

Dear Parents:

This letter is to serve as an introduction to the campus food service and the management team at Corban University. The Travis Memorial Dining Hall is operated by Pioneer College Caterers, Inc. Pioneer specializes in contract meals at faith-based college campuses throughout the United States. Its main purpose is to provide students with the highest possible quality food, at a reasonable price.

Our dining facilities have been thoroughly cleaned and sanitized based on governmental and health department guidelines. Our entire team is committed to providing the highest quality dining program we can safely offer. We hope you and your student(s) feel welcomed and cared for in our dining facilities.

Pioneer and I will work to ensure your student(s) is provided with a well-balanced, varied menu. In an effort to heighten student understanding, Pioneer also provides a nutritional awareness program, A Matter of Choice. With this program, we have the right tools in place to answer many dietary questions and help students make educated choices.

In addition to our food service program, your son or daughter may need additional funds to purchase coffee and snacks. Please feel free to go online and visit our campus webpage which will be **available in early August**, <u>oncampusdining.com/corban</u>, or contact me personally to load flex dollars to their student ID for purchases made in the dining hall, Common Grounds, or The Market.

Jobs are available year-round with dining and banquet services. I would be glad to work around your son's or daughter's school schedule, should they be interested in working on campus. Email <u>diningservices@corban.edu</u> to inquire about dining employment.

I'm sure there may be times when you have a question or concern. Please feel free to contact me at any time. I would be happy to help in any way that I can. I look forward to serving you and your student.

Juan Diaz Food Service Director Corban University
