

Minors must be taken in conjunction with a major to satisfy requirements for a Bachelor's Degree

| Math Requirements |                                       | 18 Hours |  |
|-------------------|---------------------------------------|----------|--|
| MA223             | Statistics and Probability            | 3        |  |
| MA233             | Calculus I Differential               | 3        |  |
| MA243             | Calculus II Integral                  | 3        |  |
| MA253             | Calculus III Sequence, Series, Vector | 3        |  |
| MA363             | Topics in Discrete Mathematics        | 3        |  |
| MA                | Upper Division-300+                   | 3        |  |

9/4/2019

Check the class schedule for courses offered alternative years.

C- or better in courses is required for all minors.

Credits completed for core major requirements cannot also be used toward a minor.
