN512 Practicum. The practicum student has a chance to gain experience, develop competencies, integrate learning, and realize personal and professional growth under the guidance of a clinical supervisor. The practicum student is expected to demonstrate an increase in designated skills as the experience progresses. In addition to the opportunity to put counseling skills into practice, practicum offers the unique opportunity for the integration of experience and theoretical knowledge. Students must complete 100 clock hours that include: 40 hours direct client service, one hour weekly individual supervision, and 1.5 hours weekly group supervision.

Internship
After successful completion of CN501 Counseling Theory and Skills I, CN502 Counseling Theory and Skills II and CN512 Practicum sequences, students begin their internship. The internship sequence (CN561-566) is designed to reflect the work experience of a professional counselor. Students select potential internship sites in the community based on an area of interest and level of skill and experience, in consultation with the faculty advisor. Students will complete 600 clock hours including: 240 direct hours of service, one hour weekly of individual supervision (typically offered at internship site), and 1.5 hours of group supervision. Interns have the opportunity to observe and participate in all aspects of a professional counselor’s work. Experience may include time spent with clients, supervision, staff meetings or trainings, community relations, and record keeping. The internship is the culminating professional experience.

Readmission of Students
To apply for readmission after an absence of one year or more, a student must complete an Application for Readmission and return it to the Office of Graduate Admissions.

Time Limit
All degree requirements must be completed within six years from the beginning of admission to the graduate program at Corban University without loss of credit for completed classes.

Transfer of Credit
Graduate work completed at other regionally-accredited institutions may be accepted in partial fulfillment of the requirements for the Master of Counseling Program at Corban University subject to the following conditions:

1. Transfer credit will not be allowed for any course in which the grade received was lower than a B.
2. Students are permitted to transfer a total of 12 semester hours of graduate work
from another institution. Each request for transfer of credit will be considered on an individual basis.

3. The value of the course content in relationship to the applicant’s program will be considered in the decision.

COURSE DESCRIPTIONS AND LISTINGS

CN501 Counseling Theory & Skills I (4)
This course introduces students to theories of counseling and psychotherapy from a historical-chronological perspective. As students are exposed to these models (including psychoanalytic therapy, Adlerian therapy, person-centered counseling, Gestalt therapy, humanistic-existential therapy, and a variety of cognitive-behavioral) they will be encouraged to incorporate their own values about the human change process and their faith with these theories and counseling processes in order to begin to define their own theoretical orientation to counseling. Students will begin microskills identification and practice.

CN502 Counseling Theory & Skills II (4)
This course provides continued development of the theories and techniques of counseling including identification of the counseling process. To facilitate counseling competencies students will participate in self-critique, peer critique and supervisor critique of videotaped interviews with peer clients.

CN512 Practicum (2)
This course is designed to continue the development of competencies in basic counseling processes and skills. Students will complete a supervised practicum experience including 5 weeks of job shadowing (4 hours weekly), and 10 weeks of a minimum of 100 clock hours (40 hours direct client service, 1 hour weekly individual supervision, and 1½ hours weekly group supervision) with actual clients in an agency setting.

CN521 Introduction to Family Counseling (3)
This course is an overview of major theoretical approaches to marriage and family counseling. Students are introduced to techniques and interventions in systems therapy approaches and will begin to develop competencies essential for assisting families in improving relationships.

CN522 Counseling Across the Life Span (2)
This course is a study of the relationship of human development to the counseling profession. Theories of human growth and development including affective, behavioral, cognitive, physical, and moral development, theories of personality and learning will be explored as each pertain to understanding the relationship of human development to counseling children and adults.

CN523 Group Counseling (2)
This course is an experiential and conceptual introduction to the therapeutic group experience including: group counseling approaches, models and theories, and group facilitation skills, and issues of leadership, power, and process, group counseling goals, composition, and phases.

CN531 Foundations of the Counseling Profession (2)
This course is designed to introduce the student to the field of counseling. This course addresses the foundations of mental health counseling, it’s theoretical and philosophical bases, historical antecedents, current theories, ethical issues, professional identity and values, multi-cultural and diversity practice issues, social advocacy opportunities and provides an overview of current practice environments.

CN532 Social & Cultural Foundations (2)
This course addresses the social and cultural factors affecting the counseling process. Students will investigate attitudes and perspectives regarding gender, race, ethnicity, sexual orientation, age, and other cultural differences. Particular emphasis will be placed upon biblical, historical, and cultural perspectives and the impact current views have on the counseling relationship. Students will be encouraged to expand their points of view of diverse populations leading toward successful therapeutic relationships and an acceptance of all persons.

CN533 Career & Life Planning (2)
This course is designed to investigate the concept of career as a lifespan process. Students
investigate theories of adult career development as well as strategies and methods to facilitate clients’ career decisions. Emphasis is placed on the decision-making process and issues of career counseling with special populations.

**CN534 Appraisal of the Individual (3)**
This course provides for the development of a framework for understanding the individual. Since assessment has a role throughout the counseling process it is imperative to learn the principles of assessment including concepts of measurement, assessment methods and areas of client assessment, and the role that the application of assessment plays in the counseling process.

**CN535 Psychopathology, Diagnosis and Treatment Planning (3)**
This course introduces the use of current diagnostic tools, including the Diagnostic and Statistical Manual (DSM), and its use in treatment, planning and diagnosis in psychopathology. Students will explore principles and models of biopsychosocial assessment, case conceptualization, theories of human development and concepts of normalcy and psychopathology leading to diagnoses and appropriate counseling plans; and principles of diagnosis.

**CN536 Addiction Counseling (2)**
The course will explore the theory and techniques of addiction including assessment and counseling theory and interventions. The course is designed to introduce students to issues associated with addictions including substances, gambling, and eating disorders etc. and the resulting impact on client and community systems.

**CN537 Ethical and Legal Issues (3)**
This course is designed to provide an overview of professional ethics and state law as applied to the counseling profession. Ethical standards are discussed from an historical and practice perspective, and an ethical decision-making model is explored. Laws that affect the professional practice of mental counseling are presented and examined. Professional issues concerns and associations are discussed. (8 wks. On-campus/Hybrid)

**CN538 Crisis, Disaster and Trauma Counseling (3)**
The purpose of this course is to examine the basic concepts and principles of crisis, disasters, and other trauma-causing events on people. The course will explore the implications trauma and disasters have on the practice of counseling and therapy and examine the application of theory to crisis counseling situations. Therapeutic responses in crisis situations require assessment and intervention skills based on an understanding of developmental stages, cultural diversity, and the unique nature and impact of crisis on the diagnostic process. Counselor personal reactions and experiences will also be explored. Students will examine relevant research on crises, suicide, and disasters as well as appropriate counselor intervention skills.

