MEAL PLAN COSTS

2022-23

Meal plans are based on the number of times a student can access the dining hall. For example, "Weekly 19" indicates that students can dine during all 19 scheduled meal times each week. "Weekly 15" indicates that students can choose 15 out of 19 scheduled meal times each week. Block plans allow a student to access a specific number of meals at any time during the semester.

All meal plans also include Warrior Dollars, which may be used at Corban's Common Grounds coffee shop in the Pavilion and Grab-n-Go Market in the library.

All on-campus residents, including townhouse residents, are **required** to select a meal plan each semester.

Choosing your meal plan:

- On-campus residents with 60 credits or less must select one of the weekly plans.
- Residential students who have earned more than 60 credits must select a weekly plan or the Block 200 plan.
- Townhouse residents must select any weekly or block plan.
- Commuter students have the **option** to purchase any block plan.
