

COURSE AUDIT FORM

Course audits may only be requested up to the end of the add/drop period. Students must obtain all signatures and return the form to the Office of the Registrar. Please see the fee structure below: Additional fees for auditing are the same as those for courses in which credit is received. Enrolled students may change a course from credit to non-credit (audit) during the first four weeks of the semester. In such a case there is a processing charge of \$25.00 and no refund of tuition unless the change is made prior to the close of registration. Please refer to the current semester course schedule for complete fee information.