**CN539 Psychopharmacology for Counselors (2)**
This course is designed to introduce the fundamentals of psychotropic medications and their therapeutic applications to the non-medical mental health care provider. Ethical practice issues and practical issues of assessment and referral will be explored.

**CN541 Research Methods (3)**
This introductory course explains quantitative and qualitative research methodology in the social sciences. Introductory statistical concepts, such as measures of central tendency and variability, standard scores, and hypothesis testing are reviewed.

**CN561-566 Internship (12)**
The internship is the culminating field experience of the program and requires completion of a supervised experience of 600 clock hours. This experience is designed to provide the student with on-site placement in a public or private mental health setting that creates the bridge between training and professionalism. Components of the learning experience include: direct client service, individual supervision, group supervision, peer learning, video/audio tape review and consultation. (credits variable 1-6)
CN 601 Theology & Counseling (2)
This course is an overview of topics that relate to developing controversies between counseling and Christianity. Biblical worldview and principles in counseling are explored and incorporated into a conceptual framework for counseling.

CN602 The Theology of Counseling and Christian Growth (2)
This course overviews the various Bible Doctrines such as: Theology Proper, A Trinitarian view of God, Hamartiology, Anthropology and Salvation as they contribute to an understanding of personal formation and schools of Counseling. Students will become aware of the most significant traditions and teachings of the Christian Church and established schools of Counseling. The overall outcome of the course is to develop an integrative framework that respects the authority of Scripture and the “state of a person’s well-being”. Students will enter into a conversation regarding the significance of knowing God, loving oneself, and loving one’s neighbor. Included will be a reflective process on student’s own Christian identity and an ethics based counseling identity.

CN603 The Theology of Faith, Hope & Love (2)
This course is a continuation of COU602 to include a familiarization with several other key biblical doctrines such as the Doctrine of Sanctification, Doctrine of Ecclesiology, and the Doctrine of Eschatology. Special consideration will be given to the specific application of these doctrines to understanding the relationship between Faith, Love, and Hope as a foundation for spiritual, mental, and emotional health. A Trinitarian view of God will be reviewed as a model for understanding community life, marriage, and personal growth. Classic Christian literature will be reviewed and integrated into class content to assist students in the formation of their identity as a counselor.

GRADUATE COUNSELING FACULTY

Aguilera, Mary M.A., Ph.D., NCC Clinical Director of Counselor Education Department, 2010. Ph.D. Counseling, Counselor Education and Supervision, Oregon State University; M.A. Counseling, Western Seminary; B.S. Biblical Studies/Journalism, Multnomah University.

Meyers, Rich Psy.D., Chair of Undergraduate Psychology, 1977. B.S. Corban University; B.A. California State University at Hayward; M.A. Trinity Evangelical Divinity School; M.A. Western Conservative Baptist Seminary; Psy.D. George Fox University.

Myers, Patricia J., M.S., N.C.C., Director of Counselor Education Department, 1994. B.A. Marycrest College; M.S. Western Oregon State College/Oregon State University; (Doctoral studies in progress), Oregon State University.

ADJUNCT FACULTY

Schamp, Leanne, M.A., Ph.D., L.M.F.T., Counselor Education 2010, Ph.D. Counseling, Counselor Education and Supervision, Oregon State University, M.A. Marriage and Family Therapy, George Fox University, Newberg, B.A. Government, California State University at Sacramento, CA.
GRADUATE EDUCATION

MISSION

To develop educational leaders who address the needs in their school community, exemplify professional excellence and integrate a biblical worldview into their personal and public lives for the glory of God.

Our instruction is Bible-centered and is communicated in a caring environment that encourages scholarly and intellectual inquiry and Christ-like servant leadership.

GOALS

1. The candidate develops and sharpens a biblical worldview that will inform and shape the candidate’s educational philosophy and its enactment.

2. The candidate demonstrates educational leadership by serving as a mentor, participating in continued professional development and assuming leadership roles within schools.

3. The candidate conducts and uses research to determine instructional decisions and interpret assessment data.

4. The candidate designs and evaluates differentiated instructional opportunities that recognize individual differences in culture, language, learning ability, social background and experience.

5. The candidate conducts and evaluates culturally relevant formal and informal assessments that reveal students’ knowledge, skills and abilities as they relate to district and state standards.

6. The candidate develops and fosters healthy learning communities that are educationally relevant and specific and include family participation.

“In everything set them an example by doing what is good. In your teaching show integrity, seriousness and soundness of speech that cannot be condemned…” (Titus 2:7-8).

Graduate Teacher Licensure Program (GTL)

OVERVIEW

This program is designed for candidates who have an accredited bachelor’s degree but have not completed a course of study in education. Upon completion of the program, the candidate will be eligible for an Initial Oregon Teaching License. The program consists of 28 credits for Early Childhood and Elementary Authorization, 28 credits for Elementary and Middle Level Authorization, and 26 credits for Middle Level and High School Authorization. The following is a list of endorsements we currently provide: Biology, Business, Language Arts, Mathematics, Music, Physical Education and Social Studies. A unique feature of Corban’s initial licensure program is that the candidate is provisionally enrolled in the Master of Science in Education program, and up to 12 credits can be used toward that degree. GTL program course schedules by semester are listed in Appendix A.

Candidates enrolling in the Graduate Teacher Licensure program are required to complete most of the course requirements on campus. They are also required to come to campus for new student registration and orientation.
ADMISSION REQUIREMENTS

The successful candidate will:

1. Profess faith in Jesus Christ and live a consistent Christian lifestyle.
2. Have completed a Bachelor’s or Master’s degree program at an accredited institution with a minimum cumulative GPA of 3.00.
3. Have recent successful experience with K-12 students at the appropriate authorization age level, preferably in a school setting. If experience is lacking, the candidate may be denied acceptance or considered for Provisional Acceptance by fulfilling a two credit-hour practicum that would be arranged for the candidate to successfully complete before student teaching.
4. Pass the California Basic Educational Skills Test (CBEST) or Praxis I (PPST). If the application is complete except for score reports indicating passing scores on the CBEST or PPST, the candidate may be considered for Provisional Acceptance.
5. Demonstrate competency in a subject area if seeking middle and/or high school level authorization. Candidates may demonstrate this in one of the following ways:
   a. Degree in subject or related field;
   b. Work experience in the field; or
   c. 30 semester hours in content area.
6. Have completed a total of 30 semester hours in the following multiple subject areas if seeking early childhood and elementary level authorization:
   a. Math
   b. Science
   c. Humanities or English or Communications
   d. Social Sciences and History
   e. Fine arts
   f. Human Performance
   
   NOTE: Music experience and performance skills are additional admissions requirements for music teaching candidates. Applicants for music teaching licensure will be interviewed by music education faculty to determine content area expertise. The interview may include a performance audition.

