### **MEDIA ARTS CONCENTRATION (15)**

The media arts major offers students the opportunity to personalize their media worksheet and path by choosing a general media arts degree with no specific concentration. Mix and match courses from any concentration to get a well-rounded degree that prepares you to graduate quickly. Select any 15 credits from the above concentrations to complete a General Media Arts Degree.

Please keep in mind that 20 of your 45 total major credits need to be 300-400 level courses per Corban's graduation requirement for all majors. The core already includes 12 required credits from upper-level 300-400 courses.
