CORBAN UNIVERSITY

MATCHING GRANT PROGRAM POLICIES AND PROCEDURES

The Corban University Matching Grant Program is designed to allow churches to help their students with tuition costs at Corban. Please read this page before signing the form.

AWARD

- Corban will match the gift up to \$500 per semester or \$1,000 per year.
- For traditional undergraduate students only.
- Students awarded Corban Athletic Scholarships are not eligible for this grant.

POLICIES

- Awards must be from general church funds, not from individual gifts given through the church in order to get matching funds, if that money would have been paid to Corban for the cost of attendance otherwise. If a special offering is taken, it is permissible for family funds to be part of that offering; however, it should not be an inappropriately large percentage of the total.
- The church gift should be above and beyond any regular support the church provides Corban.

PROCEDURES

- The student completes section I of the application and the church completes section II. **It is the responsibility of the student to follow up with our office to ensure it has been received by the March 1, 2022 due date. We are unable to match funds unless both the application and the church contribution arrive by the due date.**
- A typed signature from the church representative is acceptable if the form is emailed to Corban from the church. Otherwise, please print and sign the form.
- **The application may be emailed from the church to financialaid@corban.edu, faxed to 503-585-4316, or mailed to:
Corban University Financial Aid, 5000 Deer Park Drive SE, Salem, OR 97317**
- The funds should be sent to Corban University in one lump sum contribution by March 1, 2022. Please include the student's name and award year for the scholarship in the memo line (e.g. John Doe for 2022-2023 church match).