ADMISSION PROCEDURES

To be considered for admissions, the potential candidate will:

1. Complete the Application for Admission. Respond to the appropriate admissions essays.
2. Remit Payment of $40.00 as a nonrefundable application fee.
3. Submit Recommendation Forms listed below. Evaluators who complete the form should send it to the Office of Graduate & Adult Degree Admissions.
   a. Professional
   b. Christian Character
4. Send official transcripts from the final undergraduate institution to the Office of Graduate & Adult Degree Admissions. In addition, transcripts for any graduate courses believed to be transferable to the program should also be sent.
5. Provide evidence of recent successful experience with K-12 students at the appropriate authorization age level as well as other professional experience by submitting a Professional Resume, with additional information provided in the required admissions essays.
WASHINGTON RESIDENTS:
Prospective Washington State students are advised to contact the Office of the Superintendent of Public Instruction at 360-725-6320 or profed@k12.wa.us to determine whether this education program is approved for teacher certification or endorsements in Washington State. Additionally, teachers are advised to contact their individual school district as to whether this program may qualify for salary advancement.

ADDITIONAL REQUIREMENTS FOR LICENSURE

Examinations. In addition to the CBEST or Praxis I, candidates pursuing early childhood, elementary or middle school authorizations are required to pass the Multiple Subjects Exam (MSE), administered by ORELA. Middle School and High School candidates are required to pass all relevant content area Praxis II exams (to be replaced soon by the “Pearson” content area exams). All content expertise exams must be passed before student teaching. After September 1, 2010 all license candidates will also be required to pass an additional ORELA exam on civil rights; Protecting Students Civil Rights in an Educational Environment.

Human Development Coursework. TSPC requires that all licensure candidates have taken a course in childhood or adolescent or lifespan development, relevant to the age of students designated by the desired authorization levels. This course may be completed at any accredited higher education institution and may be completed prior to admission to Corban’s GTL program.
**Fingerprinting and Criminal History Background.** All licensure candidates must be cleared through TSPC after submission of fingerprinting documentation and criminal history background forms. This process will be conducted early in the course of the GTL program and students will not be allowed to progress to student teaching until clearance is granted.

**Technology Program Requirements**
All students are required to use Microsoft Word as their word processing application, to be able to navigate online resources with reasonable fluency and to use their official Corban email account for all program communication. *Corban students will be eligible to purchase Microsoft Office at a discounted price.*

**Master of Science in Education**

**OVERVIEW**
This program is designed for educational professionals who plan to pursue a Master of Science in Education degree. The program contains four tracks: Curriculum and Instruction, ESOL Endorsement, Reading Endorsement and Continuing Teaching License.

**ADMISSION REQUIREMENTS**
The successful candidate will:

1. Profess faith in Jesus Christ and live a consistent Christian lifestyle.
2. Have completed a Bachelor’s or Master’s degree program at an accredited institution with a minimum cumulative GPA of 3.00.

**ADMISSION PROCEDURES**
To be considered for admissions, the potential candidate will:

1. Complete the Application for Admission. Respond to the appropriate admissions essays.
2. Remit Payment of $40.00 as a nonrefundable application fee.
3. Submit Recommendation Forms listed below. Evaluators who complete the form should send it to the Office of Graduate & Adult Degree Admissions.
   a. Professional
   b. Christian Character
4. Send official transcripts from the final undergraduate institution to the Office of Graduate & Adult Degree Admissions. In addition, transcripts for any graduate courses believed to be transferable to the program should also be sent.
5. Provide evidence of professional teaching experience, applicable experience and/or licensure by submitting a Professional Resume.
REQUIRED COURSES

M.s.Ed. Common Core (19 credits)
ED501 Christian Scholarship Seminar (1)
ED511 Biblical Worldview in Education (3)
ED513 Biblical Leadership in an Educational Environment (3)
ED532 Theories of Learning and Teaching (3)
ED545 Law, Policy and Politics in Education (3)
ED601 Introduction to Research in Education (3)
ED602 Thesis (3)

Curriculum and Instruction (15)
ED535 Curriculum Devel and Evaluation (3)
ED542 Assessment for Learning (3)
ED534 Teaching the Diverse Learner (3)
Content Area Electives (6)

Continuing Teaching License (14)
ED535 Curriculum Development (3)
ED542 Assessment for Learning (3)
Content Electives (6)
ED605 Portfolio (2)

Reading Specialist (14)
ED621 Foundations of Literacy and Language Development (3)
ED625 Current Issues & Leadership in Literacy Instruction (3)
ED626 Advanced Literacy Assessment and Diagnosis (3)
ED632 Advanced Methods in Reading & Writing Instruction (3)
ED634/ED638 Reading Specialist Practicum – Elementary/Secondary (2)

ESOL Specialist (14)
ED611 Intro to Linguistics and Language Acquisition (3)
ED614 Intercultural Communication and Teaching (3)
ED615 ESOL Methods and Materials (3)
ED616 Content Area Instruction & Assessment for ELL Students (3)
ED618 ESOL/Bilingual Practicum (2)

TECHNOLOGY PROGRAM REQUIREMENTS

All students are required to use Microsoft Word as their word processing application, to be able to navigate online resources with reasonable fluency and to use their official Corban email account for all program communication. *Corban students will be eligible to purchase Microsoft Office at a discounted price.

English for Speakers of Other Languages (ESOL) Endorsement and Track

OVERVIEW

This program is for Oregon licensed educators. Candidates can either complete the 14-credit endorsement as a stand-alone program or as a track in the Master of Science in Education program. The endorsement sequence comprises four core courses in ESOL/Bilingual theory and practice, and a 2-credit practicum.

A candidate for the Bilingual endorsement must also furnish evidence of proficiency in the designated foreign language. This may be with a passing score on the ACTFL Proficiency Test, by passing another second language fluency exam approved by program leadership or by evidence of prior experience.
REQUIRED COURSES

<table>

<tr>
<td>ED616 Content Area Instruction &amp; Assessment for ELL Students</td>
<td>3</td>
</tr>
<tr>
<td>ED618 ESOL/Bilingual Practicum</td>
<td>2</td>
</tr>
</tbody>
</table>

Upon completion of coursework and practicum, an ESOL endorsement candidate is required to pass the ESOL exam administered by Oregon Educator Licensure Assessments (ORELA). Corban University will then recommend the candidate for the endorsement to Teachers’ Standard and Practices Commission (TSPC) and the candidate applies directly to TSPC for the added endorsement to his/her license.

