

# TUITION PAYMENT OPTIONS

## WELCOME FROM THE CORBAN UNIVERSITY FINANCIAL SERVICES OFFICE!

It is time to consider your options, take action, and get your Financial Plan in place for the coming year. We want to make it simple for you. Once you receive your Financial Aid Award Letter you may choose to pay the remaining balance with one or more of the following options. It is our desire to work with your unique needs and find a customized plan that makes your education an affordable opportunity.

### 1. FOR STUDENTS ABLE TO PAY IN FULL EACH SEMESTER

- **Advantages:** Pay *early* and be done! No finance charges.
- **Tuition and fees not covered by scholarships, grants and loans is due prior to the start of each semester:** fall semester due date is **August 5th**, and spring semester due date is **January 15th**.
- You are able to pay online at [sis.corban.edu](https://sis.corban.edu), over the phone at 503-375-7030 or in person at the Financial Services Office. Payments by Visa, Discover, MasterCard and American Express are accepted with no additional fee.
- Currently no charges or financial aid have been posted for you to view on your student account as they are applied just prior to each semester start date.
- Contact [financialservices@corban.edu](mailto:financialservices@corban.edu) to request a **Balance Estimator** to plan for this option.

### 2. FOR STUDENTS PREFERRED A MONTHLY PAYMENT PLAN

- **Advantages:** Plans begin as early as May to allow for a full 12 months of payments, and can be combined with a partial down payment or loan.
- There is no fee or monthly finance charge for this service as you make your equal monthly payments over the course of the year.
- The Payment Plan Application is available on the financial services webpage or at [go.corban.edu/paymentplan](https://go.corban.edu/paymentplan).
- Feel free to contact us at 503-375-7030 or [financialservices@corban.edu](mailto:financialservices@corban.edu) with any questions you may have.

### 3. FOR STUDENTS SEEKING TO FINANCE WITH PARENT PLUS OR PRIVATE LOANS

- **Advantages:** If payments are not an option for you, or you need a partial loan to make your payments affordable, there are resources available.
- For information on additional low-interest borrowing options to help meet the balance due after financial aid, go to: [inside.corban.edu/financial-aid](https://inside.corban.edu/financial-aid).
- Our counselors are available to help you explore these options at 503-375-7006 or [financialaid@corban.edu](mailto:financialaid@corban.edu).

*Tuition accounts not paid in full by the due date, covered by a loan, or on an approved payment plan will incur a monthly finance charge of 1.5% of the outstanding balance (18.00% APR).*

Don't forget that you are also automatically enrolled in the **Corban Loan Repayment Assistance Program (LRAP)** at no cost to you! We are confident in the value of a Corban education, and the **Corban LRAP** gives you the freedom to make a difference wherever God leads.
