

# WHY CORBAN?

Corban students thrive because of the generous investments of people like YOU. Our supporters have found ways to use their TIME, TALENT, and TREASURE to impact the lives of students both on Corban's campus and across the globe. Each of our donors has a unique heart and passion behind their gift—but ALL of our donors are united by their support of Corban's mission "to educate Christians who will make a difference in the world for Jesus Christ."

“ I know what it's like to receive a scholarship. A Corban scholarship helped me be able to focus on classes rather than worrying so much about paying bills. It prompted me to work a little harder in class so I could be diligent with the gift I was receiving. As an alumna, I give because I want to help provide that feeling to other students, and I want to be a part of educating students to make a difference in the world for Christ.

“ We have been privileged to know several of the staff and professors as we walk the campus getting exercise and praying for the needs of Corban University. Their deep desire is for each student to be an effective ambassador of Christ. We are confident that the time and money invested in Corban is used effectively for God's Kingdom.

“ I truly believe, whether it's financially or with time, that we hold everything with an open hand to the Lord. I believe my money is His and not mine, so I give to organizations I feel are bringing people closer to Him and His Kingdom, and preparing people to serve Jesus and make a difference. I believe Corban is doing this. And that is why I support them.