Reading Endorsement and Track

OVERVIEW

This program is for Oregon licensed educators. Candidates can either complete the 14-credit endorsement as a stand-alone program or as a track in the Master of Science in Education degree. The endorsement sequence comprises 12 course credits in reading theory and practice and a 2-credit practicum. Below is a listing of the courses that lead to the endorsement.

REQUIRED COURSES

<table>

<td>ED632 Advanced Methods in Reading &amp; Writing Instruction</td>
<td>3</td>
</tr>
<tr>
<td>ED634/ED638 Reading Specialist Practicum – Elementary/Secondary</td>
<td>2</td>
</tr>
</tbody>
</table>

Upon completion of coursework and practicum, a Reading Endorsement candidate is required to pass the Praxis II Reading Specialist exam. Corban University will then recommend the candidate for the endorsement to Teachers’ Standard and Practices Commission (TSPC) and the candidate applies directly to TSPC for the added endorsement to his/her license. (If the candidate holds a Basic or Standard teaching license, he or she is eligible for the endorsement upon passing the exam and completing a practicum. The candidate applies directly to TSPC with no program recommendation required.)

Note: Though there is a policy limit of six “track” credits transferable from another institution for ESOL and Reading (and nine Core credits), students may transfer in up to 14 if they have completed an endorsement program with another institution. In these cases, however, the student must complete all Core coursework for the M.S.Ed. at Corban.
Curriculum and Instruction Track

OVERVIEW
This program is designed to address the needs of classroom teachers (not an endorsement). Candidates explore curriculum issues as they relate to the classroom and have the opportunity to take elective courses that would enhance their instruction and their understanding of the field of education.

Continuing Teaching License and Track

OVERVIEW
This program is for Oregon licensed educators. Candidates can either complete courses as a stand-alone program or as a track in the Master of Science in Education program. The endorsement sequence comprises six semester credits in curriculum development and assessment, six graduate semester credits of electives and the compilation of a portfolio for one credit.

Added Endorsement or Authorization Only

Candidates are welcome to pursue an ‘Endorsement Only’ program, in which they complete all ESOL or Reading coursework and practicum, respectively. Candidates seeking to add an authorization level or core subject area endorsement to a current Oregon teaching license will work with an advisor to design an individualized program that aligns with TSPC regulations and the Corban University mission, for a minimum of six credit hours, which will include two credits of practicum.

Any course to be added to a student’s schedule after the first day of online instruction requires consultation with and approval of the Director of Graduate Education, even if the course is F2F and has not yet met for the first time.
COURSE DESCRIPTIONS

GRADUATE TEACHER LICENSURE PROGRAM (GTL) - CORE

ED511 (3) Biblical Worldview in Education
This course examines how biblical belief structures influence the methods educators use to motivate people to learn. Each candidate will develop a personal statement of his/her biblical worldview and how that view affects his/her perspective on learning, teaching, and thinking on current issues in education.

ED532 (3) Theories of Learning and Teaching
This course discusses principles of human learning and related practices for classroom teaching. The psychology of learning in a school setting includes both individual and group generalizations. The roles and functions of a classroom teacher or a school leader as a facilitator of learning, and a decision maker concerning pupil needs and achievement are explored.

GRADUATE TEACHER LICENSURE (GTL) – INSTRUCTIONAL METHODS

ED530 (2) Instructional Alignment I
This is part one of a two-semester course designed to model the process of instructional alignment through all stages of curriculum development, including development of goals, objectives, content and strategies as they relate to the four levels of Oregon licensure. These concepts will be applied in age-group breakout sessions focusing on effective and developmentally appropriate teaching strategies. Micro-teaching sessions will allow students to practice the use of major teaching strategies. The course will culminate with the design and development of a three-day teaching unit, including all supplemental instructional materials.

ED531 (2) Instructional Alignment II
This is part two of a two-semester course designed to model the process of instructional alignment through all stages of curriculum development. This course builds upon the concepts presented in Instructional Alignment I. Students will be introduced to a variety of techniques appropriate for evaluating and assessing at all levels of Oregon licensure. Additional emphasis is placed upon the effective integration of technology and other media into instruction.

ED555 (2) Early Childhood/Elementary Music Methods
This course is designed to facilitate an increase in students' understanding of musical development in children and the breadth of music curriculum applications in elementary schools. Students will be guided toward the development of competencies necessary to teach music in the elementary schools; including planning, presentation, management and evaluation skills.

ED550 (3) Methods in Literacy
This course emphasizes how children develop various types of literacy skills. Theory of the development of literacy will be emphasized along with actual application of skills in the classroom. The course will focus on how literacy development is related to language, cognitive, moral, and physical development of learners. Diagnosis of skill development will also be emphasized. The course includes an emphasis on the use of children's literature in developing literacy skills.

ED551 (2) Methods in Mathematics
This course is intended to examine and openly challenge knowledge, beliefs, and assumptions about the learning and teaching process. Candidates engage in activities designed to enhance conceptual understanding and connect it to procedural knowledge. They explore what it means to teach mathematics in a standards-based system (i.e., using standards to plan instruction, using scoring guides to assess student work, critically examining curricula).

ED552 (2) Methods in Social Studies/Science
Candidates will study, experience, and practice research-based social studies and science pedagogy appropriate to early childhood/elementary students in a self-contained classroom setting. Activities include writing and research and a demonstration of
social studies and science teaching practice. Candidates will also develop and critique social studies and science curriculum.

ED553(BU/LA/PE/MA/MU/SC/SS) (3) Special Methods in Content Area
This course is designed to help secondary candidates develop specific teaching skills related to their individual content areas of expertise.

ED556 (2) Content Area Literacy
This course examines the importance of every middle level and high school teacher in the development of reading, writing, speaking and thinking skills within his/her specific content area. Topics include reading levels and text readability, study methods, vocabulary development, comprehension, mapping, questioning, and small group skills.

ED557 (3) K-12 Methods in Physical Education Instruction
This course provides foundational knowledge and application in effective teaching physical education instruction strategies for all authorization levels.

ED568 (1) Special Topics Seminar
In this series of four Saturday morning workshops, candidates will examine various approaches to classroom management and begin developing their own management philosophy and strategies. Early Childhood and Elementary candidates will also investigate strategies for integrating the Arts and PE in their classrooms, and Secondary candidates will examine issues relating to Middle School Models and Methods.

GRADUATE TEACHER LICENSURE PROGRAM (GTL) – PRACTICA

ED563 (5) Field Experience I – First Authorization
The candidate completes a 10-week full-time teaching experience at the first authorization level of his/her choice: early childhood, elementary, middle level, or high school. The experience includes the development and teaching of a work sample. (A $275 fee is collected at registration for the costs of classroom teacher supervision and travel expenses for a university supervisor.)

ED564 (2) Field Experience II – Second Authorization
The candidate completes a 5-week full-time teaching experience at the 2nd authorization level of his/her choice: early childhood, elementary, middle level, or high school. The experience includes the development and teaching of a work sample. (A $125 fee is collected at registration for the costs of classroom teacher supervision and travel expenses for a university supervisor.)

ED565 (2) Methods Practicum
This practicum is designed for post-baccalaureate teacher licensure candidates who enter the program with little or no classroom experience. Candidates are required to be in the classroom a minimum of 30 hours for observation and active participation. Prescribed experiences should include working with students in small groups on a number of occasions and whole class leadership for brief periods of time on 4-5 occasions. No official lesson plans or units of instruction are required, but a written reflection on the experience will be discussed and submitted to the candidate’s academic advisor. A $50 fee will be assessed in addition to tuition to compensate the cooperating teacher and meet mileage expenses for the supervising teacher.

ED566 (2) Added Endorsement Practicum
This practicum is designed for candidates seeking an added endorsement to an existing Oregon teaching license. The practicum requires a minimum of 90 hours in the classroom, which may include professional collaboration and staff development time in addition to student contact time.
The candidate is required to observe and support the classroom teacher, develop familiarity with content area curriculum and instructional strategies, provide assistance to individual students or small groups of students and to be fully responsible for a minimum of 10 instructional periods. A $125 fee will be assessed in addition to tuition to compensate the cooperating teacher and meet mileage expenses for the supervising teacher.

**ED567 (7) Field Experience III—Single Authorization**
The candidate completes a 15-week full-time teaching experience at the single authorization level of his/her choice: early childhood, elementary, middle level, or high school. The experience includes the development and teaching of TWO work samples. (A $425 fee is collected at registration for the costs of classroom teacher supervision and travel expenses for a university supervisor.)

**MASTER OF SCIENCE IN EDUCATION (M.S. Ed.) – CORE**

**ED501 Christian Scholarship Seminar (1)**
This seminar during every student’s first semester in the M.Ed. program will provide an overview of the unique nature of Christian Higher Education and the value of bringing a biblical worldview into academic scholarship. Students will also be introduced to writing expectations for the culminating Thesis project and receive individual guidance from their advisor to outline their M.Ed. completion plan.

**ED511 (3) Biblical Worldview in Education**
This course examines how biblical belief structures influence the methods educators use to motivate people to learn. Each candidate will develop a personal statement of his/her biblical worldview and how that view affects his/her perspective on learning, teaching, and thinking on current issues in education.

**ED513 (3) Biblical Leadership in an Educational Environment**
In this course students will examine the nature of biblical leadership, consider traditional theories and styles of leadership, and work to develop their own identity as leaders in an educational environment. They will study current issues in educational leadership and articulate the positive difference both formal and informal leaders can make in a given educational setting. Students will have the chance to reflect on and apply their own values and understanding to shed light on situations they are likely to face as educational leaders.

**ED532 (3) Theories of Learning and Teaching**
This course discusses principles of human learning and related practices for classroom teaching. The psychology of learning in a school setting includes both individual and group generalizations. The roles and functions of a classroom teacher or a school leader as a facilitator of learning, and a decision maker concerning pupil needs and achievement are explored.

**ED545 (3) Law, Policy and Politics in Education**
This course identifies and analyzes major policy and political trends and issues impacting education on the national, state and local levels. Recent and historical legal issues and specific decisions will also be examined to add light on the policy, politics and practices in American schools. This course leads students to a familiarity with the perspective of a wide range of stakeholders in education, and the complex processes of making policy and determining practices.

**ED601 (3) Introduction to Educational Research and Analysis**
This course will provide an overview of various research methodologies applied in the field of education, as well as instruction in finding, selecting and evaluating educational research. Students will be guided in the defining of the focus area for their thesis and developing a relevant annotated bibliography to take with them into the thesis writing.
ED602 (3) Thesis
Students will be guided in supplementing the thesis bibliography begun in ED601, organizing the resources for thesis writing and work with the instructor/advisor to meet a series of writing and review deadlines through the course of the semester. Significant attention will be provided also to the process of viewing academic literature and theses through the lens of a biblical worldview. Candidates not finishing their Thesis by the end of the semester will be required to take one credit of Thesis work each semester until completed or withdrawing from the program.

MASTER OF SCIENCE IN EDUCATION (M.S. Ed.) – CURRICULUM AND INSTRUCTION

ED534 (3) Teaching the Diverse Learner
Candidates learn to select, modify, and evaluate curricular materials for individuals and groups of exceptional learners, taking into account the learners’ intelligences, cultural history, learning abilities and socioeconomic background. Candidates will work with case studies involving exceptional individuals and apply methods of instruction discussed in class.

ED535 (3) Curriculum Development and Evaluation
This course will provide candidates with an intensive study of pedagogical approaches and materials for teaching in schools, including state curriculum documents, curricular recommendations of professional associations, recommendations that have emerged from recent educational research, and recommendations of recent reform movements.

ED542 (3) Assessment for Learning
Topics explored in this course include minimum competency, norm-referenced, and criterion-referenced tests; classroom student assessment, including portfolios and open-ended problem solving with scoring rubrics; reliability; validity; interpreting scores; standardized tests; planning and constructing assessments; and evaluating assessment items.

MASTER OF SCIENCE IN EDUCATION (M.S. Ed.) – READING ENDORSEMENT

ED621 (3) Foundations of Literacy and Language Development
This course focuses on theoretical foundations, current prevailing and competing theories, and the relationship of reading, writing, listening and speaking. It emphasizes psychological, cognitive and psycholinguistic principles that underlie the reading process. This course also addresses the stages of literacy and language development in children and adolescence. Candidates will look at the implications of various literacy theories and developmental issues as they impact literacy instruction.

ED625 (3) Current Issues and Leadership in Literacy Instruction
This course is designed to develop students’ familiarity with current issues in literacy instruction and recent trends in the administration and implementation of district, school and classroom reading programs. Students will also examine effective practices in literacy instruction, and develop their expertise in communicating assessment and research data to stakeholders, organizing school-wide and individual reading programs, and aligning literacy programs with federal, state and local standards.

ED626 (3) Advanced Literacy Assessment and Diagnosis
This course focuses on the knowledge and skills necessary to diagnose children’s reading. Selection and use of formal/informal assessment tools, understanding of basic measurement concepts, and analysis of results toward instruction planning for individuals and schools will be explored.

ED632 (3) Advanced Reading/ Writing Instruction Methods
This course focuses on building the teachers’ understanding and repertoire of effective literacy instruction strategies of all K-12 students, from the development of emerging readers’ decoding, fluency and comprehension skills to the development of basic and advanced literacy skills on the part of older elementary and adolescent learners. The main emphases will be
learning strategies that cultivate students' joy in reading as well as teaching them how to read for meaning across genres and content areas so that they all become actively literate.

ED634 (2) Practicum – Elementary Reading Specialist
This practicum provides candidates with the opportunity to teach younger students in the private or public school settings under supervision. The practicum emphasizes the use of instructional materials, strategies and techniques learned and selected in light of extensive research and knowledge from coursework.

ED638 (2) Practicum – Secondary Reading Specialist
This practicum provides candidates with the opportunity to teach middle/high school students in the private or public school settings under supervision. The practicum emphasizes the use of instructional materials, strategies and techniques learned and selected in light of extensive research and knowledge from coursework.

MASTER OF SCIENCE IN EDUCATION (M.S. Ed.) – ESOL

ED611 (3) Introduction to Linguistics and Language Acquisition
This course examines the nature of language. Key linguistic terms are presented and applied to the ESOL classroom. The course also surveys the language backgrounds of Oregon’s ELL population, identifies common language struggles of each group, and compares and contrasts the acquisition and development of listening, speaking, reading and writing in first and second languages. Candidates also determine professional goals as related to ESOL education.

ED614 (3) Intercultural Communication and Teaching
This course examines the issues of culture in its relation to language learning and acquisition as well as exposes candidates to the historic precedents, legal issues, and best practices of Bilingual education. Candidates will survey the cultural background of Oregon’s ELL student population and explore issues related to communicating with culturally diverse families. Candidates are also exposed to issues of acculturation and discuss issues of equity and civil rights.

ED615: (3) Methods and Materials – ESOL Instruction
This course focuses on instructional strategies for developing social and academic English in ELL students. Candidates explore and learn about commonly used methods and materials and explore the new ELD (English Language Development) standards and methods which are currently being implemented in Oregon. The course also focuses on models of collaborative teaching and building learning/teaching communities with colleagues.

ED616 (3) Content Area Instruction & Assessment – ESOL
This course centers on the ways in which all content areas may serve to strengthen ELL student fluency and language competency. This course will focus on sheltered and scaffolded instruction (including GLAD and SIOP), with specific emphases on developing ELL student comprehension, vocabulary enrichment, and developmental writing. Candidates will also develop fair and useful assessment tools to determine literacy and academic learning and practice the administration, scoring, and interpretation of formal and informal tests of language proficiency.

ED618 (2) ESOL/Bilingual Practicum
The practicum is a supervised teaching experience of 90 contact hours in two authorization levels, and will be arranged individually for each candidate. The practicum is an opportunity to apply the learning from coursework. Candidates are to demonstrate competence in teaching both English and academic content to ELL students at a variety of English proficiency levels. In addition, candidates for the Bilingual Endorsement must demonstrate proficiency in the classroom use of the designated foreign language.
MASTER OF SCIENCE IN EDUCATION (M.S. Ed.) – CONTINUING TEACHING LICENSE (CTL)

ED535 (3) Curriculum Development and Evaluation
This course will provide candidates with an intensive study of pedagogical approaches and materials for teaching in schools, including state curriculum documents, curricular recommendations of professional associations, recommendations that have emerged from recent educational research, and recommendations of recent reform movements.

ED542 (3) Assessment for Learning
Topics explored in this course include minimum competency, norm-referenced, and criterion-referenced tests; classroom student assessment, including portfolios and open-ended problem solving with scoring rubrics; reliability; validity; interpreting scores; standardized tests; planning and constructing assessments; and evaluating assessment items.

ED605 (2) Portfolio
To be arranged with the Director of Graduate Education. This process is designed to allow the Continuing Teaching License candidate to present and defend his/her evidence of competence at an advanced level.

ADDITIONAL ELECTIVES

ED533 (3) Technology in Education (offered every spring semester)
This hands-on, project-based course fosters a demonstrated understanding of teaching with appropriate uses of technology within the educator’s specific area of interest. Topics will include how technologies foster learning, electronic portfolios, strategies for authentic assessment, criteria for selecting appropriate educational software, participating in virtual learning communities, professional development planning using the International Society for Technology in Education standards, and contemporary issues associated with information literacy and educational technology.

EN513 (3) Literary Perspectives: Readings and Analysis
The student will be guided through the selection and reading of sources relevant to a specific genre, era or geographically defined collection of literature. The course goal is to develop the student’s familiarity with the literature, and cultivate the student’s literary analytical skills within the context of a biblical worldview. Conferences, reading responses and other assignments will be completed in a format that includes a combination of online, electronic and personal communication. In addition to this Course Description, each course will have an articulated Course Purpose, more specifically identifying the selected study content.

H513 (3) Historical Perspectives: Reading and Analysis (by special arrangement, limited availability)
The student will be guided through the selection and reading of sources relevant to a specific era, series of events or geographically defined collection of historical documents, texts and other volumes. The course goal is to develop the student’s familiarity with the historical events and issues, and cultivate the student’s analytical skills within the context of a biblical worldview. Conferences, reading responses and other assignments will be completed in a format that includes a combination of online, electronic and personal communication. In addition to this Course Description, each course will have an articulated Course Purpose, more specifically identifying the selected study content.

FORMER GRADUATE EDUCATION PROGRAM COURSES
(No longer required in Graduate Education Program. Offered only by director approval and faculty availability in unique circumstances, additional Independent Study Fee applied.)

ED510 (3) Philosophy of Education
This course presents major philosophies and discusses the effects of those philosophies on education. Each candidate develops a position paper outlining his/her own philosophy of education from a Christian
ED521 (2) Introduction to Research and Analysis
Topics in this survey course include research paradigms; measurement and test characteristics; planning and evaluation; library resources; identifying research problems; planning research; types of research; and research designs.

ED522 (2) Quantitative Research in Education
This course helps beginning educational researchers balance the competing demands of formal experimental and survey design principles with the practical constraints of the real world, so that they can conduct sound quantitative research. Emphasis will be placed on formulating research questions, identifying relevant target populations, selecting respondents for study, refining definitions of the effects of interest, identifying relevant comparisons, selecting appropriate measures, determining how many subjects to study, and taking advantage of the results of previous research and pilot studies.

ED523 (2) Qualitative Research in Education
This course introduces the basic issues of theory and method in qualitative research. These skills include negotiating a research relationship with those studied, identifying and critiquing one’s own assumptions about the people and issues studied, developing research questions, conducting observations and interviews, confronting ethical issues, analyzing qualitative data, and communicating the results of research.

ED524 (2) Classroom Action Research
Action research is one of the possible capstone projects for the M. Ed. Program. It involves the identification of an education problem in the candidate’s work setting, researching the literature regarding the educational problem, designing a proposal to solve the problem, implementing the solution (after the proposal has been approved), and reporting the results.

ED525 (2) Mixed Methods Research
This course introduces the basic issues of theory and method in qualitative and quantitative research and shows how both methods can complement and enhance data collection strategies. Candidates will learn how to negotiate research relationships, identify personal bias, conduct interviews, balance the competing demands of formal experimental and survey design principles with the practical constraints of the real world, use research instruments and identify relevant target populations. Candidates will also learn how to use the different methodologies to triangulate data.

ED536 (3) Classroom Teacher-Counselor
This course focuses on the classroom teacher’s obligations and opportunities for guiding and counseling students in academic and personal areas. It acquaints the teacher with the varied needs and characteristics of children and adolescents, basic concepts and techniques of group and individual counseling and guidance, and means of incorporating these factors in a practical, functional classroom program. Particular emphasis is placed on the interrelationships of the classroom counselor with staff associates, parents and other specialized resource personnel (arranged upon request and contingent upon faculty availability).
Academic Policies

Determining Admission of Candidates
The Admissions Committee considers completed applications periodically in advance of each semester in which new students may start a degree or program of study. Following are the determinations that are made by the Admissions Committee and subsequently communicated to applicants in letter form.

- **Official Acceptance.** The applicant meets Admission Requirements and is offered the opportunity to enroll as a student in an upcoming semester. No provisions for admission are issued with this determination.

- **Provisional Acceptance.** The applicant meets admission requirements and is offered the opportunity to enroll as a student in an upcoming semester subject to certain prescribed provisions. The determination letter sent to the applicant will specify required provisions. Provisions for acceptance must be fulfilled prior to completion of the student’s first semester of coursework. If provisions are not fulfilled on a timely basis, the student will not be allowed to take additional courses until admission is complete and approved. Some provisions may be prescribed which must be fulfilled prior to enrollment in the first semester of classes. The provisionally accepted candidate must submit evidence that provisions have been fulfilled to the Office of Graduate & Adult Degree Admissions. After provisions have been fulfilled, a letter of official acceptance will be issued.

- **Declination.** The applicant does not meet Admission Requirements and is not allowed to enroll as a student in an upcoming semester. Unless specified in the determination letter, declination does not preclude re-application at a future time if the applicant’s situation changes and an updated application can be submitted to demonstrate the candidate subsequently meets Admission Requirements.

Registration
Graduate students register themselves using the online Student Information System, and they may register for courses beginning on the day of Open Registration according to the calendar in this bulletin. A LATE registration fee will be applied for any registration activity after the close of Open Registration. (see calendar)

Duration of Study Limits
Graduate Teacher Licensure students have three years to complete all program requirements leading to Initial Teaching License. If student teaching is not completed within three years of entering the program, additional methods coursework will be required. Methods coursework to be considered for licensure requirements must be taken within three years of licensure recommendation. Decisions regarding specific courses and number of additional required semester credits will be made on an individual basis by the Director of Graduate Education and the Dean of Education. Recency of coursework and relevant teaching experience will be considered. The fingerprinting process required for student teaching by TSPC must be repeated and updated if not completed within two years prior to student teaching placement.

Master of Science in Education requirements must be completed within six years from the beginning of admission to the M.S.Ed. program without loss of credit for completed classes. This does not apply to candidates who have completed the Graduate Teacher Licensure program. Those candidates have four years upon completion of licensure requirements to enter the M.S.Ed. program, at which time all GTL coursework that applies to the M.S.Ed. requirements will be accepted and the candidate has four years in which to complete the remaining M.S.Ed. requirements. All decisions will be made on an individual basis by the Director of Graduate Education and Dean of Education based on recency of coursework and relevant professional experience.
Candidate admitted to the Graduate Teacher Licensure program are at that time provisionally admitted to the M.S.Ed. program, and may take M.S.Ed. coursework beyond licensure requirements. The following conditions apply to GTL students seeking to continue in the M.S.Ed. program:

- If seeking to enter the M.S.Ed. program while still completing GTL requirements, the candidate will be officially accepted to the M.S.Ed. program upon completion of an admissions application with no fee and no letters of recommendation.
- If seeking to enter the M.S.Ed. program within one year of completing the GTL program, the candidate will be officially accepted upon completion of an admissions application with no fee and no letters of recommendation.
- If seeking to enter the M.S.Ed. program within two years of completing the GTL program, the candidate will be officially accepted upon completion of an admissions application with no fee, but letters of recommendation will be required.
- If seeking to enter the M.S.Ed. program after an absence of two years, the candidate will be officially accepted upon completion of an admissions application including application fee and letters of recommendation.
- If seeking to enter the M.S.Ed. program after an absence of four years or more the candidate is required to submit a complete application, including fees and letters of recommendation, and will be considered for acceptance with all new program applicants.

Current or former GTL students will be required to enroll in ED501 Planning Seminar the first semester after official acceptance into the M.S.Ed. program.

Graduation Requirements
To become eligible for the Master of Science in Education, the candidate must satisfactorily complete the following:

1. Program of Study. All coursework must be completed according to a program of study defined and on file with the academic advisor during orientation and the Christian Scholarship Seminar, updated as needed with the advisor and consulted for degree audit purposes the semester before expected degree completion. All courses must be completed within the Duration of Study Limits policy articulated elsewhere in the Academic Bulletin.

2. Presentation of Thesis. The penultimate step to graduation is the formal presentation of the research thesis to the education faculty. Though this will be incorporated into ED602 requirements, it is meant to be an academic community event, so other education students may be in attendance. Local students will be expected to come to campus at a designated day and time for the presentations, and distance students will arrange a telephone or video conference call with at least two faculty who have read and evaluated the thesis.

3. A minimum grade point average of 3.00 for the total graduate program, with no more than six hours of grade “C” included. (Any course in which a grade lower than “C” is earned must be retaken.)

4. Formal application for graduation. Candidates who expect to complete all degree requirements must apply for graduation. The form is available online and must be turned in by the first week of the semester in which the candidate expects to graduate. A $120 graduation fee must accompany the application. To participate in commencement ceremonies, all requirements must be completed no later than the last full week before the commencement.
Online Courses
The M.S.Ed. program can be completed entirely online, or students may choose to take some courses face-to-face (F2F). Many M.S.Ed. courses are offered in both formats, while most are offered only online. Candidates in the Graduate Teacher Licensure program (GTL) are required to take a significant portion of courses F2F, but there are also online options for some courses in this program. A course matrix is available to current students describing when all courses will be offered and in what format.

Christian Scholarship Seminar
Master of Science in Education candidates are required to take Christian Scholarship Seminar (ED501) during the first semester of their program. Over the course of the semester the candidate will confer with a graduate advisor to discuss the policy and procedures of the program as well as plan the course of study to fit the specific needs of the candidate.

Readmission of Candidates
Candidates absent from the GTL or M.S.Ed. program for one year or less are not required to apply for re-admission. They will meet with the program advisor to determine a continuing program plan. To apply for readmission after an absence of one year or more, a candidate must complete an Application for Admission and return it to the Office of Graduate Admissions. The following additional factors and conditions apply for candidates absent from the program for more than one year:

- Returning after one year but within two years the candidate will be re-admitted upon submitting an application for admission with no application fee and no letters of recommendation required.
- Returning within three years the candidate will be re-admitted upon submitting an application for admission, including the application fee and letters of recommendation.
- After a three year absence the candidate is required to submit all admissions application documentation and fees and will be considered for admission as a new student to the program – though any coursework completed within six years of original admission can be included as fulfillment of M.S.Ed. requirements.
- All other Duration of Study Limits apply as described in that section of the Academic Bulletin.
- All admissions requirements as described in this Bulletin apply to any request for re-admission.

Student Teaching
The required student teaching experience for graduate teacher licensure candidates is a minimum of 15 weeks, full-time in the schools. This will most often be divided between two placements, referred to as 1st authorization and 2nd authorization. The 1st authorization placement will be approximately 10 weeks, and the 2nd authorization will be approximately 5 weeks. (For example; 2nd grade for 10 weeks and 5th grade for 5 weeks, or middle school for 5 weeks and high school for 10 weeks).

The following requirements must be met before one begins the student teaching experience:

1. All coursework completed with a cumulative GPA of 3.00 and no more than 6 semester hours of a grade of C. Any course in which a student receives a grade lower than a C must be retaken before student teaching.
2. Placement application submitted to the teacher education secretary no later than the first month of the semester (September or January) prior to the student teaching experience.
   a. This is typically completed as part of the requirements for Instructional Alignment II
3. Passing score on CBEST (must pass before being admitted to program)
4. Passing score on the Multiple Subjects Exam and/or Praxis II content area test if required for licensure.
5. Documented classroom experience that satisfies this requirement.

Summer Schedule
During the academic year (fall and spring semester) courses are taught online or in the evening or on the weekend. This is done to facilitate candidates’ busy work and teaching schedules. In the summer, courses are offered online or on campus from June through August. These courses are referred to as two week intensives. These courses meet 5 days a week for two weeks in evening hours. Precise dates for specific courses are posted early each spring semester.

Thesis Requirement
Definition of a Thesis: A position or proposition that a person advances as a candidate for scholastic honors and offers to maintain by argument.

All candidates for the Master of Science in Education degree at Corban University will write a Thesis Paper addressing an educational issue relevant to their professional goals. Foundations for the Thesis will begin as students consider topics of interest to them while they are taking M.S.Ed. coursework. They will then identify a specific focus area and probable guiding questions during the first course in the research sequence. The Thesis Paper will include an extended literature review of relevant research and other academic or professional literature, a synthesis of the research, a discussion of the biblical worldview impact on the topic and a concluding proposition or recommendation (thesis). Study and writing for the Thesis Paper will be included in the research sequence, ED601 and ED602. 
Candidates not finishing their Thesis by the end of the semester will be required to take one credit of Thesis work each semester until completed or withdrawing from program.

Transfer of Credit
Graduate work completed at other regionally-accredited institutions may be accepted in partial fulfillment of the requirements for the initial teaching license or the Master of Science in Education at Corban subject to the following conditions:
1. Transfer credit will not be allowed for any course in which the grade received was lower than a B-.
2. Candidates are permitted to transfer a total of nine semester hours of graduate work from another institution to replace core coursework requirements. Additionally, they may transfer in a total of six semester hours of graduate work to fulfill elective or track requirements.
3. Graduate credit completed in another institution’s licensure program cannot be used to satisfy elective credit in the Master of Education program.
4. Each request for transfer of credit will be considered on an individual basis. The value of the course content in relationship to the applicant’s program will be considered in the decision.

Waiver of Required Courses
Courses required for completion of the Graduate Teacher Licensure program may be waived based on similar graduate or undergraduate courses taken at Corban or another higher education institution. Decisions will be made on an individual basis by the advisor and Director of Graduate Education. Undergraduate courses applied to GTL requirements in this way will NOT be counted as graduate credit toward the M.S.Ed.
GRADUATE FACULTY

Allen, Janine, Dean of Education, 2008. B.A. Loyola Marymount University; M.A. California State University; Ed.D. George Fox University.

Bartruff, Beth, Assistant Professor of Education, 2002. B.A. Willamette University; M.A.T. Willamette University; Ed.D. George Fox University (Fall 2009)

Dyer, Sang-Eun, Assistant Professor of Education, 2006. B.A. ChongJu National University of Education; M.A.E. Ball State University; Ph.D. Ball State University.

Green, Claudia, Associate Professor of Education, 1994. B.S. Western Baptist College; M.S. Western Oregon State College; Ed.D. George Fox University.

Imig, Aaron M., Assistant Professor of Education 2010. B.A. Secondary Education, Dordt College; M.Ed. Curriculum and Instruction, Dordt College; Ed.D. Curriculum Development and Instruction/Leadership, George Fox University.

Mooney, Angela, Assistant Professor of Education, 2008. B.S. Hannibal-LaGrange College; M.A. Wheaton College.
